BAL POUDRE.—The members of the lawn tennis club are to be congratulated on the success of their bal poudre at the town hall on the evening of the 12th inst., the first ever given in Milton. A decoration committee had been busy for some days and the appearance of the hall did it great credit. There was bunting in abundance and a tennis effect was made by a number of pairs of crossed racquets on the walls and a couple of nets stretched below the front of the stage. When dancing began, what with the many beautiful gowns, the powdered coiffures, and white wigs, the scene was as brilliant as it was novel. The music of the Lomas Orchestra, of Hamilton, was the best ever heard at a Milton assembly. Supper was served downstairs, in the reading room, the decorations of which were very tasteful. The council chamber was utilized as a ladies' dressing room. The attendance was the largest on record here. Among those from a distance were:—Georgetown, Mrs. Scarff, Mrs. R. R. Barber, Misses McLeod, Clark, Barber, Messrs. Reid, Bell, Doke, Lawson and Captain Arnold; Brampton, Miss McFadden, Mr. Williams; Barrie, Mr. Plummer; Streetsville, Mr. and Mrs. Goodison, Miss Reddick, Messrs. Reid, O'Gorman, Oliver; Toronto, Messrs. C. Bastedo, Conroy, W. Campbell, German, E. Robertson; St. Thomas, Miss Coulter; Hamilton, Misses Clark and Winn and Mr. Smith; Guelph, Miss D. Taylor; Listowel, Mr. and Mrs. J. M. Campbell.

TEA-MEETING—A tea-meeting in connection with the Hornby Presbyterian Church will be held in the Orange Hall, Hornby, on Monday evening, Jan. 24th. The following will contribute to the programme: Misses Sherk and McGregor, in duets; Miss Inman, soprano, Milton; Mr. H. Barron, baritone, Milton; Miss L. J. Hartwell, elocutionist, Toronto; Rev. Mr. Lee, elocutionist, Huttonville. Addresses will be given by Rev. S. W. Holden, Omagh; Rev. S. C. Noxon, Stewarttown; Rev. W. D. Turner, Norval. Tea served from 6 to 8. Admission 25c. and 15c.

The annual meeting of the Milton Horticultural and Local Improvement Society was held on Friday evening last. The officers for the coming year were elected as follows:—President, A. Higginbotham; 1st Vice President, Jas. Dent; 2nd Vice President, J. M. Bastedo; Directors, Mesdames Storey, W. J. Dewar, R. Ellis, A. Higginbotham, Messrs. Geo. S. Bowes, R. J. Hare, E. Syer, D. Hartley, H. P. Wanzer; Sec.-Treas., H. P. Wanzer; Auditors, Dr. Robertson, C. E. Hollinrake. The society is very much gratified with the results of its work so far, although as yet not a year old. The members see a splendid opportunity in the work of the society and are enthusiastic for the year upon which it has just entered. It is expected that all citizens interested in the welfare of the town from the standpoint of appearance and cleanliness will join the society and assist in the good work. Every citizen is pleased with the results achieved last year. Results will be greater this year. It pays for personal reasons to be a member of this society. The fee is $1.00 per year. Last year the society, without the government grant, gave prizes aggregating $30.00 and also gave free to every member $1.00 worth of tulip bulbs. This year, with 100 members, the society will receive a grant of $100.00 from the government, which will make $200.00 to be distributed amongst the members for beautifying their homes, donating prizes and in other ways assisting in beautifying our town. Every citizen may become a member and should, in the interests of our homes and town. Any officer will be pleased to receive your name and subscription, which will entitle you to all the privileges of the society.

SUNLIGHT SOAP

Hockey.

A big crowd of hockey fans went to the rink on Thursday night to see the local Intermediate team of the O. H. A. perform at home for the first time this season in a championship match. The general verdict was that the boys were all right. What they did to Guelph O. A. C. team was a shame, 20 goals to 4. They played fast, clean hockey, though somewhat lacking in combination. This fault will be corrected as the season advances. The farmers played more of a combination game, but were rather light. Referee McEachren was impartial, but not strict enough and failed in control of the players. The line-up:

Guelph O.A.C. (4).		Milton (20).
Orchard	Goal	Tuensell
McRae	Point	Ryder
Miller	Cover	Lott
French	Rover	Abbott
Macdonald	Centre	Saunders
McIlroy	R. wing	Searle
Lemonth	L. wing	Telfer

Referee—Frank McEachren, Toronto.

Guelph, Jan. 18—Within 30 seconds to time in the Milton-Guelph intermediate O.H.A. game here to-night, Irving, the cover point for the Lions, rushed the length of the ice with the puck and falling in front of the goal-tender, shoved in the rubber, tieing the game amidst the greatest excitement.

In the second five minutes of overtime Irving again broke away and went up the ice with Craven. Irving had the puck in front of the nets, when the lights flickered, and a second later Craven had put in the winning goal. The score was 7 to 6 in Guelph's favor, and the game was the most exciting that Guelph has seen in a long time. Guelph led at half time 3 to 2, and Milton made it 3 all shortly after. The goals then zigzagged 4 to 4, 5 to 5 and then 6 to 6 at full time. The ice was heavy, which gave an advantage to the visitors, but what the play lacked in science was made up in sport, and the game was strenuous throughout, eleven penalties being imposed on Milton and three on Guelph. Twaits, of Galt, was to referee, but missed his train, and A. Burrows, a local man, went on and gave impartial decisions, although critized by Milton. The claim was made that that the lights were put out as the winning goal was scored, but no protest will be made. The teams:

Guelph.		Milton.
Hart	Goal	Tuensell
Irving	point	Ryder
Hamilton	cover	Lott
Gordon	rover	Abbott
Fair	centre	Saunders
Wills	right	Searle
Craven	left	Telfer

The above is a Guelph account of Tuesday evening's game. The Milton story is one of robbery. The locals intend to turn the tables on Guelph here at the rink to-night, when they expect to have an impartial referee. Go and see them do the trick.

The fastest junior match ever seen here was played at the rink on Tuesday evening between the Boys' Athletic Club and the Marlboroughs of Brampton. The visitors having been beaten on their own ice by our boys, brought a new line-up of whom it is said their manager admitted, that all except one exceeded the junior age limit, 17 years. On this account the match was played under protest, but that was unnecessary. Though the ice was heavy and gave the bulky visitors a big advantage, they were too slow for the local youngsters, who gave them a decisive beating, 7 to 1. Parks, Howes and Gollop did some great stunts, but that is true of all the locals. The visitors' goal, Fletcher, made many fine stops and kept the score down. On one occasion the B. A. C. forwards rushed into him with the puck and upset him and the net, but according to the umpire there was no score. Mr. Adams, of Brampton, was a satisfactory referee. The line-up:

B. A. C. (7).		Marlboroughs (1).
Sinclair	Goal	Fletcher
Gollop	Point	Robinson
Farlow	Cover	Harvey
Howes	Rover	Sheppard
Parks	R. Wing	Davis
Wharton	L. Wing	Adams
Cook	Centre	Corkins

Y-Z (wise Lead) has an advantage over other soap powders inasmuch as it also acts as a disinfectant.
