### Home From China.

Oakville Star.

On Thursday Dr. W. J. and Mrs. Sheridan arrived at his former home at Merton after a missionary stay in China of over four years. Their return at the present time is the result of uprisings among the natives in the interior, two thousand miles inland from Shanghai. Dr. and Mrs. Sheridan left the hospital over which he had charge in December, after spending two months in one compound in which were one hundred and twenty English speaking people, mostly missionaries, who were without any telegraph communication, as the wires had been cut, and only mail about once a month. The doctor says the trouble in China arose without any warning, the natives making all their plans through secret societies. The means of communication were however very slow and the conditions that affected one district would not be known in the next, so that there would be no general trouble throughout the whole country. Dr. Claude Freeman, of Burlington, who was in the same hospital as Dr. Sheridan, will arrive at his home in Burlington next week. The many friends of these two young medical men will be glad to see them and be much interested in the stories of their adventures.

ONLY ONE APPEAL—Evidently R.L. Hemstreet, assessor, has done his work well. The time limit for appeals against the roll which he returned lately has expired and through there was a total increase of about $28,000, only one appeal has been entered.

Crum's English Prints, Steel Clad, Galatea, Nonpariel, Scotch Ginghams—goods the makers guarantee. We have them.—Galbraith & Company.

MILTON HEIGHTS.—The arbitrators on the petition for the establishment of a public school, in a new section, at Milton Heights held their final sitting on Monday. In their two sessions they heard a great deal of evidence and argument for and against the petition. Their decision was against the petitioners; to leave matters as they have been. This satisfies the opposition, but the petitioners say they will not let the matter rest until they get either a new section and school or the removal of the Ligny school to a point convenient for their children. They claim to have votes enough to force a removal, but one of them said yesterday that they had not yet decided whether to work for it or appeal to the County Council as they did last year.

Auction sale of household furniture, two horses, cow, two buggies and harness. Also other articles, on Saturday, May 25th, at the residence of Mrs. James Dent, Queen and Foster Streets. No reserve. Everything to be sold. Geo. Andrew, Auctioneer.

KILLED BY TRAIN.—About 11 o'clock on Monday night two men found Albert Wenham lying groaning on the C. P. R. track just beyond its entrance to the Anderson farm, west of Milton. Wenham had been run over by, it is supposed, a freight train, and an arm and a leg were mangled. He lay between the rails. He was carried to the watchman's shanty at the diamond at the G. T. R. crossing, where a surgeon gave his injuries a temporary dressing, after which he was put on an east-bound freight train to be taken to a Toronto hospital. He died before the train reached Streetsville and his body was brought back to Milton. Dr. H. A. McColl, coroner, will hold an inquest next Monday evening. Wenham was English, unmarried, was 26 years of age, and was an employee of the Toronto Pressed Brick and Terra Cotta Co. He had been in this neighborhood for several years.

Dr. Zimmerman, who is now established in his new office, will confine himself principally to crown and bridge work and to contour plates, replacing old dentures with non-detectable ones, and restoring to the patient the natural features of physiognomy. Office hours 2 to 5 p. m. Morning engagements made by phone. 128.

BANK OF HAMILTON.—On the 8th inst. the Ancaster correspondent of the Hamilton Spectator had the following on the removal of Mr. Stuart to Milton: "The many friends of C. H. Stuart, manager of the local branch of the Bank of Hamilton, will regret to learn that he is being removed from here to take charge of a branch at Milton. Mr. Stuart has been a resident of Ancaster for twenty-five years, and the citizens learned to look up to him for advice and guidance in all their undertakings, and naturally regret, very keenly, his departure. Mr. and Mrs. Stuart are prominent members of St. Andrew Presbyterian Church, Mrs. Stuart being the organist, while Mr. Stuart is on the trustee board and a member of the session. He is also superintendent of the Sunday School, in which work he has always taken a very deep interest. Mr. Stuart expects to leave for his new home in a day or two, and has offered his fine residence for sale at a low figure, and it will no doubt soon be sold, as property in this healthy zone is in big demand."

The Minstrel Show to be given in the town hall, Milton, next Tuesday evening by the choir of Erskine Church, Hamilton, under the leadership of Dr. C. L. M. Harris, will be bright and full of ginger. There will be nothing slow or sad about it, in fact it will be two hours of solid happiness. There are forty performers, consisting of soloists, chorus and end men. The end men number six, (four of whom are girls) 3 tambos and 3 bones. It will be a novelty to hear and see the girls play the bones, and they certainly can play them. The program will consist of funny jokes, popular songs, medleys by the chorus of up-to-date and old fashioned songs. This entertainment has been given three times in Hamilton to crowded houses. Each time it was given the building was too small to accommodate the crowd. Be there on Tuesday next and enjoy yourself. The entertainment is given under the auspices of Knox Church Choir. Tickets may be secured from the members of the choir and at Smith's Drug Store, where reserved seats may be booked.

