APPLICATION TO PARLIAMENT.

Notice is hereby given that an application will be made by the Corporation of the Town of Milton, in the County of Halton, in the Province of Ontario, and by "William ... Williams & Son, Limited," of the said Town of Milton, to the Legislature of Ontario at the next Session thereof for an Act to confirm and validate an Agreement entered into between one J. W. Williams and the said Corporation of the Town of Milton, on the 14th day of March, A.D. 1911, whereby the said J. W. Williams agreed to build and carry on in the said Town of Milton a Shoe Factory of the value at least of $15,000.00, and to employ a certain number of hands therein for twenty years from the 1st day of August, A.D. 1911, and the said Corporation agreed to guarantee the bonds of the said J. W. Williams, or of any company which he might incorporate, to the extent of $12,000.00, to be secured by a first mortgage on the premises and assets in favor of the said Corporation, as set out in said Agreement, and also to confirm and validate By-law Number "40" of the said Corporation of the Town of Milton passed pursuant to the Act in that behalf and all things precedent to such Agreement, and also the debentures issued under such Agreement and By-law.

Such Act is necessary because of a possible question as to such Agreement and By-law on account of the said J. W. Williams preferred to have been along with other parties carrying on a shoe business in the Town of Milton, in the County of Peel, under the firm of "Durgin Williams, Limited," but the last mentioned company has gone into voluntary liquidation.

Dated at Milton this 4th January, A.D. 1912.

HOCKEY.

Milton defeated a Brampton seven made up of junior O. H. A. and older players here last Thursday evening, 11 to 5. The game was the roughest ever played here. The visitors, finding themselves outclassed, took to tripping, slashing and holding, and the locals retaliated. Penalties, however, were few. Referee Ryder should have been more strict. We could not get the Brampton line-up. That of Milton was, goal, Sinclair, point, Farlow, cover, Maude, rover, Panton, forwards, Chisholm, Brumm, Ford. This evening's game at the rink, Milton vs. Georgetown Wanderers, promises to be a ripper. The Wanderers have not been beaten this season and the locals will put on their best seven.

Fighting the Great White Plague, and the Victory Sure at no Distant Date.

A large number of our people were present last evening to hear a lecture by the Field Secretary of the National Sanitarium Association, at Knox Church school house. His Worship, Mayor McColl, filled the chair and prefaced the lecture with an interesting and instructive talk on the subject, to which, it would appear, His Worship, in his professional work, has given thought and study. The lecture was illustrated by about 100 striking pictures. The lantern and slides were very dexterously handled by the Rev. Mr. Mackay.

A vote of thanks was moved by Dr. Robertson and seconded by Rev. G. McQuillin.

Mr. Watson, in his response, expressed in behalf of the Association he represents, thanks to His Worship for filling the chair, to Rev. Mr. Mackay for handling the pictures, to the authorities of the Presbyterian Church for the use of the building so well suited for the lecture, and to Mr. Jones, the caretaker, for help in making ready for the evening's performance. A collection of more than $12.00 was taken up and intimation was given that Mr. Watson would on the morrow be round to see those absent in order that they may have opportunity to be helpers of "Canada's greatest charity."
