The Canadian Champion
MILTON, Oct. 10, 1912

The qualified electors of Milton will vote next Monday on the Hydro-Electric by-law. Milton aspires to be a manufacturing centre. One of the first considerations with manufacturers seeking locations is power. With power added to Milton's other great advantages, among which are good railway connections, abundance of pure spring water, the best of fire protection and short distance from cities, this town's future as a manufacturing centre should be assured. Without it, towns and villages that have the power will be able to outbid us. Every citizen who has a vote should go to the polls on Monday and give it to the by-law.

THE FAIR.

Halton County Fair in Milton on Monday and Tuesday of this week was one of the best ever held in the county. The society have now one of the finest exhibition grounds in the Province outside the city of Toronto, and also one of the most convenient. With their large hall they have plenty of room for the exhibits of ladies' work, domestic, roots, vegetables, fruit and dairy, with the large poultry building and cattle sheds, and next year they will have first-class pens for sheep and hogs. In fact the directors were complimented by scores of good judges on the lay-out of the grounds generally, with their large grand stand and all conveniences.

Now as to the show proper, the gate receipts were large and away above the average. The entries in nearly all classes were large. Especially was this so in the fine arts and ladies' work in the hall. The sheep classes have not been so large for a number of years. The directors in charge of the cattle say that the exhibition there was the best for many years.

But the horse ring was what attracted the attention of the crowds. Perhaps never was there a better exhibition of horses. In the speeding contests no less than eighteen horses took part, and that part of the program was well worth any person's while to lose the day to see. In the harness classes there were some of the best teams in the province. Special mention might be made of the draught team owned by W. L. Elliott and the agricultural team of R. J. Graham. Then in the general purpose class it is safe to say that four better teams had not been seen in any show ring in Ontario this year. In fact, the judge in this class said he had been judging at different exhibitions for a great number of years, from Vancouver to Halifax, and he had seldom if ever seen as good a class of colts. In the general purpose teams he had not seen their equal, not even at Toronto Exhibition. In the class Herb. Featherstone, of Nelson, won first place, with W. N. Scott second, C. H. Cairns third, and Wm. Brownridge close after them. In the roadster class J. D. McGibbon and A. Newell showed two fine horses, and many others that the writer did not know exhibited some fine animals that could well be mentioned.

The secretary informs us that there were nearly 500 entries in one class alone that of ladies' work. On the whole the directors are to be congratulated on their success. Next year should see one of the largest shows in the province in Milton.

The boy scout competition was an interesting feature. Milton, Georgetown and Brampton competed, both the visiting contingents having very good bugle bands. The judges were Lieut.-Cols. Kerns and Ptolemy. They awarded the first prize for appearance and general efficiency to Milton, with Georgetown second and Brampton third.

The Galt Kiltie band was a great attraction and its fine music was a feature of the day.

The society wound up by a grand concert in the town hall in the evening. The programme was supplied by Mr. and Mrs. Harry MacDonald and Mr. Brazil and was first-class and free from anything vulgar or objectionable in fact we did not see anything during the whole day but the very best of order and the directors are to be congratulated on prohibiting any games of chance or roughness of any kind.

We publish part of the prize list. The remainder will appear in our issue next week.

TRIALS OF SPEED.

Green Race, half-mile.
Primrose, S. T. McClure 1 1 1

E. F. Osler's special for best herd of pure bred dairy cattle, Mount Dairy, A Stark, W B Cockburn.

T. Eaton Co.'s special, best herd dairy breed, Mount Dairy.

OBITUARY.

MRS. GARBUTT.

