Warden J. P. Griffin was in town on Tuesday, on duty at the audit of criminal justice accounts. He and County Councillors Hutcheon, Smith, Earl and Coxe took in the fair.

NOTICE—A meeting of the Directors of the Halton Agricultural Society will be held at the County Treasurer Office on Tuesday, Oct. 15th, 1912, at two o'clock p.m. A full attendance is requested. Any persons having accounts against the society are requested to send them in the secretary before the above date.—J. H. Peacock, Sec'y.

20TH HALTON RIFLES.—Lieut.-Col. W. P. Moore is about to be retired, having completed his five-year term as commanding officer of the 20th. He will be succeeded by Major Alex. Noble. Captain McDonald, of Oakville, will be promoted to the rank of major. It is proposed that the next annual drill of the corps be put in partly at company headquarters and partly here, instead of at Niagara. The idea is good. Drilling at home, the company officers should be able to recruit their companies up to full strength and to do so with bona fide residents of the county, the men who should be trained. Of late years the officers of the 20th and other rural corps have been forced to recruit for Niagara from city employment agencies, with immigrants and unemployed. The money spent on and paid to such men was simply wasted and the training a farce.

LOOK out for the Scout Magical Entertainment in the town hall on Oct. 24th. Laurant, the "man of mysteries," assisted by two others, will offer such an exhibition of magic as has never been produced in Canada. Laurant is sent out by Mr. Spence, Canadian manager of the Aida Quartette and C. Pol Plancon Co., heard at the Methodist Church, and is pronounced highly skilled. Don't miss it. 25c. & 35c.

AN EXAMPLE MADE—On account of the reports of illegal shooting between Milton and Campbellville, much of it on Sundays, R. M. Brown, local Fish and Game Inspector, engaged four assistants last Sunday. He sent three of them, Chief Constable Chapman, Calvin Fleming and John McIntosh to the mountain, on the Nelson side of creek, and went with the other to the Nassagaweya side. He found no shooting going on there, but there was plenty on the other side. A number of shots were heard, between 15 and 20, but the Chapman party could not locate the shooters until the afternoon, when they heard a shot on W. L. Elliott's property. They made for the spot and saw two men, one carrying a gun. They kept out of sight until the man with the gun fired a shot. Then they rushed in, just in time to see one of the men pick up a partridge which he had potted on the ground. The men proved to be Italians, members of a C.P.R. gang of navvies who have been at work on the track and whose boarding car is at Christie's siding. The Italians were handcuffed, the chief constable took charge of them and started for Milton, McIntosh carrying the gun and Fleming the birds. The men were lodged in jail until Monday. The Game Inspector lodged an information against them—shooting partridges out of season—before R. J. Campbell, J.P. The prisoners pleaded guilty. They were each fined $5 and $2.50 costs, which they paid. The birds were given to a sick lady, as there was no local charitable institution to which to give them as the law provides. The gun, a new one, valued at about $20, was confiscated and delivered to the Inspector, who forwarded it to the Superintendent of Game and Fisheries, Toronto.

Harvest Home Services will be held in the Bowes's Methodist Church on Sunday and Monday, Oct. 13th and 14th. The Rev. T. W. Leggott, of Streetsville, will preach at 11 a. m. and 7.30 p. m. on Sunday. On Monday evening a first class programme will be provided, consisting of Mr. John A. Kelly, ventriloquist, singer and entertainer, Toronto; Miss Doris G. Murray, elocutionist, Toronto, and the Milton Male Quartette. Tea served from 6 to 8 o'clock. Admission 35c., children 20c. W. A. Terry, pastor.

