HAS APPENDICITIS.—On Sunday morning Wm. Hume, jun., of Nelson, was taken ill and it was found that the trouble was appendicitis. An operation was performed on Monday. There are no complications and the young man is doing well.

Hugh Campbell, issuer of marriage licenses. Office—Town Hall, Milton.

OLDEST RESIDENT OVERCOME WITH HEAT.—Last Saturday, when William Hemstreet, Main Street, was working in his garden, he was overcome by the heat and somewhat seriously affected. For twenty-four hours his speech almost completely left him and he was otherwise affected. He is slowly recovering, but at his extreme age—eighty-five years—an attack of this nature is naturally serious.—Acton Free Press.

Painting and Paper Hanging done. Also good Wall Paper for sale.—A. E. Ashby, Mill St., opposite skating rink, Milton. 51-

The Protestants of Streetsville and vicinity have been under a big obligation to John McKenna for permission to travel through the Roman Catholic cemetery in order to get to the Protestant cemetery on account of the bridge over the ravine being in a dilapidated condition. In the future people who wish to enter the Streetsville cemetery with tombstones or any other heavy load need not run all over the country looking for permission to go through the R. C. way, but just call on Jack.—Review.

Dr. Clerc, the optician, to be at Smith's drug store, July 20th to 24th, inclusive, uses in testing eyes a genuine Le Maire (Paris, France) Test Case, the most complete in the world. Great care taken in fitting children and difficult cases. See adv. on another page.

BARN BURNED.—During the heavy thunderstorm of Wednesday afternoon the barns on the Shaw farm, Bronte, owned by Henry C. Breckon were struck by lightning and burned to the ground. The fire only lasted a short time. The contents included part of this year's hay crop and some implements. The insurance was only partial and the loss will be considerable. It is also a great inconvenience to be left without any protection for crops just at this busy season.—Oakville Star.

Dr. Zimmerman, who is now established in his new office, will confine himself principally to crown and bridge work and to contour plates, replacing old dentures with non-detectable ones, and restoring to the patient the natural features of physiognomy. Office hours 2 to 5 p. m. Morning engagements made by phone, 128.

DEPARTMENTAL EXAMS.—The names of the successful candidates in the lower school examination for entrance into the Normal Schools and faculties of education were published on Tuesday. Those for Halton are: I. Anderson, H. B. Bell, B. Binnie, L. Binnie, R. E. Cole, M. I. Cooke, A. M. Graham, H. G. Hanley, L. Hardy, B. Joyce, L. T. Kellie, D. L. Knowles, F. H. Lyons, A. Macdonald, M. J. Macdonald, J. L. Moore, D. A. Nelson, F. H. Passmore, V. Standing, E. G. Stewart, M. M. Stubbs, M. A. Torrance (hon.), E. M. Watson (hon). H. G. Hanley is a Milton boy and a pupil of the continuation school.

A Supper and Irish Fair will be held on the lawn of Edward Downs, of Drumquin, in aid of Bethel Methodist Church, on Wednesday evening, July 31st. John A. Kelly, comedian and ventriloquist, Toronto; Eddie Pigott, humourist, Toronto; the Lawrie family, of Hamilton, will provide an excellent programme. Tea served from 6 to 8. Admission 25c. and 15c. Rev. W. A. Terry, chairman.

DIVISION COURT—Interesting points of law came out in a small case from Trafalgar at last Friday's sittings of Division Court here. The plaintiff claimed $8 for damages alleged to have been done in his garden by the defendant's cow and chickens. The defendant argued that there was no law forbidding him to let his cow and chickens run on the highway and that the plaintiff's fence was faulty. Judge Gorham said that it did not matter whether there was a fence or not, that evidence having been given as to the damage and defendant not denying that his stock had been on plaintiff's property, plaintiff must recover. The judgment was $3 damages, $2 for that done by the cow and $1 for that done by the chickens, and costs.

S. S. EXCURSION.—Milton Heights Sunday School has arranged for an attractive excursion next Tuesday per C.P.R. to Toronto and Hanlan's Island. The return fare from Campbellville, Christie's, Milton Heights and Milton is, adults, $1.05; children 55c. The regular train, leaving Campbellville at 7.10 a. m., Christie's 7.15, Milton Heights 7.18, and Milton at 7.23 will be used going, and a special, leaving Toronto at 8 p. m., returning. Excursionists will have ample time in the morning for sight-seeing and shopping, with a good time on the Island in the afternoon. Boat tickets can be got on train at 10 and 5c. There will be a baseball match, Toronto vs. Providence, at 3.15 p. m., which will cost extra, but there will be many fine attractions, hydro-aeroplane flights, diving horses, etc.

REMANDED.—At about 12 o'clock on Friday night a message was received at the C.P.R. station. It was stated that two men had broken into a sealed freight car between Lambton and Streetsville and that the train had left Streetsville for Milton. The operator called up Chief Constable Chapman, who found the men in the car on the arrival of the train, arrested and jailed them. They were brought before R. J. Campbell, J. P., on Saturday and, at the request of the C.P.R., remanded for a week. Both are about 20 years of age. They denied guilt and said they were on their way home to Ingersoll. The constable could not see distinctly, but thought the car was loaded with pianos. If he is right and the youths broke into the car it looks as if they did so to steal a ride, not a piano.

