The Canadian Champion
MILTON, Feb. 29, 1912.

A bill has been introduced in the Ontario Legislature styled "The Snow Road Act." It authorizes county councils to provide, by by-law, for the making of a double track during the season of sleighing in each year upon leading highways, whether or not county roads, so that vehicles meeting will not be obliged to turn out. Vehicles must take the right hand track when meeting others, under a penalty of $1 to $20. Pathmasters or roadmasters may order statute labor to be done in keeping the double tracks open, and persons liable to do such work who refuse to do it are liable to a of penalty $1 to $20.

Graham Elected.

Hon. Geo. P. Graham was elected for South Renfrew on Thursday by a majority of 280.

Hon. Mr. Graham, it will be remembered, was defeated in Brockville in the general election. Afterwards Mr. Low, who had carried South Renfrew in the same election by a majority of some six hundred, gave up his seat in order that Mr. Graham might have a place in Parliament. Before Mr. Low resigned an agreement was made with the local Conservative leaders, under which it was provided that Mr. McCarry, Conservative, should be elected to the Legislature unopposed, and that the same privilege should be accorded Mr. Graham in regard to the Commons. Although local Conservative leaders stood by this agreement, members of the Dominion Government at Ottawa took charge of the campaign, and did everything possible to secure Mr. Graham's defeat.

Wedding.

BROWNRIDGE–DEVLIN.

A pretty but quiet wedding was celebrated at the home of Mr. and Mrs. Jas. Devlin, Omagh, on Feb. 14th, when their eldest daughter, Miss Jennie, became the bride of Ransom Brownridge, of Omagh. The marriage ceremony was performed by the Rev. Mr. Weaver, of Palermo, in the presence of about thirty-five guests, precisely at two o'clock, the hour announced for the ceremony.

The bride, who was given away by her father, looked very dainty in a becoming gown of Alice blue satin with white trimmings, and carried a bouquet of white chrysanthemums. The Wedding March was played by Miss Claridge, of Omagh. After the young people had received the congratulations of the assembled friends, all sat down to a dainty wedding supper. The bride received many useful and costly presents. The groom's gift to the bride was a fur-lined coat. The members of Christ Church choir, Omagh, of which the bride was a member, also presented her with a handsome rocking chair. The bride's going away gown was of navy blue serge with hat to match. The young couple left on the 7.30 train for the east, amid showers of confetti and good wishes. On their return they will reside at Omagh.

Masonic.

During his residence in Milton Excellent Companion Rev. Wm. Smythe was a frequent and welcome visitor to St. Clair Chapter No. 75, G. R. C., and he occasionally took part in the work, in which he is proficient. His removal to Bridgeburg last summer led the Royal Arch Masons of that town to apply for a charter for the establishment of a chapter. A dispensation was granted, to be followed by the charter, and the new chapter was instituted on the 16th inst. It will be known as the Hugh Murray Chapter. Excellent Companion Smythe was installed as Z. The chapter will doubtless flourish with him as its presiding officer.

The Grand Chapter of Canada, Royal Arch Masons, met at Toronto yesterday. R. E. Comp. G. A. Griffith, of St. Clair Chapter No. 75, Milton, was honored by being unanimously elected Grand Superintendent of the Hamilton District.

Besides R. E. Comp. Griffith, St. Clair was represented by M. E. Comps. John Leslie and Geo. Moore, R. E. Comps. Wm. Panton and G. E. Sitzer, V. E. Comp. S. R. Bews and Ex. Comps. John Irving and Alex. Armstrong. M. E. Comp. Geo. Moore was elected Grand Treasurer by acclamation.

AVOID HARSH DRUGS

Many Cathartics Tend to Cause Injury to the Bowels.

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexall Orderlies. These are prompt, soothing, and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is a tasteless and colorless compound, long established for their use in the treatment of constipation. It forms a tablet which is [illegible] like candy. They may be taken any time, either day or night, without fear of their causing any inconvenience whatever. They do not gripe nor cause nausea. They do not cause any pain or excitement in the bowels. They are [illegible] for children, weak, delicate and aged people, as well as [illegible] sturdy person.

[illegible] in three size packages, [illegible] cents; 36 tablets, 25 cents; 60 tablets, 50 cents. Remember, you can get them only at our store, F. B. Smith.

THE WEARY SMILE THAT COVERS PAIN.

Women are Themselves to Blame for Much of Their Suffering.

Women are weak, yet under a smile they will try to hide pain and suffering that any man could not bear patiently. If women would only remember that their frequent failures of health arise from feeble or impure blood their lives would be smoother and they would longer retain their natural charm.

When the blood fails then begin those dragging backaches and headaches; unrefreshing sleep that causes dark lines under the eyes, dizziness, palpitation or rapid fluttering of the heart, hot flashes and indigestion. Then the cheeks grow pale, the eyes dull and the complexion blemished.

Women should know that much of this suffering is needless and can be promptly remedied. Purify and enrich the blood through the use of Dr. Williams' Pink Pills and your suffering will vanish. Thousands of women know that Dr. Williams' Pink Pills have brightened their lives by making the new, good blood of health, and so toning up all the vital organs into healthy, vigorous action. Here is an instance from among many. Miss Cora A. Cornell, St. Catharines, Ont., says: "Ever since the age of fourteen I have suffered terribly with pains in my back, and severe headaches. I was also much troubled with indigestion and had to be extremely careful as to my diet, and sometimes did not feel like eating at all. Some two years ago the headaches became so bad that I had to give up my position, which was clerking in a store, where, of course, I was constantly on my feet. I took a position in an office, where I could be seated most of the time, but even then I suffered terribly most of the time. As the medicine I had been taking did not help me I finally decided to try Dr. Williams' Pink Pills. I got a supply, and soon felt they were helping me and I continued taking the pills for several months until I felt perfectly well. Although my doctor advised me not to go back to my old position, I decided to do so, and have not felt any ill effect. I never have backache now, seldom a headache, and all traces of the indigestion have disappeared. I cannot speak too highly of Dr. Williams' Pink Pills and I hope this letter will help someone who suffers as I used to."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
