The Canadian Champion

MILTON, Sept. 28, 1911.

When in Milton on Saturday Mr. Henderson received many congratulations on his election from Liberals, as well as Conservatives, all expressing the hope that his long and great services to his party may be recognized at Ottawa either by a portfolio in the new cabinet or a call to the Senate. Mr. Henderson said that at seventy years of age he could not undertake the heavy duties of a cabinet minister and could not accept a portfolio if it were offered him. He did not say he would refuse a call to the Senate, but that he was not asking for any favors. Such a call extended to him would not be a favor, but merely his due. Should he get it, as it is to be hoped that he may, we believe that approval will be as general among members and ex-members of the House of Commons, irrespective of politics, as among his constituents. He is popular at Ottawa.

When Walter Harland Smith accepted the nomination of the Liberals of Halton he was new to the political game and almost unknown to the electors of the county except those of Oakville and Trafalgar. Taking the stampede into consideration, he attempted the impossible, but no other man could have made a better attempt. In his "preliminary canter" he gained respect of his opponents as well as that of his supporters. When he makes his next start for the Halton stakes he will be better prepared and better known, and his friends expect that he will be a winner.

No Ill Feeling in Halton.

Last Thursday's election was one of the most keenly contested in Halton's history. A large vote was polled, 25 more than in 1908, but the fight was clean and personalities were advoided. At the Conservative meeting at the town hall after the result had become known Mr. Henderson spoke kindly of Mr. Smith who, he said, had been an honorable and gentlemanly opponent. On the other hand, Mr. Smith took his defeat with a good grace and in his short speech from the window of the Liberal committee rooms said nothing against his opponent. The same good feeling in Milton at least, prevailed among the electors. Conservatives, naturally, were jubilant, but Liberals did not resent it, and as local Canadians expressed their gratification that, since there was to be a change of government the new Government's majority would be large enough to make it independent of the disloyal Nationalists.

The Official Count.

Dr. Robertson, returning officer, held the official count at the registry office on Saturday afternoon. Mr. Henderson was present, and Mr. Smith was represented by his agent, Mr. Peacock. Mr. Henderson's majority is 409. The following are the figures:

A By-law to authorize the borrowing of the sum of $110,000.00 for the purpose of the Corporation of the County of Halton, and to provide for the issue of debentures for the payment of the said sum and interest thereon.

Whereas it is expedient that a bridge be built across the Sixteen Mile Creek on the Town Line between the Township of Oakville and the Township of Trafalgar in the County of Halton;

And whereas it is desirable that the said debt shall be payable in twenty annual instalments, in such amounts that the aggregate amount payable each year for principal and interest in respect of the said debt shall be as nearly as possible equal to the amount so payable in each of the other years of the said period as shown on the schedule of this By-law;

And whereas the total amount required by the Municipal Act to be raised annually during the term of twenty years by special rate for paying the said debts and interest is $1282.68;
