Rev. T. Boyd, of Palermo, will preach at the Methodist Church on Sunday, Oct. 1st at 11 a.m. and the pastor in the evening on "Counting the Cost." There will be special music at both services. Mrs. J. W. Bews will sing at the evening service. Strangers always welcome.

Killed at Dundas.—On Saturday E. R. Finlay, an estimable young man, whose family live in Nassagaweya, was so badly hurt at the Dundas quarry that he died two hours later, just as he arrived at Hamilton General Hospital. A car got off the track of the quarry railway, he was helping to put it back, the engine struck a tie and drove it into his body. His body was taken to Nassagaweya, and the funeral took place on Monday.

His fine new brick stable is nearly ready for occupation. The concrete floors are finished and the wood work nearly so. Frank Fearin began painting on Monday. The Raised Bills.—The Toronto Sunday World of 24th inst., contained cuts of both sides of the United States one-dollar bill raised to $5. The bill is the silver certificate with the eagle and portraits of Lincoln and Grant on its face. The raising was done by pasting the figure 5 from the cigar revenue stamp over the original figure. Seven of these raised bills were passed in Toronto and one, as reported in the Champion last week, was passed in Milton and detected by a bank teller. There may be more in circulation. Look out for them.

Lost.—Lost or left in a Milton store on Saturday, Sept. 23rd, a small black-covered memorandum book, of no use to anyone but the owner. Anyone having found same and returning it to the Champion office will be rewarded.

Prize Shire Horses.—Porter Bros., of Appleby, were quite successful in exhibiting their shire horses at Toronto and Ottawa. At Toronto they were awarded six 1sts, three 2nds, four 3rds. The shire stallion Proportion (imp.) won the Canadian silver medal and the £10 gold medal from the English Shire Association. The shire filly, 3 years old, Kitchener's Topsy, sired by Baron Kitchener, also won the C. silver medal and the £10 gold medal of English Shire Association. At the close of exhibition Dean Rutherford, of the Agricultural College, Saskatoon, purchased this grand young mare for college purposes. At Ottawa they were awarded eight 1sts and four 2nds. Proportion won the special offered by the Imperial Bank, gold medal $20. Diploma for shire female, any age, was awarded to Kitchiner's Topsy (371).

Buy a good pair of shoes for the girls and boys and you will pay no more for them than cheap shoes. We have the second shipment of Empress Shoes in now, which are good sellers. Repairing and ordered work.—Yates' Shoe Store, opposite postoffice.

County Fair Postponed.—On Tuesday evening the prospects seemed good for the success of the exhibition of the Halton Agricultural Society. Entries were numerous, the hall was well filled with exhibits in all classes except roots and fruit, both of which suffered this year from the long drought, and the weather was fine. Yesterday morning there was a change, rain came on and the weather was so unsettled throughout the morning that the directors decided on a postponement for two weeks to Wednesday, Oct. 11th. They are negociating for extra attractions, an exhibition of high-stepping horses including single horses, double teams, four-in-hands, etc. The committee is arranging also for some high jumpers. These horses are among the best which have been exhibited at the Toronto and other large fairs. For further particulars see posters. The concert at the town hall yesterday evening was a success. The attendance was large. Miss Florence McNeil, soprano, sang well, Miss Pearl O'Neil, reader, was the best seen here for many a day and Harry M. Bennett, comic, an old favorite, was as funny as ever. We regret that we have not space for a more extended report of the concert.

A Double Wedding.

A double wedding took place in Toronto on Sept. 20th. The brides are daughters of an old Esquesing family, who removed to Milton and later to Toronto. The following is clipped from the Globe of Sept. 20th:

A double wedding took place last Wednesday, September 20, at St. Enoch's Presbyterian Church, when Miss Bessie Moore, second daughter of Mr. and Mrs. R. N. Moore, Salisbury avenue, was married to J. Wesley Hisey, of Stouffville, and her sister, Miss Anna Myrtle, fourth daughter, was married to Duncan E. McDonald, of Gamebridge. The church was decorated in palms, ferns, carnations and asters. Rev. W. B. Findlay, assisted by Rev. Dr. Stuart of Bible Training College, officiated at the first ceremony, while Rev. John McNichol of Knox Church, Spadina avenue, assisted by Rev. Dr. Buchanan of India, conducted the second. The brides were handsomely gowned alike in white duchesse satin, trimmed with pearls, and wore tulle veils caught with orange blossoms. They carried bouquets of white roses and lily of the valley. In turn the bridal party were attended by Miss Martha McDonald, sister of one groom, and Walker Moore, brother of the brides. Miss McDonald wore white marquisette, with touches of pale blue, and white hat, and carried pink roses. The brides' little sister, Miss Margaret Moore, was flower girl in pale blue satin, with hat to match, and carried a basket of pink and white carnations. The ushers were Donald A. Moore, brother of the brides, and Herbert L. Troyer. Mrs. Moore, in black messaline, held a reception. The house and marquee were decorated with palms, ferns, asters, carnations and an abundance of smilax, and the beautiful day made the effect perfect. The health of the brides was proposed by Rev. Mr. McNichol, and responded to by the grooms. Mr. and Mrs. Hisey left for a short honeymoon to London, Mrs. Hisey in a steel grey suit, with hat to match. Mr. and Mrs. McDonald left later for a motor trip, the bride in dark blue, with picture hat. They will spend their honeymoon abroad, as they sail October 13 for India, where they will reside as missionaries at Bhabra P.O., Pauch, M.A., Hals. Mr. and Mrs. Hisey will live at 34 Grenville street.

Milton Heights.—The annual Thanksgiving Services will be held at All Saints' Church on Sunday, Oct. 8th at 3 p. m.
