BOSTON CHURCH.—The garden party given by Boston Church Ladies' Aid at the manse grounds yesterday evening was well attended and the receipts must have been large. A fine programme was given by the Milton band, Miss Gladys Bastedo, reader, and the Cheltenham male quartette. Dainty refreshments were provided by the ladies and there was a brisk demand for them.

See W. Bews' Sons assortment of smart new summer styles in fancy white and colored Negligee Shirts, with or without lounge collars to match, or collar attached.

BANK PROMOTION—W. R. Adams, accountant in the Milton agency of the Metropolitan Bank, has been promoted to the management of the Stouffville agency of the Bank and left for that town on Saturday. He is very popular here and will be greatly missed. A. L. Wyant, late of Cobourg, arrived on Saturday evening to replace him. He was here for some time as a junior and is welcomed back.

HORSES WANTED.—Suitable for cavalry purposes, for Niagara Camp commencing Monday, 19th inst. and returning 30th inst., at $1.00 per day. If you have a horse you can spare please advise C. R. Willmott or Sergt. Albert Eden, Milton.

MINISTER SUICIDES.—Rev. H. S. MaGee, of Toronto, has committed suicide by hanging himself to a tree in the woods adjoining Gleason Health Resort at Elmira, N.Y. He was a Methodist minister and assistant secretary of the Temperance and Moral Reform organization of his church. He was in Milton some time ago. He had gone to the sanitarium on the advice of his doctor, suffering from neurasthenia, partly due to hard work. When seen a few hours before his body was found, he appeared in normal condition.

Don't forget the big sale of furniture on Saturday, June 24th. A. Higginbotham is selling all his household furniture. The opportunity is yours to pick up any furniture, etc., you need. Keep this in mind.

BUSINESS CHANGE.—The people of Milton were surprised to hear yesterday that the Higginbotham Drug Co. had sold out to B. F. Smith, of Coldwater, and that Mayor A. Higginbotham and his family would remove soon to a fruit farm near Nelson, B.C., which Mr. Higginbotham bought some time ago. He has been a resident of Milton for about twenty years, an enterprising business man and a prominent citizen. He has served as Councillor, Reeve and Mayor, and has been a leader in every movement to advance the interests of the town, to which his removal will be a great loss.

White Shoes, Tan Shoes, Barefoot Sandals and Tennis and Outing Shoes are now in great demand. We have a full stock of these shoes at popular prices, also Trunks, Suit Cases and Bags.—Yates' Shoe Store, opposite postoffice.

Reeve Earl visited the Registry Office of Peel at Brampton on Thursday. Some time ago it had not room for the 60,000 documents filed in it and it was proposed that it should be enlarged, but a new system of filing was introduced which has proved to be a great saver of room. No enlargement has been necessary and it is believed that there will be plenty of room for many years to come. Registrar Robertson applied lately to the county council for an enlargement of his office, but Mr. Earl says the introduction of the filing system used at Brampton will make it unnecessary.

Auction Sale this Saturday (17th inst.), of residence and store properties, at the McGibbon House, at 2 o'clock. A splendid opportunity to secure desirable properties on reasonable terms. Particulars on application to C. E. Hollinrake, Barrister.

HOUSE OF REFUGE—Fourteen members of the county council of Wentworth and their architect, who is preparing plans for the building of Wentworth's house of refuge, visited the Halton-Peel house of refuge at Brampton last Thursday. Seven members of the county council of Halton were there to receive them and entertain them at a banquet prepared under the superintendence of Mrs. Armstrong, matron. Sheriff Webster, Treasurer Andrew and J. M. Moore, of the Georgetown Herald, were also present. Mr. Andrew took Reeve Earl to Brampton and back in his auto. Speeches were made at the banquet. The Wentworth councillors expressed themselves as greatly pleased with their reception.

Rev. C. O. Johnson, of Toronto, will give his celebrated lecture on "English, Irish and Scotch," in the Orange Hall, Hornby, on Monday evening, June 19th, under the auspices of the Sons of Temperance. There will also be vocal music by Ashgrove Trio, recitations by Miss Amy Howes, Drumquin, and instrumental music by members of division. Admission free.

