Another high authority agrees with Prof. Koyl's views on filtration. In a letter to the Toronto Telegram, which opposes Toronto's filtration scheme, ex-Alderman Thos. Davies says: "You have the testimony of Dr. Sutherland, of the Bacteriological Department of the Metropolitan Waterworks, London, England, on the futility of sand filtration in removing disease germs."

Mr. Justice Teetzel has reprieved Walter Blythe until Oct. 1st next, on the ground that an appeal has been made to the Court of Appeal. Blythe was in the habit of beating his wife brutally and finally, when drunk, pounded her to death with a poker. If ever a murderer deserved hanging he does. It has become too easy to interfere with the administration of justice in Canada by appeals and on technicalities. There is danger that such interference may lead to an increase in crime here, as it has in the United States.

When Hon. Rudolphe Lemieux, Postmaster-General, was in town yesterday morning his attention was called to the postoffice building. He was asked if he did not think the town deserved something better, and if it should not have a $5000 postoffice. He smiled, said it did and many smaller towns had fine postoffices built by the Government. Last winter, when Mr. Henderson pressed Milton's claims at Ottawa, Mr. Lemieux admitted their force, but said he was sorry that nothing could be done then, as there was nothing for Milton in the estimates. Let us hope that he will remember Milton when next year's estimates are being prepared.

Halton is likely to buy a half interest in Peel's house of refuge, which in that case will need enlarging, as there is little room to spare in it now. At Tuesday's meeting of Halton's county council the deputation from that of Peel explained that though a rate of $2 per week had been quoted for inmates of the house of refuge from Halton, there was room for only four. As this is insufficient for Halton, and as Peel is willing to sell a half interest to Halton it was arranged that Dr. R. W. Bruce Smith, Inspector of Hospitals and Asylums, should be asked to fix a day within two weeks to meet deputations from Peel and Halton councils at the house of refuge, Brampton, and discuss the necessary enlargement. He has fixed on next Wednesday, at 2 p. m. If the two councils can agree on terms it is likely that the arrangements will be put through and building begun as soon as possible. This may mean the issue of debentures by Halton, but it is impossible to say now how much money must be raised by this county.

Our football team went to Georgetown last Thursday for a friendly game with the locals there. However, our boys have had very little practice together and were beaten by 2 to 0. The Georgetown II are to come down here soon, when an exciting game may be expected.

Quite a number took in the excursion to the O. A. C. on Wednesday.

We are pleased to learn that Mrs. J. Hume and family are to be released from quarantine this week, after an imprisonment of about seven weeks.

Rev. W. Watts is able to be out again after a three weeks' illness.

Rev. W. L. Martin held communion service in the U. P. Church on June 6th.

Harry Claridge, of Norval, called on friends here last week.

John Shortreed leaves in a few days on a visit to his brother in B. C.

Road work is the order of the day.

System Requires Frequent Cleansing.

Not only outside but inside as well, your body must be frequently cleaned. Otherwise it becomes loaded with wastes that clog up the wheels of health. Much better to act in time. Use Dr. Hamilton's Pills; they strengthen and regulate the bowels, assist digestion, enrich the blood and thereby fortify the nerves and lay the foundation of lasting good health. Dr. Hamilton's Pills bring vim and vitality so much sought for to-day; they infuse a feeling of freshness and spirit in those who have been ailing for years. Really no medicine so potent. Price 25c at all dealers.

At the Montreal conference held at Pembroke, Rev. Dr. Chown, Secretary of the Temperance and Moral Reform Department of the Methodist Church, scored the Governor-General for patronizing the Woodbine races, owing to the betting features, and Dr. Chown stated that next year a measure to prohibit betting will be introduced in the House of Commons, if not in the address from the throne, then by a private member.

LACK OF BLOOD

Is What Causes Headaches, Dizziness and Heart Palpitation.

On the blood depends the welfare of the whole body. Where good blood exists disease is unknown, but where the blood is poor and watery disease quickly seizes hold of the body—It is then headaches, backaches, dizziness, heart palpitation and other serious ailments make themselves felt. Good blood can always be obtained through the use of Dr. Williams' Pink Pills for Pale People. They actually make good, rich blood and thus restore lost strength and banish disease. Mr. Herbert Hanson, Brewer's Mills, N. B., says:—"I cannot praise Dr. Williams' Pink Pills too highly. I was troubled with headaches, dizziness and loss of strength and had a hacking cough which I feared would lead to consumption. I tried a number of medicines without benefit, but was finally persuaded to try Dr. Williams' Pink Pills. I did so and used these Pills for several months with remarkable results. They helped me so much that I now strongly recommend them to all other sufferers."

