Encouraging reports on the progress of Rev. D. G. Houck continue to come from Welland. Though it is slow, it seems to be sure. There is less paralysis and Mr. Houck eats and enjoys hearty meals.

Hugh Campbell, issuer of marriage licenses. Office—Town Hall, Milton.

STOP IT—A citizen complains that last night a clod was thrown against his door and that boys have annoyed him and neighbors in the same way on previous occasions. He says he is determined to stop it by making an example of any offender caught in the future.

WANTED—Two gentlemen boarders. Apply to Mrs. Alex. Brown, Victoria Avenue.

PROMOTED—M. E. Parks, who has been station agent of the C. P. R. here for a number of years, has received a well deserved promotion. He will go to Orillia next week to take charge of the terminal C.P.R. station there. He will have from five to ten men under him. Mr. Parks will be greatly missed in Milton. He has been a good citizen, taking an active interest in the affairs of the town generally, has served in the town council, and has been particularly prominent in promoting healthy amusements for the boys, and in the organization of the boy scouts. His brother-in-law, Mr. Cooper, succeeds him as station agent. He is well qualified for the position.

Painting and Paper Hanging done. Also good Wall Papers for sale.—A. E. Ashby, Mill Street, opposite skating rink, Milton. 45

THE OIL FIELD—The Brandons Oil Syndicate has had great difficulty in getting up the broken cable and drill from the first well in which the strike was made some time ago. Several pieces of cable were got up on Tuesday and yesterday and it is hoped that the drill will soon be raised and put into operation in the syndicate's second well, where the derrick has been ready for some time. Mr. Cuthbertson is the first of the other operators to get to work. He had his drilling outfit brought from Peel County to Thos. Howden's farm, Esquesing, yesterday—nine wagon loads. He will have it in operation within a few days. Other operators will soon be busy.

City Dairy Ice Cream Sundaes, Sodas, Orangeade and Ice Cream Bricks and Cones at Mackenzie's, the People's Druggist.

ILLEGAL BALLPLAYING.—Last Thursday two boys were paraded before R. J. Campbell, J. P., charged by Constable Chapman, on the complaint of Chas. Jackson, with playing ball "on a public highway within the town of Milton, contrary to By-law No. 111." The constable and the complainant swore to the ballplaying and Town Clerk Hemstreet proved the by-law. One of the boys swore that they did not play on the street, having been warned not to do so by the constable, that they played in the yard of the Commercial Hotel and that the ball was batted out of the yard to the street and bounded into the complainant's yard. The magistrate found the boys guilty and let them off on suspended sentence on payment of the costs, $4.

The Hamilton Spectator Saturday, May 11th, edition, will be an Illustrated Edition about Milton. Leave your order early at Mackenzie's, the People's Druggist.

P. L. CONCERT.—Milton people do not tire of the clever Scotch laddies, the Lawrie Brothers, of Hamilton. Their appearance here last Friday evening under the auspices of the Public Library was their third in Milton, but they drew a large house. The receipts were more than $70 and the library's share of the profits was $45. It will be expended in new books. The boys sang and danced better, if possible, than ever and, by way of variety, introduced a new specialty, an Irish jig in costume. It made a great hit. Miss Hilda Smith, Milton's juvenile soprano, sang very sweetly and received a well deserved encore. Messrs. F. B. Smith, baritone, and C. E. Robertson, tenor, also sang well and were encored, and the selections played by the Milton orchestra were a pleasing feature of the programme.

MINSTRELS.—Remember the entertainment to be given at the town hall on Tuesday evening, 21st inst., under the auspices of Knox Church choir, by Dr. Harris's amateur minstrel company, composed of members of his choir, that of Erskine Church, Hamilton. Fine singing and wholesome fun.

BANK CHANGES—On Monday, Agent H. P. Wanzer, of the Bank of Hamilton, received notice that he had been promoted to the management of the Yonge and Gould Street agency, Toronto, and would be expected to take charge of it as soon as possible. He is likely to go within a day or two, and will remove his family as soon as he can secure a suitable house. There is no residence in the bank building. Mr. Wanzer has been in Milton for a little more than six years. The Bank has never had a more popular or successful agent here. While he is being congratulated on his promotion, he and Mrs. Wanzer will be greatly missed and their approaching removal is the subject of general regret. Mr. Wanzer will be succeeded by Mr. Stewart, who has been in charge of the Ancaster agency for some time.

Dr. Zimmerman, who is now established in his new office, will confine himself principally to crown and bridge work and to contour plates, replacing old dentures with non-detectable ones, and restoring to the patient the natural features of physiognomy. Office hours 2 to 5 p. m. Morning engagements made by phone, 128.