INQUEST—The inquest on the body of Gordon Hagarty, was continued before Dr. McColl, Coroner, on Monday evening. According to the evidence the boy was about 14 years old, was born in England, and his employer, John Thomas, of Nelson, got him from the Children's Aid Society, Hamilton, between four and five years ago. It was agreed that the boy should be sent to school and church. According to Mr. Thomas he went occasionally. He was found lying dead and stark naked in the Thomas house on Saturday, 3rd inst., with his hands folded on his breast, some strychnine on one side of him and a spoon containing strychnine and sugar on the other. There was no sign of a struggle. Drs. Anderson, of Milton, and Green, of Kilbride, performed the post mortem examination. The stomach was sent to Toronto for analysis. As no report had been received an adjournment was made until Monday, 26th inst., when, if there is still no report, the inquest will be further adjourned. Analysis is often tedious.

W. Bews' Sons are showing all sizes in men's and boys' Bathing Trunks at 25c. Worcester Bathing Suits at 50c. and 75c. Special values in men's and boys' Work Shirts at 65c. and 75c.

A FREAK CHICKEN—Frank Beecroft has a four-legged white Wyandotte chicken four weeks old. It walks and runs on the forward pair. It carries its rear pair horizontally, pointing to the rear. Mr. Beecroft sees no reason why it should not live as long as its mates, as it is livelier than any of them.

Bills are out for the biggest sale of furniture and household goods held in Milton. Geo. Andrew will conduct the sale at A. Higginbotham's residence, Victoria Street, on Saturday, June 24th, at one o'clock.

LOST A FINGER—Walter Pitcher went to a Milton surgeon on Monday to show the third finger of his right hand which had been torn by a fall on a board sidewalk a week before, and had been dressed, but had become very sore. It was found to be in such a bad state that amputation at the second joint was necessary, and it was taken off.

Auction Sale on Saturday, the 17th inst., at two o'clock, at the McGibbon House, of valuable residence and store properties in the Town of Milton. Particulars on application to C. E. Hollinrake, Barrister.

Mr. Macdonald, of Toronto, and his nephew, Mr. German, were at the club house of the Milton Fish & Game Club from Saturday to Monday. M. E. Mitchell, of Napanee, arrived there on Monday afternoon and stayed until yesterday evening. Though the weather was unfavorable, some fine trout were caught by them and Milton members.

Chapter of I. O. D. E. in Milton.

A chapter of the Daughters of the Empire was organized on Wednesday evening, 14th inst., in Milton when the following officers were elected: Hon. regent, Mrs. J. C. Willmott; regent, Mrs. Fred Willmott; 1st vice-regent, Mrs. Inman; 2nd vice-regent, Mrs. Robert Stewart; secretary, Mrs. George Andrew; treasurer, Miss M. Scott; standard bearer, Miss Mina Hume; echoes secretary, Mrs. Hannant. The name unanimously chosen was "The John Milton," with the motto, "The Beaver for Industry, the Maple Leaf for Beauty, our Hearts for Loyalty."

In the absence of Miss Merritt, Mrs. Arthur Van Koughnet, of Toronto, organized the chapter and addressed the many ladies gathered together in Mrs. Horning's rooms, to hear the aims and objects, the inception and work of the order.

A short resume was given of the varied kind of work taken up by the order and its different branches, such as the school work, the prizes offered to school children throughout Canada and the Empire, the presentation of flags, interest in the Boy Scout movement, the military chapters and the patriotic work accomplished by their members, the support of nurses, colors presented to regiments, rifles to cadet corps, tablets erected to heroes, the erection of monuments, the care of military grave yards, hospital work, the partial support of veterans and old pensioners, the work in India, the West Indies, South Africa and other distant parts of the Empire.

In defining Imperialism, Mrs. Van Koughnet said: "When we consider that patriotism is love of one's country, we easily realize the very solemn sense of responsibility to keep alive that sentiment for the Motherland, in other words, Imperialism must mean love of one's own country expanded by new possessions; and standing as we do, on the threshold of a vast future, Imperialism, the natural development of patriotism, is a force in every great nation to-day."

The Reason

There are no more people with a good healthy Bank Account is because the idea is prevalent that it takes a substantial sum to start one.

This is all Wrong

For every account started with $1,000, there are ten started with $5.00. We are willing to open one for $1.00. The start being made with the right spirit, your account will grow until some time when the "rainy day" comes it may be your salvation.

The Way to Get

A Bank Account is to start one. This is your part of the proposition. For our part we offer a

Capital	$4,000,000
Surplus	4,818,871
Total Assets	50,000,000