The experience of Mr. Hanson is that of thousands of others who have found health and strength through Dr. Williams' Pink Pills after other medicines had failed. It is through their power in making good blood that these Pills cure such troubles as anaemia, indigestion, rheumatism, heart palpitation, neuralgia, nervous troubles and the distressing ills of girlhood and womanhood. Dr. Williams' Pink Pills for Pale People are sold by all dealers in medicine or direct by mail from The Dr. Williams' Medicine Co., Brockville, Ont., at 50 cents a box or six boxes for $2.50.

Baseball.

The Big Four League baseball season opened with great eclat at Georgetown on Saturday at 3.30 p. m. A procession started from the town hall for the park. The band of the 20th Lorne Rifles led it, followed by carriages and the members of the Georgetown and Milton teams on foot. At the park there was a large crowd, including many ladies. After the players had had a little preliminary practice on the diamond, which, by-the-way, is the finest in the county, Reeve Harley stepped into the pitcher's box, with Dr. Nixon, M.P.P., as catcher and Manager Scarff, of the Merchants Bank, at the bat. After twice failing to locate the plate, the Reeve put one over it. Mr. Scarff swung his bat and the result was a grounder to second base and an out at first. The game then began and the locals delighted their admirers by putting it all over the visitors to the tune of 11 to 6. Hanna, of the locals, received poor support, but his wide benders were too much for the Milton sluggers. He had eleven strike-outs to his credit. T. Lott, who began the twirling for the visitors, had an off day. His support was still worse than that of Hanna, and twelve hits were made off him. Two of them were three-baggers and four were doubles. Finally in the seventh, six runs were made off him with none out. His brother Bert relieved him and stopped the scoring. He struck out Kercher, Hanna and Tuck and retired the side. In the eighth he struck out Hodgson and Drummond, while R. Arnold went out on a pop fly to Telfer. No hits were made off him. Umpire J. J. Peacock, of Milton, did his work well.

Two-base hits, Hanna, Tuck 2. Three-base hit, Kercher. Sacrifice hits, Lott, Hanna. Sacrifice flies, B. Lott, Galloway. Double play, Galloway to Telfer to Fleming. Stolen bases, Fleming, Ryder, B. Lott, Kercher, Hodgson. Struck out, by T. Lott 4, by B. Lott 5, by Hanna 11. Bases on balls, off T. Lott 2, off Hanna 4. Hit by pitched ball, O. Telesky. Wild pitches, T. Lott 2. Passed ball, Rush. Left on bases, Milton 10, Georgetown 6.

T. Lott was hit hard, but not so hard as the score would indicate. Several flies were misjudged and other hits went safe on account of slow fielding, which also accounted for some extra bases.

The professionals who play matches daily have to practice hard every morning except when travelling. Lately some of the locals have seemed to think that they did not need any practice. Saturday's exhibition proved that they were wrong.

Milton coachers showed poor judgment on Saturday. A sacrifice fly on a long hit to centre, with a man on third, was wasted. The base runner, instead of holding down the bag until the ball was caught, went half way to the plate and by the time he got back and touched the bag it was too late to run home. He was left on third and a run was lost. Another man nearly lost his chance in the same way, but got back in time and scored his run.

Acton defeated Guelph at Acton on Saturday, 16 to 9.

Guelph and Milton will play a championship match in Milton on Saturday. Game called at 3.30 p. m. It is understood that the Guelph team has been strengthened since Saturday's defeat at Acton. The locals have been practicing hard this week. Bert Lott will pitch and a fine game is to be expected.

BIG SALE
Of Ladies' Summer Waists

In Great Variety of Styles.

We cleared the Wardell, Greene Co.'s factory of all lines of summer waists this week, at prices which will permit of us offering them retail at less than manufacturers cost. They are the latest productions and the very newest in the line of high class waists. Just think of a really new style waist worth regular $5.75 for $3.50, and all other lines equal value. We won't attempt to describe them. We want you to come and see them. Come early for a choice of them while the variety is complete. This is the biggest showing of handsome waists ever made in Milton.

Clearing Out Millinery!

We are at the same time offering the balance of the season's stock of millinery at greatly reduced prices. After the most successful season in our millinery history we can afford to clear out the remaining shapes, flowers, and other trimmings at real bargain prices. The season closes at the end of the month and we want everything belonging to the millinery stock cleared out by that time. Have a look in and pick up some of the snaps.

Phone us your grocery orders. We will give them our best attention.
