

Team of the Week

Georgetown's senior rookie ball Eagles placed third overall in the province at the recent Ontario Baseball Association AA Championships in Brantford. The Eagles (born in 2004) only had one win in the first half of the season, but came together as a team to peak at the right time of the year. Georgetown is considered a B centre by population, but was playing two levels higher, in the AA division. Fourteen teams from across Ontario competed in the tournament. Georgetown lost its opening game to host Brantford, but then produced three straight wins, including two upsets against year long divisional rivals, Milton and Brampton, to make it down to the last three teams. In their fifth and final game, the Eagles lost to LaSalle, which went on to win the OBA title with an undefeated record. Team members (front, from left) are: Michael Yake, Ryder Claringbold, Troy Shelton, Ben Lee, Jacob Gill, Lawson LeBlanc. Middle row: Mat-tan Draves, Adam Wills, Nolan Barrett, Ryan Carey, Lucas Beange, Ben Markowitz. Back row: Coaches Andrew Lee, Jamie Draves, Corey LeBlanc, Jeff Shelton. Absent: Adrian Ebeling.

DENTAL HUMOUR

I was the duty dental officer at CFB Petawawa, one evening I received a call from the base hospital. A soldier had broken some teeth in a car accident. As I entered the dental clinic, an orderly wheeled the soldier in. "I understand you have some broken teeth," I said to the patient. "Are you in any pain?" "Well, not really, sir" he said as he opened his hands to reveal a set of broken dentures.

During a routine checkup, a Denturist asked his patient if he has been eating any different kinds of foods lately. The man replied that, yes his wife has learned to make a wonderful hollandaise sauce, and he's been eating it on just about everything.

"Well," the Denturist said, "I think the acidity in the sauce's lemon juice is eroding your denture plate. I'll make you a new one, but this time I'll make it out of chrome." "Chrome?" the patient asked. "Why Chrome?" "Because," the Denturist replied, everyone knows "there's no plate like chrome for the hollandaise!"

"Good grief, you've got the biggest oral cavity I have ever seen!!" the Denturist exclaimed as he examined the patient. "The biggest oral cavity I have ever seen!!" The patient snapped, "You don't need to repeat it." "I didn't" said the Denturist, "that was an echo."

COUNSELLING THE NEW HEARING AID USER

The following few tips, if followed correctly, will prolong the benefits and enjoyment of better hearing:

- Do not get the hearing aid wet
- Do not leave the instrument where it is too hot or cold
- Try not to drop the hearing aid
- Do not spray cleaning solution or hair spray on the instrument
- Keep the instrument and batteries out of the reach of small children and especially pets

If any of the above problems do occur, please don't hesitate to call.
