THE AGERTON TROUBLES.—Last week the Oakville Record gave a column to a report of the Titchmarsh cases, tried before Police Magistrate Shields on the previous Saturday. Many witnesses were sworn. Frederick Dent was charged with shooting and killing a dog on Feb. 27th. The evidence did not prove that he did the shooting and the case was dismissed with costs against the complainant. Ernest Downs was charged with creating a disturbance on Jan. 27th by blowing the whistle of his traction engine and also with driving the engine after dark without lights. Case dismissed. Clarence Hall was charged with throwing bad eggs at the Titchmarsh house. Also dismissed. Later the Review says: "Police Magistrate Shields received a letter from Mr. Titchmarsh, in which he stated that he had been brutally assaulted on his way home on Saturday evening by one Howard Bradley, and that his cane had been taken from him. Mr. Titchmarsh may be eccentric and not overly popular, but there's never anything to be made by carrying malice too far." Howard Bradley's story is that Mr. Titchmarsh used abusive language to him, called him a perjurer and tried to strike him with the cane which was confiscated and used on the person of its owner.

Grace Church Choir Concert.

Mrs. Manley Pickard, soprano.
Miss Buschlen, violin.
Mr. Richard Tattersall, piano.

Chatham Planet: "Mrs. Pickard has been called the most finished and accomplished singer in Ontario. Her voice is absolutely true and pure, and possesses remarkable compass, flexibility and power. She spent the whole of last winter in New York, and there seems to be nothing left to be desired in tone and coloring of her singing. Mrs. Pickard possesses a charming personality, which no doubt adds much to the charm of listening to this talented vocalist. It would be impossible almost to say too much in praise of her perfectly trained voice."

Free Press, Winnipeg, Man.: "Miss Buschlen is undoubtedly a violinist of great promise. She has temperament and technique, a combination which do not frequently go together, some of the finest technicians having mighty little soul. Her rendering of de Beriot's "Concerto," a very difficult thing to play, was worthy of all praise and gained a hearty encore, which in Dvorak's "Humoresque" she exhibited a beautiful tone."

Grace Church.

Grace Church was beautifully decorated with lilies and other flowers for last Sunday's Easter Services, and the attendance was very large, morning and evening. Special music was well sung by the choir. There were about fifty communicants at the 11 a. m. service. Others partook of the communion at 8 a. m.

The annual vestry meeting was held on Monday evening, the Rector, Rev. Oscar F. Cooke, presiding. The Wardens' report showed a gratifying increase of income over that of the previous church year, though the latter was two weeks the longer. The date of Easter Sunday was April 7th in 1912.

Officers were elected as follows:
Rector's Warden, C. W. Martin.
People's Warden, Victor Chisholm.
Sidesman, E. J. Wilson, S. Henson, W. J. Sheppard, L. Maude, A. Drysdale, Jno. Maxted, J. T. Hannant and B. Knight.
Lay delegate to Synod, Victor Chisholm.
Auditors, J. T. Hannant and Jno. Maxted.

The meeting adjourned until next Monday evening, when the auditors' and other reports will be presented.
