Fire, Lightning, Insurance, and Real Estate Agent, Bank of Toronto, Milton. Telephone connection. Office hours 10 to 12 daily.

Concert Coming!—The concert company will issue on Tuesday, Committee will report on the proposed building of a new steel or concrete bridge at Cemetery Hill, near Galbraith, and on Mr. Mead's claim for damages for an automobile accident at that bridge. The assessment may be equalized.

Men's Work Shirts, Men's Overalls, for summer wear, all sizes, very special, for 49c.—Galbraith & Company.

STRUCK BY LIGHTNING—Milton had a thunderstorm at noon yesterday. There was not much lightning, but there was one vivid flash, followed by a tremendous clap of thunder. The flag staff on the town hall was struck, its top smashed and the guy wires melted, but that was all the damage done.

TO RENT—A good, clean, comfortable house. Immediate possession. Apply to Miss C. E. Lawrence. 2t

Wm. Laidlaw, K.C., was out riding in the western suburbs of Toronto a few days ago. As he was crossing a small bridge his horse stepped on a loose board and the foot went through. Mr. Laidlaw was thrown over the horse's head and fell on his head and shoulders. He was badly shaken up and was confined to his bed for two days.

Painting and paper-hanging wanted by A. E. Ashby, Mill St., Milton, opposite skating rink. Window sashes primed and glazed on shortest notice.

STREETS OILED.—The court house square section of Brown Street having been oiled under the supervision of the Sheriff, the town council followed the good example, and the oiling of Main Street was begun on Tuesday, at the corner of Martin Street. The crude oil smells strongly for a while, but it keeps down the dust and the germs and beats the watering cart a mile.

Railroad Men's Uniforms, Smocks and Overalls. Carhartt's, Peabody's, Walkerville and Peerless, all the best makes, $1.00 and $1.25 each.—Galbraith & Company.

STORES OPEN—Milton merchants have decided to do business as usual next Saturday, the King's birthday, considering four legal holidays within five weeks a little too much of a good thing, and one on the busiest day of the week particularly awkward. It is understood that the retail business men of the neighboring cities will act in the same way for the same reasons.

HOUSE FOR SALE—Miss Cartmer offers to sell her solid brick residence in the center of the town, on Martin Street, Milton. Terms reasonable. Apply on the premises or to S. Dice, Milton. 2t

Prof. A. J. McLennan, 608 Lonsdale Building, Duluth, Minn., wrote last week to renew his subscription for the Champion. He invites any of his old Halton friends who go up the lakes this summer to call on him at above address. He says, "Like many others who have left Halton, I appreciate the Champion very much, and look forward weekly to its arrival. It's just like a letter from home."

F. I. EXCURSION.—The sixteenth annual excursion of the Halton Farmer's Institute to the Ontario Agricultural College, Guelph, will come off on Saturday, June 10th. For particulars see posters.

The Brampton Banner says the storm of Tuesday morning, 23rd May, was terrific. Lightning killed Lou Wilkinson's cow in a field, on 2nd line, near Grahamsville, and Thos. Nix's mare in her stall in the village; D. J. McClure's barn, 2nd line, was damaged; a chimney was wrecked on the house of Thellan Johnston, Britannia, and A. G. Rogers's house, Derry West, was damaged. Tom Williamson's house, 8th line, Trafalgar, was struck and the veranda and a chimney were wrecked. None of the buildings took fire.

The Chancel Guild of Grace Church will hold a sale of handkerchiefs and articles made with handkerchiefs at the store lately occupied by Mr. Chambers on Saturday, June 3rd, 1911, afternoon and evening. Refreshments will be served.

POLICE COURT.—There was a row on Main Street on Saturday evening and Chief Constable Chapman arrested and jailed the participants, Thos. Hilson, jr. and Matt. Hilson, both of Nassagaweya. They were brought before Police Magistrate Dice on Monday morning. There was a large attendance of friends of the parties. According to the evidence Tom Hilson was drunk and was the aggressor, assaulting Matt, a smaller man, who hit back to the best of his ability. Tom was convicted, put on the Indian list and fined $1 and costs. The Indian list part of the penalty was all right, but $10 and costs for a case of drunkenness and committing an assault on the street would not have been too much and would have carried a warning with it. The case against Matt. was dismissed, as it appeared that he was sober and was not to blame.

