THE RIFLE.—Employees of the Toronto Pressed Brick & Terra Cotta Co. are about to organize a miniture rifle club. They propose to use 22 cal. rifles. The military arms of the future will be of smaller calibre than those used now and practice with the 22 cal. will be good training for handling them. FARM SOLD—The 200 acre farm of the late Wm. Elliot, on the Esquesing side of the base line and close to Milton, has been sold to Mr. Harrop, of Manchester, England. The farm is one of the finest in the township, with first-class buildings, including a large stone dwelling. Mr. Harrop pays a good price for it. He has gone back to England and will come out again next fall.

GRAND BAZAAR CONCERT in the lecture room of the Methodist Church to-morrow (Friday) evening. Program: Selection, Orchestra; vocal solo, F. B. Smith; vocal solo, Mrs. Walter Bews; recitation, Miss Deitch; vocal solo, Miss J. E. Smith; vocal duet, Mrs. J. W. Bews and C. E. Robertson; instrumental duet, Misses Dewar and Lawrence; male quartette, Messrs. Dunkley, Earl, Pearen and Allport; vocal solo, Miss G. Featherstone; recitation, Miss Deitch; vocal solo, Miss Shirley Smith; selection, orchestra; solo, Mrs. J. W. Bews. Admission 15c.

AGREED TO LEAVE.—Tommy Smith appeared before R. J. Campbell, J. P., on Monday morning, charged by Constable Chapman with vagrancy. He did time as a vagrant in the county jail last winter. The county will not have to board him this summer. The magistrate got rid of him by ordering him to leave town at once, warning him that if he did not he would get a sentence of two months in jail. Smith hit the trail in a hurry.

GARDEN PARTY—A garden party, under the auspices of Omagh Literary Society, will be held at the residence of Wm. Johnson, Sr., "Comely Bank Farm," lot 17, con. 2, N.D.S., 2 miles east of Omagh, on Friday evening, June 21st. A first-class musical programme will be given by the following well known artists: Doric Male Quartette, Toronto; Bert Harvey, comic, Toronto; Oakville Band, and Harold Rich, accompanist, Toronto. Refreshment booth on the grounds. Admission 25c., children 15c.

THE CIRCUS—Sanger's show drew a fairly large crowd on Thursday afternoon and evening and gave general satisfaction. The trapeze, slack and tight wire performances, balancing acts and tumbling were all as good as can be seen at any show. There were some good specimens of wild animals. One of them, a rather small elephant, was the cause of a shocking tragedy. After the afternoon performance the elephant's trainer, Frank Johnson, was trying to teach it some new acts. Suddenly the brute attacked the man, knocked him down and gored him with its tusks. Johnson was taken to the Toronto General Hospital, where he died next day. He had been with the Ringling show until lately. The elephant is said to be particularly vicious and treacherous and to have killed several men besides Johnson.

GARDEN PARTY—A garden party in aid of St. George's Church will be held at Geo. C. Richardson's, Lowville, on Monday evening, July 1st. The following talent will furnish the program: Miss Ruby Ling, character singer and dancer, Toronto; Will Robertson, soloist; Alderson Family, of Nelson, instrumental music; Burlington Brass and Reed Band; Miss M. Bradt, accompanist. A baseball match, Nelson vs. Lowville, will be played from 6 to 8. Refreshment booth and lunch counter on the grounds. Admission 25c. and 15c.

MILTON HEIGHTS SCHOOL—At Tuesday's meeting of the county council Messrs. C. B. Lewis, John Appleyard and Arthur Transom addressed the council in support of a petition for a union school section at Milton Heights, which was practically an appeal against the second decision of the original board of arbitrators, which was to refuse to take any action. The Warden and Mr. Hynds, chairman of the education committee, informed the deputation that, in the opinion of the county solicitor, the town of Milton should have been represented on the board, that as it was the townships of Esquesing, Nassagaweya and Trafalgar were represented, with the Public School Inspector as an ex-officio member and the County Judge added to make an odd number, in accordance with the Public School Act. Therefore the proceedings of the board were again irregular and the council could take no action. Apparently there will have to be another sitting of the original board with a representative from Milton as a member instead of the County Judge.

GARDEN PARTY—A garden party in aid of Hornby Presbyterian Church will be held at the residence of Abram Stark, lot 14, 5th line, Trafalgar, on Tuesday evening, June 25th. A first-class programme will be given by the following high class talent: J. H. Cameron, entertainer, Toronto; Howard Russell, baritone, Toronto; Miss Myrtle Sheppard, A.T.C.M., elocutionist, Brampton; Dr. Harvey Robb, accompanist, Toronto; Mr. Turner, gramophone selections. Refreshment booth on the grounds. Admission 25c., children 15.

FINED AND LOST GUN—Last Sunday Constable Chapman was notified that Italians were shooting birds on Andrew Wilson's farm, just out of town. He took several others with him, rounded up O. Zollino and A. Marrochi, members of a C. P. R. gravel gang, whose car was at the station, and took from them a double barrelled shotgun and a bag of five small birds—a meadow lark, a woodpecker, two bluebirds and a bee bird. The men appeared before R. J. Campbell, J.P., on Monday morning. Neither of them could speak English and another member of the gang acted as interpreter. The men acknowledged the offence and said they were newcomers from Italy, where it was not unlawful to shoot little birds at any season or on any day. They did not know that Canadian laws were different and had intended to eat the birds. The magistrate accepted this explanation and let them off easily, with a fine of $2 each and costs, total for the two, $12.50, warning them that a second offence would mean $20 each. The gun was confiscated and sent to R. T. ... Superintendent of ... Toronto.

Next Tuesday evening will be a beautiful moonlight night. Take a drive to Georgetown and hear the best artists in Canada at the garden party given by St. George's Church.

FOR WINTER FAIR.—The county council has granted $25 for prizes for Halton amateur exhibitors of stock at the Winter Fair, next December, on the same conditions as in former years, except that the selection of classes is left to the Warden.

Arrangements can be made now for picnics at Livingston Park at reasonable rates, for families or private parties, large or small. Apply to T. C. Livingston or E. Syer.

EQUALIZED ASSESSMENT.—The assessment was equalized at Tuesday's meeting of the county council. The amounts for the townships are the same as last year. Those for the towns and villages are, as usual, those of their actual assessments.

KNOX CHURCH.—Rev. W. J. Booth will preach next Sunday morning. Anthem, "Come Unto Me," (Cooper). Mr. Mackay will preach in the evening. Subject, "How Felix Lost His Opportunity." Evening anthem, "Go not far from Me, O God," (Lingarelli).

Anniversary services will be held in Hornby Presbyterian Church on Sunday, June 23rd. Rev. W. M. Mackay, of Milton, will preach at 11 a. m. and Rev. J. R. Watts, of Mansewood, at 7.30 p. m.

It is reported that a man caught a young partridge in the woods lately and took it home. To do so is a violation of the Game Act and, further, the young birds are sure to die. Only one man in America has succeeded in raising young partridges in captivity and the eggs were hatched by a barnyard hen at that.

METHODIST CHURCH—Next Sunday the services will be conducted by Rev. W. E. Donnelly. In the morning the subject will be, "The Sunny Philosopher." In the afternoon a temperance mass meeting will be held in the church at 2.45 and will be open to the public. Evening subject, "The Eighth Wonder." Good music. Strangers always welcome.

MUSICAL.
