The Canadian Champion
MILTON, Sept. 5, 1912.

Citizens have again complained to the Champion that boys are in the habit of running small delivery hand wagons on the pavements, kneeling on one knee, propelling with one foot and often going fast, to the danger of pedestrians, who are forced to give them the right of way. No objection has been raised to the drawing of loaded delivery wagons on the walks, but to the speeding above described. If there is a town by-law applying to it it should be enforced. If there not, it is high time that one should be passed.

The Montreal Witness reports that the crusade in that city to disarm the foreign population has been most successful. In a raid four years ago, lasting a day and a night, no fewer than six hundred weapons were collected from seven hundred suspects and were confiscated. Last Saturday out of eight hundred persons who were forced to show up or go to the police station for refusing to empty their pockets, only five men were found to have weapons upon them. The Attorney-General will ask for stiff sentences for the five.

Rained Eighteen Days.

Toronto Globe.

Jupiter Pluvius worked overtime during August. Last month the rainfall amounted to four inches, one and a half inches more than the precipitation for the average month. But even this was not the feature of the climatic conditions of the month. According to the weatherman, the showers were not exceptionally heavy at any time. In his opinion the frequency of the showers was the main thing about the plague that was of unusual interest, for rain fell on eighteen days out of the thirty-one.

The mean temperature for the month was four degrees below the average, and, as in July, the month of August was characterized by cloud.

The generous falls of rain were due to the path followed by the low areas in their course across the continent.

Finer and warmer weather is promised for the immediate future.

Walk Into Train.

Guelph, Sept. 2—Thomas Clemes and another man, both of Acton, walked into a C. P. R. train which was crossing the road at Allan's bridge, in the heart of the city, this morning. The engine and tender had passed the crossing and the two continued walking. Clemes being hurled over to a siding and his friend knocked on his back.

When they were picked up it was found that Clemes had a piece of wood about two inches long, from the baggage car, driven through his jawbone, smashing his teeth, but was otherwise uninjured. The other man was only shaken up, immediately getting up and running away. Canadian Pacific officials have been on the watch for him all day.

The whole affair is something of a mystery, for the engine and crossing bells were ringing.

Kilbride News.

Our beautiful hill town is prospering. The fruit evaporator will be going in a few days and a blessing to the many workers. Thanks to the enterprizing proprietors, it makes a good market for fruit which otherwise would be wasted. Property is changing hands at a hundred per cent. over last year's prices, owing to the evaporator and the new railway facilities for shipping.

As for the morality of the neighbourhood and society generally, once in a while one gets a change of heart, but I can't see much difference. The inhabitants generally don't have to wrestle in prayer with bad heads and they won't lie in a horse trade nor sell you a kicking cow. We have every reason to be thankful to live in the place,

Where sparkling waters
Are bubbling up
To be quaffed and enjoyed
And not the wine cup.

Weddings.

NOBLE-BRAIN.

A quiet wedding was solemnized in St. Stephen's Church, Hornby, on Wednesday, August 28th, when Miss Hattie Brain, the third daughter of Mr. and Mrs. Theodore Brain, was united in marriage to Rev. Norman H. Noble, incumbent of Wyebridge, Ont. The ceremony was performed by the bride's brother, Rev. W. J. Brain, Rector of St. Michael's and All Angels' Church, Toronto, assisted by the Venerable Archdeacon Warren, of Toronto, and the Rev. S. Clowe Noxon, rector of the parish.

The church was prettily decorated with flowers, and the service was followed by the service of the Holy Communion, the church choir rendering appropriate music. After the ceremony was over the wedding party returned to the home of the bride's parents, where a substantial repast was served. The young couple were the recipients of many useful and handsome gifts, and all unite in wishing them every good wish for their future.

JOHNSON-JOHNSON.

On July 31st, at Central Methodist parsonage, Windsor, Florence Bertha Mabeleen (Mabel) second daughter of Mr. and Mrs. Jas. Johnson, Boyne, was quietly married to Ernest A. Johnson, of West Lorne. The ceremony was performed by Rev. F. W. Hollinrake, a former Miltonian, at two o'clock. After the ceremony the happy couple left for West Lorne, where a reception was held at the residence of the groom's parents, Mr. and Mrs. Henry Erskine. They received many useful and costly presents. Mr. and Mrs. Johnson are residing at West Lorne.

Presentation and Address.

On Monday evening a few of the members of Christ Church choir, Omagh, met at the home of their organist, Miss Ethel L. Lindsay, whose marriage to Clifford B. Beaty, who is also a member of the choir, takes place this week, and presented them with a Morris reclining rocking chair and a Morris reclining arm chair respectively, and the following address:

To Miss Ethel Lindsay and Mr. C. B. Beaty:

Dear Friends,—We, your fellow members of Christ Church choir, learning of your approaching marriage, take this opportunity of expressing to you our deep appreciation of the many valuable services you have rendered both to the church and choir. To you, Miss Lindsay, as organist, we feel deeply grateful for your untiring efforts in helping to bring our choir to its present state of efficiency. We know that you have made many personal sacrifices in attending our practices and giving the services of the choir, and we pray that God may reward you for your faithfulness. In you, Mr. Beaty, we have always found a willing helper in all church work and in singing praises to Almighty God, and by your kindly manner and courteous demeanour have won a warm place in our hearts. We therefore ask you to accept these chairs and to value them, not according to their intrinsic worth, but as a mark of the esteem in which you are held by us all. As you recline in them night after night may they ever bring to you pleasant recollections of the many happy evenings we have spent together. It is indeed pleasing to know that you intend residing in our midst, and we trust that on your return from your honeymoon you will both resume your accustomed places in the choir and that you may long be spared to assist in our church work, in which you both take such an interest, and to sing praises to our Heavenly Father. It is our earnest prayer that every day of your lives may be as bright and happy as your wedding day, when you stand in the presence of God and are made husband and wife.

Signed on behalf of the choir,
MRS. ROBT. A. BIGGAR,
Miss HAZEL FOX,
A. G. ROBINSON.

OBITUARY.

MRS. H. C. BASTEDO.

Hepzibah Chilver, widow of the late Jacob Bastedo, died on Saturday at the home of her daughter, Mrs. W. E. McCready. She was in her 91st year, but notwithstanding her great age, she was active and bright up to about seven weeks ago, when she fell in her room and hurt one of her hips. Though no bones were broken the shock was great and was the cause of her death. She was born in Needham, Suffolk, England, on Sept. 30th, 1821, and was a daughter of Joseph and Eliza Jennings Chilver. She came to Canada and Toronto in 1833. She was married in 1840 at Toronto. She and her husband came to Milton with their family on 8th October, 1867. She is survived by three sons, David H. and C. N., of Toronto, and John M., of Vancouver, B. C., and two daughters, Mrs. McCready and Miss H. E., both of Milton. There are 27 grandchildren and 17 great grandchildren. Mrs. Bastedo was a Presbyterian, a member of Knox Church 75 years. The funeral took place on Monday, interment in Evergreen Cemetery. The services were conducted by Rev. W. M. Mackay.
