

Excellent service from Cory and staff of the  
Georgetown Hearing Clinic the past nine years.  
The new Seimens Hearing Instruments are fantastic.  
Great clarity of sound. I highly recommend.

I would like to comment on the  
outstanding service by Corey and  
his staff at the G.T. Hearing Clinic.  
Over the last 15 years, he has  
provided excellent service. Corey's  
product knowledge is top notch.  
His staff are friendly & courteous.  
If issues arise Corey is prompt  
to address them. I would recommend  
G.T. Hearing Clinic to every one I  
know who are in the market  
looking for hearing aids. Corey  
& his staff provide outstanding  
services and products, & the