GARDEN PARTY.—A grand garden party will be held on the beautiful grounds of R. Aikens on Monday evening, July 29th, under auspices Ladies' Aid of Kilbride Methodist Church. Sunday, July 28th will be Ladies' Day. Rev. T. B. Todd, B. A. Freelton, will preach at 10.30 a. m. and 7.30 p. m. Special music at both services. On Monday evening, 29th, an excellent programme will be furnished by the following high class talent:—The celebrated Manchester Quartette, of Galt, consisting of F. Hetherington, Tenor, E. C. Coaling, Baritone, H. T. Hemelwood, Cantor, W. A. Wecutcheon, Basso; the Harp Duet (Gabrielle and Juliette), of Hamilton, violinists, Miss [illegible] Hughes, pianist.

R. Syme & Co. have moved all their furniture to their store opposite Martin Street.

Mr. and Mrs. S. R. Bews leave today for their annual outing on the upper lakes.

Miss May Hitchen is spending her vacation with friends in Harris, Cooksville and Alliston.

The I. O. O. F. are making arrangements to run an excursion to Niagara Falls on August 7th. Watch for bills.

Miss Edwards, of Galt, returned to her home on Tuesday after spending two weeks with her brother, Walter, King Street.

Mr. and Mrs. B. E. Harrison and two daughters left yesterday for a visit of a few weeks to relatives in New Brunswick.

APOLOGY.—Frank Hemstreet & Co. wish to take this means of apologizing to their many patrons whom they were unable to serve on Saturday last.

HIGH SCHOOL GRANTS.—The Government grants to Halton high schools for 1912 are, Oakville $835.21, Georgetown $830.23. The county will have to grant equivalent amounts.

Dr. J. G. Clerc, the optician to be at F. B. Smith's drug store, July 20th to 24th, inclusive, has practiced optical work over 30 years. His father was an optician.

Mrs. Geo. Young, formerly of Mansewood, is in town on a visit to Mrs. W. I. Dick. She has been living in Cuba for six years. Mrs. Sidney Young, Mrs. Dick's mother, is also visiting her.

Yesterday workmen raised and levelled the sunken part of the cement walk opposite S. Dice's office. The walk sank on account of having been put on a new filling and its condition was dangerous to pedestrians.

IMPROVEMENTS.—Reeve Earl has had a commodious workshop built in the rear of his stove store and tinware establishment. This is a great improvement, and we understand that there will be another, a plate glass front.

KNOX CHURCH—Rev. Dr. MacIntyre will conduct the services in Knox Church next Sabbath. Morning subject, "Whom are we to Respect?" Evening subject, "Christianity and Common Life." Good music. All are welcome.

ENLARGED STORE.—Graham's Shoe Home, Main Street, has been enlarged within the last week, to make room for its big stock of footwear. It is now eight feet longer than it was. Besides being enlarged the store has been improved.

METHODIST CHURCH—Morning subject, "The New Heredity." Evening subject, "The Voice of God." The pastor will conduct both services. Appropriate music by our excellent choir. All heartily welcome. Strangers made to feel at home

W. H. Clipperton, formerly high school assistant here and until recently teacher in Givens St. school, Toronto, has been appointed principal of one of the large schools in Winnipeg at a two thousand dollar salary.—Streetsville Review.

Misses Effie Collins, Elsie J. Lawson and Elizabeth Northwood, of Milton, passed the final examination at Normal School. So did Misses Eva Cordingley and Margaret Sullivan, Oakville, and Miss Alice Blanshard, Appleby. The list was published last Friday.

Chas. Collins was brought from jail back to Oakville on Tuesday for trial before Police Magistrate Shields for fighting with and breaking one of the legs of Thos. Jinks, hostler at Gibson's hotel, Oakville. The case was adjourned until Aug. 27th for the evidence of Jinks and Collins is out on his own bail.

The county council of Wentworth is considering a concrete roadway scheme for the county, which if carried into effect would result in the expenditure of $1,000,000 in 20 years. The plan is to build a bit of permanent roadway each year, and it is believed the capital cost could be more than met in the saving in upkeep charges.

OMAGH PRESBYTERIAN CHURCH.—The garden party last Tuesday evening, under the auspices of this church and at Henry Turner's drew a big attendance. The receipts were $240. A fine programme was given by Lawrie Bros., Milton Methodist Quartette, Miss Dent, of Hamilton, elocutionist, and the Misses Leach Orchestra, Oakville.

CARRIAGE UPSET—David Kirkwood, County Clerk of Peel, with his family and visitors, were in a carriage near Derry West on Monday evening. There were eight in it altogether. The neckyoke broke, the horses ran away, and the rig upset. All were more or less hurt. Mrs. Kirkwood, an aged lady, had her collar bone broken. Others got sprains, cuts and bruises.
