The Milton Choral Society will give a concert in the Methodist Church, Georgetown, on Monday evening, 29th inst., under the auspices of the Epworth League.

T. G. Livingston is now occupying the large stone house next door to living stone Park which he built last year, and which was formerly occupied by the late T. G. Mathison, County Crown Attorney. Its interior has been remodelled and greatly improved, and it is lighted throughout by a niche gas plant. On Saturday evening it was invaded by a party of the young people of the town, who presented Miss Livingston with a "shower" of small housekeeping utensils and spent several hours very pleasantly.

Don't miss the greatest treat of the season, "The Old Southland Sextette," in the Methodist Church, Thursday, March 25th.

TRUSTEE ELECTION.—On Monday Wm. Main, of Trafalgar, was nominated as school trustee for the East Ward, for the unexpired portion of the term of the late Thomas McDowell. E. Syer and John P. Kelly might have been candidates, but finding that Mr. Main was in the field and that the portion of the section outside the town had no outside representative, they withdrew and Mr. Main was declared elected by acclamation. The election was irregular, it is said, the deputy-returning officer having been appointed by the town clerk instead of by the council and a by-law, but it is possible that it will not be challenged, Mr. Main being acceptable to the ratepayers generally.

BY A MILTON AUTHORESS.—"The Heart of the Stranger," a vivid story of New York street urchins, is one of the latest publications of the Fleming H. Revell Co. The writer is Miss Ruddy, daughter of John Ruddy, of Milton. She has spent a number of years as a worker among the immigrant children of New York, principally with the Italians, and no one understands them better than she. Her pen name is "Christain McLeod." The Christian City says of the book: "The children of the streets, who crowd its doors, are faithfully and vividly portrayed and the reader is drawn close to these little people in sympathy with the comedies and the tragedies of their impoverished, but eager young lives. Even the indifferent must be touched by such a story."

FOR SALE.—House on Mary St. East, Milton, and lots and barn on Thomas Street. For particulars apply to Mrs. Ellen Henderson, between 2 and 4 p. m.

PUBLIC LIBRARY—Carey Bros. will give their musical and moving picture entertainment in the town hall next Wednesday evening, under the auspices of the Public Library. New songs, new pictures. This entertainment has been postponed twice, on account of other events conflicting and should be well patronized. The Library's share of the profits will be spent on new books. The Careys draw big houses wherever they go. Yesterday's issue of the Burlington Gazette says: "The town hall was packed to the doors on Monday evening, when Carey Bros. gave their musical and moving picture entertainment. The moving pictures were exceptionally good, among the best being "The Terrible Kids," and the "Bell Boy's Revenge." The illustrated songs were beautiful, and the entertainment throughout merited the hearty applause of the audience."

Miss Esther McKenny has returned from Manitoba and is prepared to do all kinds of dressmaking. She is at present residing at J. F. Little's, Martin street.

LOWVILLE MAN WON $500.—The big six-day-go-as-you-please-team race in Madison Square Gardens, New York, ended at 10 o'clock on Saturday night. The French pair, Cibot and Orphee, won, making 732.6 miles and dividing $1500. The Indian pair, Davis and Metkus, made 719.5 miles and got second money, $1000, Davis, or "Bill" Davis, as he is called in sporting circles, lives at Lowville, on the old Cleaver farm, which he leased from its owner, Whitfield Armstrong, a few months ago. He is the man who first trained and brought out Tom Longboat and he is about to take charge of the Onondaga again. He arrived in Milton yesterday morning and, after a short stay at the Hotel McGibbon, left for home. He says Longboat is one of the most contrary of men and has become more unmanagable of late than ever. It would be much better for him if he would go to Lowville for his training, but he insists on staying at Toronto. Davis, however, hopes that he and Tom Flanagan will get him into good shape, and says he can beat Shrub or anyone else when fit.

COMMITTED FOR TRIAL.—On Tuesday evening Chief Constable McDonald, of Georgetown, brought a prisoner to jail. Wm. Murray, of Toronto, who had been committed for trial by H. W. Kennedy and J. G. Harley, J. P's., on the charge of breaking into a G. T. R. freight car and stealing therefrom a quantity of tobacco on Feb. 19th last. Before the magistrates Murray pleaded not guilty of breaking into the car, but admitted that he and a companion went to Georgetown on a freight train on the evening of Feb. 19th, and that he mounted guard while his companion broke into and robbed the car of five caddies of tobacco. They each took two caddies back to Toronto, after hiding the fifth one under the G. T. R. freight shed. The two men returned to Georgetown on 12th, and went to the freight shed to look for the cached tobacco, intending to open another car and get more. They were detected coming from under the shed, the prisoner was captured and taken to the lockup, but his companion escaped. Norman McCallum, station agent, swore to the breaking open of the car and the discovery of the hidden caddy. Witness and other railway men laid plans for capture of thieves. A string was attached to the caddy and brought up through the floor. Two or more of the men slept every night in the shed, one of them having the string tied to his wrist. On 12th inst. the prisoner was seen coming emerging from under the shed. He was caught and turned over to the constable, who locked him up. Prisoner admitted his guilt to witness, also his intention to rob another car. Prisoner had on him $7.85, a jack knife and an electric flash light. Other witnesses gave similar evidence. Murray was arraigned before Judge Gorham yesterday morning and elected to be tried by the Judge. The trial was fixed for next Wednesday at 11 a. m. Yesterday afternoon the prisoner told Governor McGibbon that he wished to plead guilty. Prisoner is a man of about 35 years of age.