Another link is broken that united the past with the present, in the death of Mrs. Garbutt, widow of the late John Garbutt, which took place at the home of her son David in Nelson, town line, near Milton, on Thursday last, in the 84th year of her age. Her maiden name was Mary Husband. She was a member of a large and enterprising family that settled on a farm near where Ash station now is many years ago. Of her early life we are not fully conversant, but we have reason to believe that she spent all her years in the township of Nelson. Somewhere in the 60's she was happily married to John Garbutt, a prosperous farmer of Nelson. Three children were born of the union. While they were comparatively young death removed the husband and father, leaving Mrs. Garbutt to fight life's battles alone. This she did to the strength of Him who said, "Leave your fatherless children, I will preserve them alive, and let your widows trust in Me." Mrs. Garbutt was held in high esteem in the community on account of her sterling worth and noble Christian principles. She would make no compromise with what was wrong if she knew it. She was a consistent member of the Methodist Church and set a godly example before her children. She had been feeble for some time. We called a few weeks ago to see her; I found her somewhat flighty in imagination. Memory in regard to secular affairs was not perfect, but when we spoke of God's love for sinners and the merits of the blood of Jesus Christ, she understood it all. For several days her life hung in the balance, but on Thursday evening last the end came. Without a tremor she closed her eyes and her redeemed spirit went to God who gave it. The funeral took place on Saturday afternoon from the home of her son David, who had cared for her for a number of years. She was laid to rest beside many of her loved ones in the old Salem churchyard, to await the call of the Master. The surviving friends have the sincere sympathy of the entire community.—Com.

Hornby.

Last Sunday the Methodist Church celebrated with great pomp and devotion the Sunday School Rally. Very many thanks to the ladies who decorated the church with such an artistic taste with natural flowers. The children sang a magnificent chorus and also a solo was sung by Miss Margaret Bailey.

At night a large congregation was present to hear the address of Prof. De Gallant. Rev. Mr. Terry pronounced the benediction.

Next Sunday in the Methodist Church, of Bethel, Mr. De Gallant will address the congregation in the afternoon.

In the evening he will address the congregation of Hornby in the Methodist Church at seven o'clock. Subject, "True and Active Protestantism." Everybody welcome, especially the Orangemen.

Leslie King left last Monday to enter into the University of Toronto. We wish to the brilliant young man success.

Last week Rev. Mr. Booth was at the celebration of the golden jubilee of the church at Gobles.

Last Tuesday our teacher and Master Clobert McDowell were visiting Mr. and Mrs. E. May. They spent an agreeable evening.

On Saturday Mrs. E. May was at Toronto on business.

We regret to hear that Mrs. George Bailey died Tuesday evening at her residence, 472 Margueretta Street, Toronto. Mrs. Mason attended the funeral. Mr. and Mrs. Jas. Bailey and Mr. and Mrs. Wm. Bailey were at her death-bed.

Miss Emma Bailey has arrived from her holidays in Muskoka.

Last Sunday Prof. De Gallant was visiting Spruce Villa. He enjoyed himself immensely in such an agreeable company.

On Monday the British Parliament reassembled after the holidays.

On Monday Italy and Turkey concluded terms of peace, subject to ratification.

On Monday a British submarine was run down by the liner Amerika and fourteen of her crew drowned.

ONLY ONE WAY TO CURE RHEUMATISM

It Must Be Treated Through the Blood and the Poisonous Acid Driven Out.

The twinges and tortures of rheumatism are not due to cold, damp weather as so many persons suppose.

Rheumatism comes from poisonous acid in the blood. This is a medical truth which every sufferer should realize. There is only one way to cure rheumatism—it must be treated through the blood. All the liniments and rubbing and so-called electric treatment in the world will not cure rheumatism, and the sufferer who tries them is not only wasting money, but is allowing the trouble to become more deep-rooted in the system and harder to cure when the proper remedy is used. Dr. Williams' Pink Pills always cure rheumatism because they go right to the root of the trouble in the blood. These Pills make the new, rich blood of health, and in this way drive out the poisonous acid which causes rheumatism. Thousands of instances of cures might be given, among which is the following one. Mrs. G. R. Dulmage, Cherry, Ont., says: "I was attacked with rheumatism which gradually grew worse until I was confined to my bed. For about two weeks I had to be shifted and turned in bed, as I was utterly unable to help myself. I was under the doctor's care and so far recovered that I was able to get up and move about, but the trouble still remained in my system. If I put my hands in cold water, or if I went out in the evening or in damp weather the trouble would return, and for four years I thus suffered from rheumatism, until I began to think it could not be driven from my system. Finally I gave up all other medicine and began to use Dr. Williams' Pink Pills, and after using them for a couple of months I was completely cured and have not had a twinge of rheumatism since. I can recommend the Pills to anyone suffering from this trouble."