MILTON'S GROWTH—Milton's building boom has begun. R. B. Galbraith has operations started on a fine brick house on Queen St. Jacob Johnson has two cottages in course of erection in the East Ward. John Bradley will build two two-storey, brick-veneered double houses on Mill Street, and W. Lewis has a frame dwelling boarded in close by. J. S. Deacon will erect from two to four dwellings, and S. Dice at least two. Altogether 17 dwellings are already decided on. A few days ago G. A. Hemstreet was appointed agent for the Reliance Loan & Savings Co., of Toronto, which advances money for house building, 60 per cent. on the cost of houses and lots to be repaid in monthly instalments in from five to ten years. The terms are reasonable and seven citizens who wish to own their homes have already interviewed Mr. Hemstreet. R. B. Harrison has had some of his acreage in the south part of the town surveyed [illegible]

Dr. W. F. Freeman, arrived from California this morning to attend the funeral of his mother.

COUNTY COUNCIL—The Warden has called a meeting, regular, of the county council for next Tuesday.

KNOX CHURCH—Rev. W. D. Turner, of Norval, will preach at both services at Knox Church next Sunday.

Mr. and Mrs. Walter Wheeler, of Niagara Falls, N.Y., are visiting the latter's parents, Mr. and Mrs. F. F. Earl.

BASEBALL—A meeting of all interested in baseball will be held at the town hall on Friday (to-morrow) evening at 8 o'clock.

R. B. Barber, of Toronto, and Captain Richardson, of Whitby, are here to-day to attend the funeral of the late Mrs. Freeman.

The funeral of the late Dr. Robert Morris Butterfield will take place today on the arrival of the 2.55 p. m. train from Guelph.

J. W. Williams, of Williams & Son Ltd., has bought the Hollinrake residence on Queen Street from its last owner, Jas. Dent, V.S.

METHODIST CHURCH—Sunday, May 13th, Rev. W. E. Donnelly, of Toronto, will conduct both services. Good music. Strangers always welcome.

Miss Kathleen Panton has accepted, for the summer months, the position of assistant superintendent at the Lakeside Home for Sick Children on Toronto Island.

WON'T GO TO CAMP.—It has been settled positively that the 20th Halton Rifles are not going to Niagara camp this year. The officers and men generally are disappointed.

GRADUATED—F.K. D'Alton, of Weston, formerly of Milton, has passed his final examination in engineering at Toronto University and has the degree of Bachelor of Applied Science.

John Walker's barn in Nelson, was struck by lightning last Sunday evening and some chaff in the yard caught fire, but the fire was put out. The damage to the barn was slight. A few boards were torn off.

Major Kaitting left last week on a trip to California and will spend some weeks near California. And we all certainly hope he will have a grand time. His ticket reads over the Denver and Rio Grande and the San Pedro through the dreary desert.—Oakville Star.

BOWLING.—The committee on the proposed formation of a bowling club reported at a meeting of the Milton Curling Club on Tuesday evening. No definite action was taken. A public meeting of all interested in bowling will be held in the council chamber, town hall, on Monday evening next at 8 o'clock.

The Star says Oakville's total assessment for this year amounts to slightly over $1,900,000, but there are exemptions which will reduce the figures to about $1,800,000. Many property valuations have been increased and there will be many appeals. The Star remarks that the increase will mean an addition of about $1000 to Oakville's county rate and that that is quite a consideration. True, but the figures should not be reduced on that account.

MILTON HEIGHTS.—The original board of arbitrators on the matter of the proposed public school at Milton Heights, with Judge Gorham added, met on Saturday and made a fresh start. Mr. Appleyard and other Milton Heights men stated their side of the case and Messrs. Carton, Joyce and other farmers gave the opposite side. There was no compromise and apparently there will be a fight to a finish. An adjournment was made to next Monday at 1 p. m.

YATES' SHOE SHORE—Clearing sale of all kinds of Footwear, all new stock. This is a genuine sale of the best makes of Footwear. Buy good Footwear and save money. Repairing neatly done.—Yates' Shoe Store.

REMOVED TO TORONTO—Last Thursday Mrs. E. Hannant removed to Toronto. Her son and one of her daughters have been in the city for some time and the removal was made to reunite the family. Mrs. Hannant has been a resident of Milton ever since, about 30 years ago, she came here with her parents, Mr. and Mrs. Thos. Wilson. She was a member of the choir of Grace Church for years and a prominent worker in the Woman's Auxiliary. Her son and two daughters were also members of the choir. She and they will be greatly missed. Before her departure she was presented by the W. A. with a set of solid silver spoons.

At the General Conference of the Methodist Episcopal Church, held in Minneapolis, Minn., the Board of Bishops recommended the abolition of the rule prohibiting dancing, card playing, gambling and going to theatres and horse races. The people, it was said, should be left to judge for themselves what is right and wrong in amusements, without losing sight of the injunction of John Wesley which forbids "the taking of such diversions as cannot be taken in the name of the Lord Jesus."