GRACE CHUCH—The Ven. Archdeacon Forneret, M.A., rector of All Saints' Church, Hamilton, will be the preacher at Grace Church on Friday evening at 7.30. The rector's subject on Sunday evening will be "Queen Esther."

Don't fail to hear "The Old Southland Sextette" in the Methodist Church on Thursday, March 25th, when they give one of their famous entertainments, consisting of songs of the old southland slavery days, choruses, quartettes, trios, duets and solos by master voices. Tickets—Adults 25c., children under 12, 15c.

A NEW RECTOR FOR ST. ALBAN'S.—The Bishop has appointed Rev. R. F. Kelleman, of Passaic, N.J., to the rectorship of St. Alban's Church. Rev. Mr. Kelleman conducted the services here a week ago and the congregation was quite pleased with him. He will take charge about the first of April. The new rector is unmarried. He will be accompanied by his mother and two sisters.—Acton Free Press.

Duncan Clark died at Georgetown on Friday, aged 74. He was born in Glengarry and removed to Esquesing with his parents when a youth. For years he carried on a livery business at Georgetown, after which he was owner and landlord of the Stewarttown hotel. Then he went to Rochester, N.Y., for a time, returning to Georgetown, to spend the remainder of his days there. He is survived by two sisters, Mrs. Henry Tost and Miss Annie Clark, both of Georgetown. In religion he was a Presbyterian and in politics a Liberal.

NEW SKATING AND CURLING RINK.—Messrs. Beardmore & Co. have generously offered, if a local company is formed which will erect a covered rink at a cost of $4,000, to contribute $2,500 toward this amount, if $1,500 in stock is subscribed for by other citizens who may be interested in the scheme. The matter is being taken up and subscription lists are being circulated and it is hoped there will be little difficulty in securing the $1,500 of stock required.—Acton Free Press.

KNOX CHURCH.—The anniversary of St. Patrick was celebrated yesterday in many Canadian cities and towns; in Milton, as usual by KNOX Church. During the afternoon there was a bazar managed by the Ladies' Aid. Useful and ornamental articles, candies, etc., were offered for sale in great variety, and there were plenty of purchasers. Everything was sold out except a few doylies. For candies alone the receipts were $28 and much more could have been sold had the demand been anticipated. In the evening there was a concert by the Milton Choral Society in the school room, which was crowded. Much was expected of the society and its conductor Mr. Gollins, and expectations were more than realized. The part singing was very fine and it is hardly necessary to say that so were the solos by Miss Gertrude Hollinrake, Mrs. J. W. Bews and Mr. Earl, a vocal duet by Miss Hollinrake and Mr. Gollins and a piano duet by Misses Dewar and Lawrence. Mr. Wheeler was an efficient accompanist. The general verdict was that now that we have such a high class musical organization of our own we are independent of non resident professionals. After paying all expenses, the amount realized was about $120.

SUNLIGHT SOAP

Use it the Sunlight way. Follow the directions.

Curling.

The final game for the single-rink championship of the Milton Curling Club was played at the rink on Saturday between the Peacock and Hemstreet rinks. The ice was in fine condition, a close game was expected and there were many interested spectators. The game, however, was rather one-sided, skip Peacock winning by 24 to 5 shots, as follows:

C. E. Hollinrake,	R. M. Brown,
W. B. Clements,	G. A. Griffith,
S. R. Bews,	John Maxted,
J. J. Peacock,	R. L. Hemstreet,
skip.....24	skip.....5

Four Milton rinks went to Toronto on Friday to play a return match with the Lakeview Club. They were disappointed. The ice was soft and covered with water so that scientific curling was out of the question, and the match was called off, though a few two rinks of the more muscular players, turned their stones keen side down and made an attempt to play. One rink finished ahead and the other behind, but as there was no real match the scores were not reported.

Three rinks from the Royal City Club, of Guelph, will play here this afternoon.

HAWKING MACHINES.

Catarrh Sufferers Are Nothing But Hawking, Spitting and Blowing Machines, Says an Authority.

Is it possible that in these days when cleanliness and sanitary reform is being preached in the churches, schools and at public gatherings, that thousands of people will continue to suffer from catarrh when there is an absolutely certain remedy always on hand.

Hyomei (pronounced High-o-me) is a pleasant, medicated and antiseptic air. Breathe it in and it will cure catarrh. It will stop foul breath, watery eyes, and crusts in the nose in a few days.

Mrs. H. W. Wilson, of Johnson St., Wallaceburg, Ont., says: "Yes, we are great friends to Hyomei for the reason that Mr. Wilson has had catarrh for several years and tried several remedies and doctors, but nothing has relieved the trouble like Hyomei. His trouble is from pains across the eyes and a burning or huskiness in his throat. Sometimes much difficulty in breathing, the glands in his eyes and nose swollen and the disease made him literally sick all over. He cannot say enough in praise of Hyomei, and there is nothing that can give better relief to catarrh than this remedy, which we heartily recommend."

A complete Hyomei outfit, consisting of a strong, hard rubber pocket inhaler and a bottle of Hyomei, costs only $1.00, and extra bottles, if afterwards needed, cost only 50 cents each. Higginbotham Drug Co. sells it and guarantees it to do exactly as advertised.

Hyomei also cures Asthma, Bronchitis, Coughs, Colds and Infant's Croup.
