HOUSE OF REFUGE.—Yesterday the county council passed a by-law adopting and confirming the printed rules and regulations of the house of refuge and giving police magistrates and justices of the peace authority to make committals in accordance with such regulations. This will leave no loophole for such actions as that instituted some time ago by the Lennon sisters, of Burlington.

Some people never tire of favors of a newspaper, but when it comes to getting a little job of printing done they correspond within fifty miles in order to get a reduction in price of a few cents. They generally don't care a farthing about the looks of a job just as long as the price is low. They expect a newspaper to live on wind, and to always be prepared to cheerfully hurl chunks of "taffy" their way as large as washtubs. Think it over. Are you doing the decent by your home paper?

SAVE MONEY—By buying good Footwear. 150 pairs of Williams' Heavy Working Boots, regular price $2.50, sale price $1.90. Also Trunks, Valises and Suit Cases. Repairing neatly done.—Yates' Shoe Store, opposite postoffice.

NIAGARA CAMP IN TWO PARTS.—It is understood that following out the suggestions made by General Sir John French in his report on the Canadian militia, and approved by Major-General Mackenzie, Chief of General Staff, the training of troops at Niagara camp this year will be divided into two periods of two weeks each. In the first period the 4th Infantry Brigade, consisting of the 23rd, 31st, 35th and 36th Regiments, and the Provincial Cavalry Brigade, consisting of the 1st Hussars, the 24th Grey's Horse, and the 25th Brant Dragoons, will occupy the grounds and train together. In the two weeks immediately following, the 3rd and 5th Infantry Brigades, consisting of the 12th, 20th, and 34th Regiments, and the 37th, 39th, 44th, and 77th, respectively; and the Cavalry Brigade, consisting of the Governor-General's Body Guard, the 2nd Dragoons, and the 9th Mississauga Horse, will train. The reason for the dividing up of the camp, which will take place in June, is primarily the lack of ground available.

LECTURE—Rev. Dr. S. Cleaver, of Toronto, will deliver his celebrated lecture, "Jean Val Jean," in St. David's Presbyterian Church, Campbellville, on Monday, April 17th, at 8 p.m. To hear the story of Jean Val Jean, as told by Dr. Cleaver, is to become acquainted with the most interesting character ever introduced to the book world. The story, the masterpiece of Victor Hugo, is told in such a charming manner that the listeners are held spellbound. Don't miss it. Music by the choir. Admission 25c. and 15c.

An excellent program was presented to a crowded house by Miss Gladys Bastedo, a senior student of the Conservatory School of Expression, Friday evening in the Conservatory of Music Hall. In her first number Miss Bastedo portrayed an interesting scene in the life of General Grant, from Winston Churchill. Her principal numbers succeeding this were a humorous cutting, capitally rendered, from Nellie McClung's "Second Chance," entitled "Gestures;" a somewhat pathetic selection by Ruth McKenry Stuart's "Carlotta's Intended;" a striking story of one of the "Magi," from Henry Van Dyke, and a laughable portrayal of J. M. Barrie's "Receiving Visitors," in which she realized fully Barrie's inevitable Scottish characterizations. The program was concluded with a sympathetic rendering of a quaint "Irish Lullaby." Throughout her varied program Miss Bastedo maintained a high standard of expressional excellence. The following musical numbers added further interest to the program: Chaminade, Gigue, Op. 43, Miss Reta Haynes, pupil of Dr. Edward Fisher; Wieniawski, Legende, Miss Marie Southall, pupil of Miss Lina Adamson.—Toronto Globe, April 10th.

... Nassagaweya.—W. Bews' Sons are showing a nice line of silk panel stripes, soft blue stripes.

The Star says there will be a recount of the votes polled in the recent election for the reeveship of Oakville.

Special Easter services will be held in the Methodist Church next Sunday. The choir will render a choice program of Easter music.

Archie McCallum, of Bannerman, Man., arrived here on Saturday to spend three weeks with his old friends. He went west in '82.

The case of Wisser, the Oakville dentist, will come before Police Magistrate Shields to-day. Crown Attorney Dick will appear for the prosecution.

Mayor Higginbotham got home from his trip to Vancouver on Thursday evening and J. M. and A. C. Bastedo arrived from that city on Saturday evening.

Remember the lecture on "Men Wanted," by Rev. Dr. Benson, in the Methodist Church next Tuesday evening. Admission 15c.

Dr. J. K. McGregor, of Hamilton, son of Dr. J. O. McGregor, of Waterdown, is at Baltimore, taking a post graduate course at the Johns Hopkins Hospital.

Rev. Wm. Smythe is recovering from his illness and is out daily. He preached in the Methodist Church on Sunday for the first time in about seven weeks.

Rt. Rev. Dean Houston has called a meeting of the Synod of Niagara on May 2nd, at Christ Church Cathedral, Hamilton, to elect a successor to the late Bishop Du Moulin.

TWO EXTRA HOLIDAYS.—By a proclamation to be made this week, June 3rd, the King's birthday, will be made a public holiday. Coronation day, June 22nd, will be a holiday too.

Edward Newcome, of Hornby, is home again after spending three months in a Toronto hospital with a bad case of blood-poisoning in one of his hands, which he still carries in a sling.

A GOVERNMENT GRANT.—This morning Treasurer Andrew received from the Ontario Government a cheque for $4,000, a grant towards Halton's expenditure on the house of refuge.

20TH REGT.—On Monday Lieut.-Col. W. P. Moore and Capt. R. D. Warren called on Hon. Lieut.-Col. Sir Donald Mann and presented him with a complimentary address on behalf of the officers of the regiment.

APPROVED RECIPROCITY.—Yesterday the executive of the Halton Reform Association unaminously passed a resolution approving of the Government's reciprocity agreement with the United States.

Jno. M. Mackenzie, druggist, spent the later part of last week in Toronto placing his order for Import Christmas gifts. Mr. MacKenzie states that the showing of gifts this year far excell any line ever shown in Canada before. There were 1800 different varieties to select from.

A son, aged six months, of Alex. Drysdale, died of meningitis on Tuesday and was buried yesterday. Rev. G. McQuillin, of Grace Church, conducted the services, assisted by Rev. Wm. Smythe, of the Methodist Church, who read the lesson from 1st Corinthians, 15th chapter.

Re Milton Street Crossings.

The Editor Champion:

Why is it that those crossings are not kept clean as they should be, or as crossings are kept in other towns? The council of 1910 employed a man by the month to perform certain duties, and amongst others this should have been one of them; and it seems there is nothing of much importance can be done on the streets just now. Surely this could be attended to. The street committee are neglecting a very important part of their duty.
