FREELANCE CREATIVE WRITERS WANTED!

Metroland Media Group Ltd. is a wholly-owned subsidiary of Torstar Corporation. We are a dynamic and highly entrepreneurial media company delivering vital business and community information to millions of people across Ontario. We are enabling the digital transformation of our leading traditional media assets and developing leading edge ideas into our next generation of businesses.

Our Digital Operations team is looking to connect with talented freelance writers to create compelling, original web content on a variety of topics. This freelance role will involve creating written content for websites and conducting research to obtain factual information and authentic detail(s). Our freelance writers will work with clients to develop engaging and informative articles to attract and inform our online readers. Those with experience writing on home improvements, health, real estate, financial and automotive topics are especially encouraged to apply. Our ideal applicants will possess strong written and verbal communication skills, as well as the ability to produce clean, quality content on tight deadlines. Experience writing for the web and an understanding of web content strategies and SEO would be assets.

If interested in being a Freelance Creative Writer for us, please send your resume, cover letter and links to samples of your work to careers@goldbook.ca by September 30, 2013.

Please reference "FREELANCE CREATIVE WRITER" in the Subject Line.

Minnow Environmental Inc. is a leader in Aquatic Environmental Consulting services, conducting studies in freshwater and marine environments across Canada. We are a small firm of aquatic scientists servicing the Canadian natural resource sector with offices in Georgetown, ON and Victoria, BC. We are currently seeking someone to join our Georgetown office as an administrative/GIS staff member. The position will involve assistance with preparation of GIS-based maps, data management, the development of health and safety systems for tracking compliance and coordination of health and safety programs and reporting requirements.

The successful candidate will be able to demonstrate exceptional organizational skills, an eye for detail, experience in a variety of software applications including ArcGIS, MS Word, MS Excel, Adobe Illustrator and an interest/experience in environmental studies. Experience within an office environment and with information management is an asset. Post-secondary education is preferred.

Minnow offers a competitive compensation and benefits package and an excellent work environment.

If interested, please submit your résumé in confidence to work@minnow-environmental.com or fax to 905-873-6370 attention Human Resources.

Résumés received prior to September 30, 2013 will be considered.