A NARROW ESCAPE.—On Monday afternoon, Roy Gartley, driver for C. H. Falconer, had a very narrow escape. He had delivered the groceries in Barberton and drove into the water below the bridge to wash the wagon. The big flood washed a hole out about ten feet deep, where he used to drive, and he did not know this. As soon as he drove in, down he went, and the rig turned over on top of him. Had he not got from under the wagon the minute he did, Billy Platt was there ready to be the life saver. Miss Irvine saw the happenings from the window of the Oriental Textile Co.'s office and ran into the mill to get help. The "big man" of the mill ran to get a team to pull them out. Before he got back on the scene, the horse got free from the rig and the other factory hands pulled the wagon out with a rope. The current carried Roy a few rods down the stream, but he managed to get out of the water. It was a very narrow escape and the boys are laughing from the ducking yet.—Streetsville Review.

Dr. and Mrs. Corrigan, of Strathroy, spent Sunday in town, at the home of the doctor's uncle, Police Magistrate Dice.

Miss Mary Gillespie, who has been visiting Miss Annie Lawson for the past seven weeks, returned to her home at Ayr on Monday afternoon.

Boots and Shoes for everybody. See the Men's Heavy Slugged Boot. Special at $1.50.—Galbraith & Company.

There was frost here on Monday night, enough to make ice about half an inch thick, but it did little, if any, damage. Vegetation was too backward to suffer.

The road and bridge committee of the county council will meet to-day at Georgetown at 2.30 p. m. to inspect the washed-out bridges in that neighborhood and consider how they shall be replaced.

Ladies' Embroidery Waists and plain Shirt Waists with collar, splendid value, $1.00 each.—Galbraith & Company.

The quarterly official board of the Methodist Church has invited the Rev. Martin Wilson, of Walkerton, to be their pastor for the next conference year. Mr. Wilson has accepted, subject to the approval of the Stationing Committee.

Mrs. B. Huffman and Miss Amy, of Esquesing, left Monday morning for Fort Arthur, where they will stay for some time, and the good wishes of their many friends go with them to their new home.

REGISTRY OFFICE.—On the recommendation of the county buildings committee of the county council, tenders will be received for work necessary in the Registry Office—the laying of a new floor, the changing of the heating plant and the building of an addition to contain it.

Painting and Paper Hanging done. Also good Wall Papers for sale.—A. E. Ashby, Mill Street, opposite skating rink, Milton. 45

The Streetsville Literary Society and the Literary Societies from Milton and Galt intend hearing Southern and Marlowe in Shakesperian plays during their stay in Toronto—(June 10th, 11th and 12th). The societies are chartering a special train which will leave Streetsville in good time and return after the performance.—Review.

THE WEEKLY SUN'S "Census Almanac and Handy Atlas of the World" is what its name indicates. It contains much valuable information besides census figures, and the maps are well executed.

REMARKABLE.—A member of the Methodist Church here informs the Champion that the parlor from which the remains of the late Rev. D. S. Houck were carried out for burial on Tuesday was the room in which he first met and was introduced to Mrs. Houck, the one in which they became engaged, the one in which they were married and the one in which he died.

Boys' Scout Stockings, strong and durable. If two pair do not last the season you get the third pair for nothing.—Galbraith & Company.

FINE TROPHIES.—The trophies won by the Peacock rink in the inter-rink competitions of the Milton Curling Club last winter are on exhibition in one of Frank Hemstreet & Co's. windows and, with a curling stone on either side, make an attractive display. The winning players are Jno. M. Mackenzie, C. Woodruff, Frank Hemstreet and J. J. Peacock, skip. The trophies are four siver cups, each on an ebony strand and each having an explanatory inscription.

LOST.—One of Frank Hemstreet & Co's. cash receipts for $43.29. As this is of considerable value to the owner the finder will be rewarded by leaving same at this office.

EDUCATIONAL GRANTS.—At Tuesday's meeting of the county council the education committee considered claims from the Oakville high school, $1,991.27, and Guelph collegiate institute, $194.57, for maintenance of Halton county pupils. The Oakville claim was cut down to $880 on the ground that several items placed under the head of maintenance should not have been put there, and a cheque was issued for the reduced amount. The full amount of the Guelph claim was paid.

Miss H. E. Bastedo will receive at her studio, Friday, 17th inst., afternoon and evening, and exhibit several portraits, also pictures and studies by pupils. Studio, Dr. Dent's, Queen, St.

The annual meeting of Milton Auxiliary of the W. M. S. of the Methodist Church was held on Monday, May 6th. A very successful year was reported, and the following officers elected for the coming year:—President, Mrs. F. C. Willmott, 1st Vice Pres., Mrs. Horning, 2nd Vice Pres., Mrs. G. S.
