Our Bar Boats—C. W. Kell, music teacher and piano agent, Guelph, left that city on Monday morning in an auto and arrived at Milton in the evening, after covering a great deal of ground and visiting a number of places. He said he found the roads very good until he approached Milton, when they became so rough that progress was slow. This neighborhood has had little money spent or work done, so far, on the roads included in the county good roads system, while others have been getting all that has been coming to them. Our turn should come next year.