These Pills are sold by all medicine dealers or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

The Rifle.

Milton Horticultural Society.

The following are the awards in the above society's lawn competition for 1912:

For general appearance, including boulevards, lawns, walks, flowers, etc.—

Class 1 (Homes assessed over $2000)—1st J. S. McCannell, 2nd D. S. Robertson, 3rd Robt. Stewart.

Class 2 (Homes assessed over $1000 and up to $2000)—1st R. Ellis, 2nd Mrs. Hunter, 3rd F. Pearen.

Class 3 (Homes assessed up to $1000)—1st Thos. Wharton, 2nd Thos. Ford, 3rd, Mrs. Coulson.

For lawns and boulevards and general appearance—

Class A—J. S. McCannell.
Class B—D. S. Robertson.
Class C—Robt. Stewart.

For best flowers, including beds, boxes, hanging baskets, and plants of all kinds—

Class A—Mrs. Storey.
Class B—R. Ellis.
Class C—Thos. Wharton.

The following are the judge's comments:

In closing this report I must compliment the Milton Horticultural Society and the town of Milton generally for the number of pretty lawns and gardens it contains. The society is doing good work in carrying on this lawn competition, as it must certainly tend to stimulate and encourage all of your citizens to beautify the surroundings of their homes generally.

All of which is respectfully submitted.

WM. HUNT,
Ontario Agricultural College.
September 16th, 1912. Guelph.

Wedding.

DICKIN-DOWKES.

The home of the bride's parents, Mr. and Mrs. George Dowkes, Owen Sound, was the scene of a quiet wedding on Thursday afternoon, Sept. 26th, at 2.30, when their daughter, Elizabeth, became the bride of Wallace E. Dickin, eldest son of Mrs. W. B. Dickin. The ceremony took place in the drawing-room in the presence of only the immediate relatives of the bride and groom and was performed by Rev. F. L. Brown, pastor of Westside Methodist Church. The rooms were attractively arranged with flowers and palms. The wedding march was played by the bride's sister, Mrs. Geo. Day, as the bridal party entered. The bride, who was given away by her father, wore a tailored suit of navy blue with shot silk waist of blue, and black velvet hat with white willow plume and osprey. She carried a beautiful sheaf of white roses. The groom's gift was a handsome set of furs. Immediately after the ceremony Mr. and Mrs. Dickin left on a trip to Toronto and Port McNichol. Both bride and groom are very popular in town, as was evidenced by the large number of beautiful and useful gifts received.

A few days before the wedding the bride was presented with a beautiful cut glass water set by the members of the choir of the Westside Methodist Church. Games and music contributed to a delightful evening and the girls of the party served home-made candy. Both the bride and groom have been for some time exceedingly popular members of the Westside choir, and the lovely gift was but a small mark of the appreciation in which they are held.

Lowville.

Anniversary services will be held in Zimmerman Methodist Church next Sunday at 2 and 7 p. m. Revs. T. L. Kerruish, of Paris, and Dr. McRobbie, of Tansley, will preach. The Palermo Methodist Choir will sing at the evening service. Harvest Home Fowl Supper. Rev. A. I. Tayden, on "The Woman's Tongue," the Flummerfelt Family, Mr. Chas. Peer, Mr. and Mrs. Kaye will constitute the programme for Monday evening.

Preparations are being made for the anniversary services at Lowville Methodist Church on Sunday and Monday, Oct. 27th and 28th. The young people of the church are making preparations for a concert on the 28th. See further notice.