BUSINESS ANNOUNCEMENT.—Having purchased the business, good-will, stock and fixtures of G. A. Griffith, the successful West End Grocery, I will be pleased to see all the old customers at the old stand and also as many new ones as possible. We will strive to give all no long waits and no short weights. I wish to heartily thank the many good people of Milton and vicinity for the many expressions of welcome and good will they have already extended to us. We appreciate your trade. Save our checks, they mean much to cash purchasers. Prompt delivery. Phone No. 30.—E. E. Hartley.

ORGAN RECITAL AND CONCERT.—Milton lovers of good music got a treat at the organ recital and concert at Knox Church on Monday evening. In his six numbers from the compositions of Archer, Lemare, Batiste, German, Predhux and Rossini, Dr. Harris, the Hamilton organist, displayed his great technical and interpretative ability as well as the qualities of the church's fine organ. He was assisted by two Hamilton singers, Miss Myrtle Currie, soprano, and Miss Lily Tovell, contralto, who sang two numbers each and contributed a duet. Miss Tovell has a powerful voice, under perfect control and velvety in tone throughout the repertoire, notably "Fly Ye Eternity," Kastorend, was the better of her two numbers. Miss Currie's voice also showed good training, and a pleasing feature of her singing was her exceptionally distinct articulation. The [illegible]

Town Council.—The adjourned meeting of Town Council was held on Monday night, Coun. Cowan in the chair. Minutes of last meeting were read and adopted. Accounts were then passed for payment. Coun. Cowan reported that the sidewalk on Thomas St. was in good condition. The clerk was instructed to notify the Canadian Pacific Railway Co. to have their crossing at Thomas St. put in good condition. The clerk was instructed to notify the Bell Telephone Co. to remove their poles from the sidewalk on Main St. Council then adjourned.

WOOL WANTED.—E. Syer & Co. are prepared to buy any quantity of wool. Highest price paid.

NEW FLAG.—A fine new Canadian ensign was run up on a new staff on the band stand in Victoria Park on Empire Day. It was a present to the town from Councillor G. A. Griffith, chairman of the park committee.

The many friends of Miss Muriel McGregor, second daughter of Dr. and Mrs. J. O. McGregor, Waterdown, will be glad to learn of her success in passing her final examinations at Roosevelt hospital, New York, taking honors in all subjects. Miss McGregor is one of our most popular young ladies and has a host of friends here who will extend hearty congratulations.—Hamilton Spectator.

Sunday next, June 4th, will be the 16th anniversary of the laying of the corner stone of Grace Church, Milton, by His Excellency the Earl of Aberdeen, then Governor-General of Canada. The day will be fittingly observed by special services. It will also be "Whitsun Day" and therefore an anniversary of the Jewish Pentecost. Holy Communion will be celebrated at the 11 a. m. service.

Edward Lewis was taken ill on Sunday night with a bad case of appendicitis. He was brought to Guelph hospital next morning and an operation performed. Up to yesterday morning there was little, if any, hope for his recovery, but he has taken a turn for the better and the good news came this morning that his physician takes a much more favorable view of his case.

BUSINESS CHANGE.—The people of Milton were surprised to hear a few days ago that Councillor Griffith had sold out his flourishing grocery business to E. E. Hartley, of Nelson. They will be glad to know that Mr. Griffith says he does not intend to leave Milton, but to rest for a while. Mr. Hartley took possession yesterday. He is well known in the town and neighborhood and should do well in his new venture.

A SNAKE STORY.—A snake two feet long was killed on the mountain a few days ago. It was yellow, so it is said, with blackish spots. It was pronounced a rattlesnake. It had no rattles, but it is explained that it was too small to be thus equipped. Though garter snakes don't sport garters, a two-foot rattlesnake, outside of Halton, always has several rattles. A young one, say a foot long, has a button on the end of his tail.
