The Canadian elections were held on Monday. At present the Whitney Government has a majority of seventeen, having had that many candidates returned by acclamation. No Liberal candidates were allowed a walk-over.

The bilingual schools are coming in for a good deal of discussion in the present election-campaign, but it is to be feared that nothing will come of this unless the English-speaking citizens of Ontario, Protestants and Roman Catholics, make the question non-political and unite in demanding that English shall be the language of this British province and the only language taught in its public schools. Now is the time to do this.

McNamaras Pleaded Guilty.

James B. McNamara has pleaded guilty of dynamiting the Los Angeles, Times building in October, 1910. The explosion killed 21 persons. McNamara has been sentenced to penitentiary for life. His brother, John J., pleaded guilty of wrecking the Llewellyn Iron Works, also at Los Angeles. He got 15 years. Both men were officials of the Bridge and Structural Ironworkers' International Union. The Times had for years been in conflict with the labor unions because it refused to recognise them. It is believed that the McNamaras were implicated in many other cases of dynamiting, in various places, east and west, in which many people were killed. Detective Burns is now on the tracks of their accomplices, the men "higher up."

THE NOMINATIONS.

The nominations for Halton for the Legislature were made on Monday at Town hall, Dr. A. W. Nixon, Conservative, and R. D. Warren, Liberal. Samuel Dice was named as agent for Dr. Nixon and J. H. Peacock for Mr. Warren.

The nominations having closed, a public meeting was held. The hall was well filled. J. M. Bastedo, Returning Officer, was chairman.

The candidates and E. H. Cleaver, barrister, of Burlington, addressed the meeting. D. Henderson, M. P., was present, but did not speak. Mr. Cleaver's speech caused a sensation. He made the following charge:

"In July, 1909, a representative of the Hydro-Electric entered into agreement with two farmers on the seventh line of Trafalgar township, Halton county, J. W. Orth and J. McGowan, for rights over their lands and agreed to pay them $1,000 each. The engineer's survey was made and plans filed in the office of the Hydro-Electric before that day. On or about October 1st, 1909, Mr. Lobb, the solicitor of the commission, went to Mr. Walter Harland Smith, whose farm is opposite the farms of Messrs. Orth and McGowan, and told him that the line was too expensive where they had run it and unless he paid $1,000, the line would go on his farm. Mr. Smith consulted his solicitors, who told him the Hydro-Electric could do practically as they pleased. Mr. Lobb saw him again and repeated the statement that the survey would go on his farm and took a check for $700. The line was constructed on the Orth and McGowan farms.

"Mr. Smith stated the facts to Mr. Whitney and to Mr. McNaught, who said something would be done, but thus far Mr. Lobb or the Government has Mr. Smith's $700."

The original check and Mr. Lobb's receipt were produced by Mr. Cleaver and held up before the audience; also photographs of the Orth and McGowan agreements.

The charge appeared in the Toronto Star on Tuesday with the following explanation:

"When The Star showed the above despatch to the Hydro-Electric Commission's solicitor this morning, he turned it as merely "election talk." His explanation is that the original survey for the Hydro line ran through Mr. Smith's farm. Mr. Smith did not want the line on his property, and asked the solicitor how much they wanted to keep the line off. When it was explained to him that the cost of running the line over the farms of Messrs. Orth and McGowan would be too much to make the change, he offered to make up the difference between the cost of the original line over the Smith farm, and the cost of the line over the Orth and McGowan properties. Mr. Smith's offer was accepted, and he gave the solicitor a cheque for $700 to make up for the running the line through the other two farms."

Hockey.

A meeting of Milton hockey fans was held last week at which it was decided to enter two teams in the O. H. A. competitions this season, intermediate and junior. Both are expected to be strong enough to make a good showing and there will be no end of sport at the rink. The executive committee will select a manager and a captain for each team.

LOCAL.

The Women's Auxiliary of St. George's Church held a very successful home-made pie sale on Saturday afternoon in the vacant store formerly occupied by Mr. Nelson Dunn on Commercial street. A quilt was among the articles disposed of and money was realized on the same handed in. After an excellent programme tea was served. The receipts amounted to nearly $200. At the close a hearty vote of thanks to Mr. and Mrs. Dunn, for the most enjoyable evening, was passed and the chairman, J. F. Richardson, presented the thanks to Mr. and Mrs. Dunn in accordance with the vote.

"The Store that Satisfies"

FOR YOUR HAIR

Here Are Facts We Want You to Prove at Our Risk.

When the roots of the hair are entirely dead and the pores of the scalp are glazed over, we do not believe that anything can restore hair growth.

But, when the hair roots retain any life, we believe there is nothing that will so surely promote hair growth as will Rexall "93" Hair Tonic. To prove that statement, we promise to promptly return all the money you pay us for Rexall "93" Hair Tonic, should it not please you.

Rexall "93" Hair Tonic destroys the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and, by promoting circulation, nourishing them.

Rexall "93" Hair Tonic helps to relieve scalp irritation, to remove dandruff, to prevent the hair from falling out, and to promote an increased growth of hair. It comes in two sizes, prices 50 cents and $1.00. Remember, you can obtain it only at our store—The Rexall Store, F. B. Smith.
