The Canadian Champion
MILTON, Dec. 28, 1911.

The census of 1911 showed a decrease since 1901 in the rural population of Ontario, as a whole, but in Halton there had been an increase. Now there is fresh evidence of increase. This year Nelson had no deputy-reeve owing to a decrease in the number of ratepayers due to the annexation of a populous section of the township by Burlington, but the assessment of 1911 showed an increase above the number needed, and a deputy-reeve was elected last Monday.

Milton merchants report a large Christmas trade, larger than that of 1910, but they figure that more than $100,000 was sent from Milton to Toronto department stores during 1911. Had this money been spent in Milton it would have added greatly to the prosperity of the town. Nothing can be said against citizens ordering goods from elsewhere which they cannot buy at home. Nothing is gained by ordering staples from the cities. They can be got as cheaply here, often more cheaply. Loyalty to their town should prompt citizens to spend their money at home as much as possible. Such loyalty pays the spender, for whatever benefits the business of the town as a whole benefits each individual citizen.

MUNICIPAL ELECTIONS.

The nominations for next year's council were held at the town hall on Friday and were disappointing. Though there were candidates to spare for Mayor and Reeve, only four out of the seven nominated as councillors qualified and another nomination will be necessary. Bible Society, 1911.

The executive committee of the Canadian (formerly Upper Canada) Bible Society met on the 22nd Dec. in the upper parlor of the Metropolitan Bank. President James A. Frazer in the chair. Besides devotional exercises, reports were received from the Treasurer and Society of the work in Milton Branch during the year. The collectors for 1 and 2 Trafalgar were quarantined for weeks and were not able to report, yet the amount collected in the aggregate, $153.35, is much greater than for many years past. The entire amount was voted to the Canadian Bible Society as a free contribution. The collectors and contributors were by resolution tendered a hearty vote of thanks for such excellent results.

A Paris merchant has conferred a blessing on mankind by establishing a store where wedding presents can be hired. A snobbish mother who wishes the display of presents at her daughter's wedding to be dazzling, can go to the merchant and arrange for borrowing articles from his collection. An employe attends the wedding in disguise to watch the presents.

Farewell to League Members.

The members of the Methodist Church League met at the residence of George Andrew on Friday evening last to make a presentation to two members who are about to begin training as nurses. They, Miss Ribbick and Miss Selby, received as gifts sterling silver manicure sets. The following address was read by the president and the recipients replied briefly.

To Miss Ribbick and Miss Selby:

It is with deep regret that we learn you are about to leave Milton, our Church and League. It is especially in connection with our League that your presence will be greatly missed.

In the past you have ever been ready to lend a helping hand in whatever way you could, and your cheerful manner and kindly ways have won for you a host of friends, who are truly sorry to hear of your removal from our midst.

In the high calling into which you are about to enter as nurses, we feel that you have the general acquirements that will make for you an easy path to success, and none will wish you greater success than the members of the Methodist Church League of Milton.

We cannot let you take your departure without in some manner letting you know and feel that our prayers and sympathies are with you. So in this regard we ask you to accept these gifts in token of remembrance of many happy and profitable hours spent with us as fellow leaguers.

We shall follow you with our prayers and trust you will always find wherever you go as true friends as you are leaving here.

Signed on behalf of the League,
Edward Wilkinson, Pres.
Evelyn Galloway, Sec'y.

Short addresses were given by Mr. Deacon, Mr. Andrew and the Rev. Mr. Houck, after which refreshments were served by the hostess. A vote of thanks was tendered to Mr. and Mrs. Andrew for their kindness in entertaining the league on this occasion.

Wedding.

On Wednesday, Dec. 20th, "Greenfield Farm," the home of Mr. and Mrs. John Chisholm, Esquesing, was the scene of a very pleasing and festive function, the occasion being the marriage of their second daughter, Vinetta, to Arthur Spencer Wilson, of Hornby.

Precisely at 3.30 o'clock, to the strains of the wedding march from Lohengrin, played by Miss Leona Wilson, niece of the groom, the bride entered the room, and on being given away by her father, took her place beneath an arch of evergreens and chrysanthemums, from which was suspended the wedding bell. She was attired in a gown of embroidered net with crystal trimmings over white silk, tulle veil with crown of orange blossoms and carried a bouquet of bridal roses and lily of the valley. Preceding the bride were the two little ring-bearers, Miss Eva Chisholm and Master Meldrum Stark, who carried a basket of carnations and sweet peas, in which was concealed the ring.

After the ceremony, which was performed by the Rev. W. L. Martin, of the U. P. Church, Mansewood, the contracting parties and assembled guests retired to the dining-room, where a sumptuous repast awaited them, amid floral and season's decorations.

The guests, who numbered about ninety, were present from Saskatchewan, Winnipeg, Hespeler, Hamilton, Weston, Georgetown, Lowville and Milton.

The groom's gift to the bride was a fur-lined coat, to the little flower girl a gold locket and chain and to the little page a gold-lined embossed cup. The bride was also the recipient of a casserole from the Rebekahs. The other numerous and costly presents, together with the felicitations, testified to the popularity of the couple, who left on the 8.25 train for St. Thomas and other western points. On their return they will reside at the Miller homestead, which was just recently purchased by the groom.

John Bigelow, the eminent American author and diplomat, died at his home in New York last week, in his 96th year, having kept abreast of current events and taken part in public functions almost to the very last.

A NEW YEAR SUGGESTION

This is the time of year when you are once more thinking of things to give as New Year's presents to various members of the family. Are you as usual "up against it" to think of useful things that will be appreciated for every member of the family?

If so, let us make a suggestion: A bank book with the first deposit entered on it is a very practical present for the boy or girl, and is often an incentive to save which might not be received for a number of years if it were not placed before them in this manner.

Many substantial bank balances to-day started from just such beginnings as that. A large sum is not needed to start an account. Any sum, from one dollar up, will be received and an account started.

Another suggestion—if you have friends at a distance get a bank draft and send them.
