They had been working for farmers near Appleby.

SWEET PEAS—Soon be time to put them in. Our selections for this year are ahead of anything before shown. Variety, size, color of flower are special features of our sweet pea seed. Put your seed in as early as ground can be worked. If you want the best, get your seed at Higginbotham's. Full stock of fresh garden and flower seeds of all kinds.

MAGISTRATES' COURT.—On Tuesday morning Charles Spence, G. T. R. section foreman at Ash, appeared at the court house before Messrs. J. H. Peacock and R. J. Campbell, J.P's., charged by John Somerville, also of Ash, with sending him defamatory and blackmailing letters. County Crown Attorney Dick prosecuted and Mr. Morrison, of Hamilton, defended. Two anonymous letters were produced. They were badly written and spelled. A specimen of the defendant's writing was shown, which was good, as was also his spelling, but it was argued for the prosecution that the writing in the two letters was disguised and the bad spelling intentional. Mr. Shaw, principal of a Toronto business college, was sworn as an expert witness on writing. He said he believed the same person did all the writing, but added on cross-examination that he might be mistaken. The case was therefore dismissed.

Don't forget the annual horse sale at McGibbon's Hotel, Milton, on Saturday, March 26th. Make your entries at once with Jas. Houston or Geo. Mann. All horses sold according to date of entries.

DEED FROM BURNS—At 8 a.m. yesterday Mrs. John Laing, of Fulton Street, went into the back yard to feed chickens, leaving her six-year-old son and an adopted daughter, Irene, aged 4, in the house. Shortly afterwards she was horrified to see the little girl running out to her with her clothing in a blaze. Mrs. Lang managed to smother the fire, but before she could do so the child's arms and parts of her body were burned to a crisp. Mrs. Laing's arms were badly burned, up to the elbows and the little boy, who had gone to Irene's assistance in the first place, had his hands burned. The little girl's clothing had caught fire from matches with which she was playing. Dr. Gowland dressed all the burns and Mrs. Laing took the little girl to Toronto by the 10.21 a.m. C.P.R. train and brought her to the Hospital for Sick Children. Nothing could be done for the child, who died shortly after reaching the hospital, and Mrs. Laing brought the body back by the 8.30 p.m. train. She was suffering greatly herself from the burns and shock.

Hockey.

The final match of the season for the junior championship of the Halton-Peel Hockey League was played at the rink here on Friday evening between Georgetown and the Boys' Athletic Club. The ice was heavy, but the hockey was fast and clean. The score was 9 to o in favor of the B.A.C., but the play was closer than those figures would indicate. Referee J. Guggenburg, of Georgetown, gave the best of satisfaction to both teams.

Georgetown.		Milton.
Curry	Goal	Sinclair
Drummond	Point	Gollop

Bowman	Left	Wharton

To show their appreciation of the good sportsmanship and clean play of the Georgetown boys, the B.A.C. gave them a banquet at the B.A.C. room after the match. The room was tastefully decorated and the tables loaded with a great variety of delicacies, prepared and served under the supervision of a committee of lady friends of the club, Mesdames B. Gollop and M. E. Parks and Miss Ruddy, assisted by Miss Scott, of Inglewood. Forty-nine B. A. C. boys and guests sat down and did full justice to the spread, the boys having particularly healthy appetites. After the tables had been cleared Manager M. E. Parks took the chair and after a short address, in which he welcomed the guests and referred briefly to the matches of the season, speeches were made by Messrs. Arnold, J. Guggensburg and M. F. Panton, of Georgetown, President Norman Gollop, of the B.A.C., Matt. Telfer and W. Panton, Alf. Peacock, with his gramaphone, supplied lively music.

Milton has good reason to be proud of the Boys' Athletic Club. Their record for the hockey championship is eight victories and no defeats. Their organization on Y.M.C.A. lines, strict training, and the good management of Mr. Parks have had much to do with this, and with their success last season in summer sports, which it is hoped will be repeated during the coming summer. While their physical training is in such good hands, and healthy amusements are provided in their club room, their moral training is not neglected. It is in the best of hands, those of Miss Ruddy, who has had years of experience in similar work in New York City, and who teaches their bible class.

The Glenwilliams and Coating Mill teams of the Georgetown Manufacturers' Hockey League played the final game of their championship series here on Monday evening. They came by special train. The excursionists numbered 190 and there was plenty of excitement at the match, which could not have been closer or more exciting. At full time the score was 6 all. Five minutes over time was played, the Glens nicked an extra goal and won, 7 to 6. N. Ryder was referee.

The special services which have been in progress at the Methodist Church during the past few weeks will be continued during the coming week.

Mr. Dewart and Miss Stella Harrison, of Isabella, Man., and Mr. and Mrs. R. H. McDuffe, Vancouver, B.C., who have been visiting relatives for several weeks in Milton and vicinity, left for their homes last week. On the return journey, Mrs. Duffe received the sad news that her brother, Jas. Mahon, was one who had perished in the great calamity at Roger's Pass.

SACRED CANTATA.—On Good Friday evening, 25th inst., the Simcoe Street Philharmonic Society, of Hamilton, will offer the music-loving people of Milton to a rare treat at the town hall, a grand concert and the sacred cantata, "Daniel, or the Captivity and Restoration." There will be a chorus of 55 trained voices, with full orchestra accompaniment. The concert will be one of a class seldom given in Milton and should draw a full house. Don't miss it. Admission 25c., reserved seats 35c.

OBITUARY.

DUNCAN DEWAR.

Duncan Dewar died at his home in Milton on Monday morning after an illness of more than two years. He was in his 68th year, and was a son of the late Mr. and Mrs. John Dewar, sen., who came to Canada from Scotland in 1819 and settled in Esquesing, where their children were born. Mr. Dewar came to Milton 54 years ago and after being employed for some years as a clerk in the store of the late W. D. & R. A. Lyon, went into the office of his brother, the late John Dewar, jun., barrister, who was appointed County Crown Attorney in 1858, and died about fifteen years ago, after which the subject of this notice remained in the law office in the Dewar Block and did a large conveyancing and insurance business. He was prominent in the affairs of the town and county. He was a member of the town council for years. In 1877 he was a member of the county council as Reeve of Milton, and for many years he did good service as one of the county auditors. He was a staunch Liberal and was secretary of the Halton Reform Association for a long time. He was an enthusiastic curler and was secretary of the Milton Curling Club for many years. In religion he was a Presbyterian. He was married in 1864 to Miss Nancy Foster, who survives him, with two sons, Wm. F., now at home, and Fred, of Toronto, also three daughters, Mrs. R. McInnes, Stratford, Mrs. D. S. Robertson, Milton and Miss Edith, at home. Two brothers and two sisters survive, James, Milton, Robert, Paisley, Mrs. Robert Paton, Barrie and Mrs. John Black, Guelph, all of whom were here for the funeral, which took place yesterday afternoon. Rev. W. M. Mackay, of Knox Church, conducted the services at the home and at Evergreen Cemetery. There was a large attendance of friends from Milton and neighborhood and from distant places.
