SUMMER SPORTS.—There has been talk of organizing a lawn bowling club this spring, but nothing has been done so far. Neither is there any sign of baseball. If there is to be either bowling or ball playing it is time to get busy. When the dry weather sets in it will be too late to sod and roll a lawn or to get a diamond and outfield into shape.

ALLEGED HORSE THIEF—On Tuesday Chief Constable Chapman brought Isaac Lottridge from Central Prison to Milton to answer the charge of stealing a horse, buggy and harness from Howard Bescoby, of Esquesing, on 22nd September last. Lottridge was sent to the Central on Oct. 26th, to do six months for stealing a buggy from Hamilton. If acquitted here he is to be held, as he has to serve an unexpired sentence at Kingston penitentiary for some previous offence the nature of which has not been reported here. He was brought before J. H. Peacock, J.P., yesterday morning and remanded until next Thursday. He has Indian blood in him and came originally from the neighborhood of Brantford. His hair is white and he says he is 81 years of age, but he hardly looks it. He is hearty and vigorous. He denies all knowledge of the stealing of Mr. Bescoby's horse.

PARISIAN CORSETS—We have the sole agency for this line. Prices range from $1.50, $1.25, $1.00, 75c., 69c., 50c. pair. Child's Waists 75, 50, 25c.—Galbraith & Company.

SAID TO BE INSANE—The Oakville dentist, J. J. Wisser, charged with assault on a girl patient, was not arraigned before Judge Gorham on Tuesday. Herbert Lennox, K.C., of Toronto, raised the defence of insanity and the Judge said that if the prisoner was insane he was not competent to plead guilty or not guilty. Dr. Bruce Smith, Inspector of Prisons and Asylums, and Dr. A. Jukes Johnson, of Toronto, examined the prisoner, and it is expected that they will pronounce him insane, as he has been showing signs of it lately. If found to be insane he will not be tried, but will be sent to an asylum. Messrs. Forster, Fleuty, Cote and McGregor, of Oakville, were here ready to be called as witnesses. Two of these gentlemen said that the prisoner was a first-class dentist and when in the full possession of his faculties a man incapable of an offence such as that charged against him.

CLAIMS DAMAGES.—Messrs. Hall & Payne, barristers, of Toronto, have given notice to the County Clerk that Robert E. Mead, a client, claims damages from the county of Halton for personal damages to himself and friend and to his automobile, alleged to have been received on Tuesday morning, 18th inst., while crossing what is known as the "box bridge," Cemetery Hill, on the middle road at the sixth line, Trafalgar. They say that the road at the west end of the bridge is out of repair and has partly washed away, leaving the road narrower than the bridge, that there is no safeguard or warning, and that the auto went over the side. They figure the damages at $600 and threaten immediate action unless the county settles. The bridge is the one which it was proposed last year to replace with a high level bridge. Mr. Wilson, County Road Superintendent, says that there has been no washout, as alleged, that the road, though narrow, is as wide as it has been for fifty years, and that though there is a bend in it, careful drivers are in no danger. It is said that the auto accident happened about 3 a.m.

Campbellville has had practically an epidemic of scarlet fever. There was an attempt at quarantining infected houses, but it was little, if any, check to the infection. The type was mild, there were no deaths, and though some houses are still under quarantine it is hoped that there will be no new cases.

The annual Mite Box opening of the Bright Star Mission Band will be held in the schoolroom of the Methodist Church, to-morrow (Friday) evening, at 8 o'clock. A good program is being prepared by the children. An offering will be taken and refreshments served. All are cordially invited.

THE MILITIA CAMPS. The first camp at Niagara will open on Monday, 5th June and the second on 19th June. On the 22nd, Coronation day, there will be a great military spectacle, and a tatto in the evening. It is probable that the officers and men of the United States service, Fort Niagara, across the river, will be invited to participate. No definite announcement has been made about canteens, but it is possible that a supervised canteen may be allowed for each regiment, where the men, after coming in from the hot field, or after a hard day's drill, will be allowed one or two glasses of beer. There is likely to be strong opposition to such action, and the canteens may be abolished entirely, but officers and men alike are of the opinion that it would be better to have a supervised canteen, where the men will be allowed only a certain amount of beer, than to have the men smuggling stronger liquor into the lines and drinking it in their tents after dark. Seven corps, the 39th Norfolk, 31st Grey, 25th St. Thomas, 28th Perth, 29th Waterloo, and 7th Field Battery, will not train in their respective district camps. The reason given is lack of activity in recruiting.