MILITARY.—On Tuesday forenoon, 8th inst., Major General W. H. Cotton, Major C. H. Mitchell and Major F. H. Deacon, of Toronto, with Major Gordon Hall, of London, Capt. R. R. Barber, of Georgetown and Capt. Bell, Toronto, drove from Milton to Mansewood, thence to Kelso and over the mountain to make plans for the annual military manoeuvers. The General and party were greatly pleased with the locality, and it was definitely decided to have this interesting event between Campbellville and Milton on Thanksgiving Day, the 28th. About 3,000 men will be engaged; the corps coming from Brantford, St. Catharines, Hamilton and Toronto. The party were guests of Inspector and Mrs. Deacon and they visited the fair in the afternoon. As the mountain and the country are unknown to the officers who will figure in the manoeuvers, engineers will be sent out to map them. The Toronto regiments will entrain early on the morning of Thanksgiving Day, and will be taken directly to Campbellville, where they will detrain, and advance to Kelso. The Hamilton and Brantford forces will detrain at Mansewood, and the two forces will advance against each other over the country lying between these places, a distance of approximately five miles. All equipment, including the artillery, will be taken along, and the battle is expected to afford the men excellent practical experience. The Royal Canadian Dragoons and members of the other permanent units will leave Toronto for the scene of the fray on the Thursday previous to Thanksgiving Day in order to make all necessary preparations. An important feature of the country in the neighborhood of Milton is the fact that there are many railway cuttings, running into the brick yards and terra cotta country from the main lines, where the special trains can be held until after the manoeuvres. It is rumored that a [illegible] will be used in connection with the manoeuvres. The de[illegible]

OLD [illegible]—Three old comrades of No. 1 Co., 20th Halton Rifles met in Milton on Tuesday. They were Col. Sergt. John Leslie, Sergt. W. J. Armstrong and Corp. Jas. Moat. They served together in the 70's. The first is now Captain and Paymaster in the 100th Regt., Winnipeg Grenadiers, the second lives at West Toronto, and the third is a pensioner of the United States regular army, in which he served from 1880 to 1905, and from which he was discharged, with the rank of sergeant, on his return from the Philippines. He now lives in Toronto. The three called together on Major Wm. Panton, who was their captain in the 20th, and a long talk on old times followed.

RUMMAGE SALE.—The W. A. of Grace Church will hold a rummage sale in the school house on Monday, 21st inst., afternoon and evening. Contributions of articles for the sale, clothing, etc., will be received at the same place in the morning. 2t

MAY COME TO MILTON.—When in town on Tuesday, John Leslie, of Winnipeg, said that he had learned lately from two of the leading furniture manufacturing companies of the United States that they intended opening branch factories in Canada. Mr. Leslie is always ready to put in a good word for his old home and he recommended Milton to both, enumerating this town's many advantages. He was told that his recommendation would be fully considered. Both companies, he says, turn out only the highest quality of furniture, nearly all of it mahogany. The Board of Trade will correspond with the companies. If it can report after next Monday that the Hydro-Electric by-law has been carried, its position will be greatly strengthened, as power is sure to be one of the chief considerations.

MUSIC—W. Francis, of Toronto, teacher of violin, viola, mandolin, guitar and banjo, will be at Hotel McGibbon, Milton, every Friday. Reference, P. Jourdan, Metropolitan Bank.

A FINE CONCERT.—We regret that we are unable to report last Monday evening's concert in the Methodist Church as fully as it deserves. Unfortunately our space is limited this week, and as, through a misunderstanding, there was no printed programme, this makes a full report difficult. Seldom do the music lovers of towns such as Milton get such a treat at home. The eminent French baritone, C. Pol Plancon, received an enthusiastic reception. Though he sang in French and Italian, except once, in response to an encore, there was no question about the appreciation of his hearers. In one case he received a double encore. Perhaps his most effective number was "The Toreador's Song," from Carmen, splendidly acted as well as sung. Not since the visits of the Bichberg Quartette and that led by Herr Jacobson, both many years ago, has Milton heard any instrumental organization to compare with the Aida Quartette. All are finished musicians and capable soloists. Miss Edna White, solo trumpeter, Miss Norma Sauter, violinist, Miss Cora Sauter, cellist and Miss Ruth Wolfe, pianiste. Miss White is said to be the only solo trumpeter of her sex in the world. It is easy to believe that there is no other to rival her. Her tone was full and sweet, her execution brilliant and her phrasing and shading perfection. The Misses Sauter's violin and cello solos delighted their hearers. So did the combined playing of the young women on their regular instruments, as well as their trumpet quartettes. Miss Marietta La Dell, entertainer, of Toronto, gave humorous selections.
