The Canadian Champion
MILTON, Nov. 27, 1913.

The egg trusts in Canada and the United States have millions of eggs in cold storage and, by restricting the supply, have forced prices up to unreasonable figures. Many people are economising by dropping the use of eggs and New York and Chicago women have declared an egg boycott, to last until prices come down. Hamilton women to propose to follow their example. The idea of fighting of combines by combinations is a good one.

Last week, in reporting the accidental death of William Buck, the Champion recommended that a uniformed constable should be put on duty in Milton to restrain furious drivers and maintain good order generally. Now that a coroner's jury has made the same recommendation it is to be hoped that the expense involved will not prevent the town council from taking action. Milton is behind the times in not having such an officer regularly on duty, particularly after night.

Last week the charge was made at the fruit growers' convention at Toronto, by Robert Thompson, manager of the St. Catharines Cold Storage & Forwarding Co., that many of the wholesale jobbers of western Canada were in league to boycott Canadian, and particularly Ontario grown fruit. One of Montreal's largest wholesale fruit dealers denies a boycott. He says American apple dealers are cutting severely into the Canadian trade by their superior method of packing—packing in boxes. He explained: "Each box contains 150 well selected and carefully packed apples. They are expensive, selling up to $2.50 per box, but they are selling well. In fact, their sale is growing quickly. They come from the middle western states, via Chicago. Retailers like them, as they are more convenient to handle, are all well chosen, well packed, and have a fine appearance. Moreover, in these small boxes there is less likelihood of them rotting at least. They sell well, too, for the reason that their sale can be calculated upon by the retail buyer more exactly. Canadian growers should follow suit. The unique record and reputation of California fruit was largely built up by the principle of good selection and neat packing. The lesson should not be wasted upon Canadian apple growers."

The superiority of box over barrel packing has long been understood and efforts have been made to persuade Canadian growers to adopt the box system, but with little result. Only last week, in a local, the Champion advised apple growers to write to the Ontario Department of Agriculture for a copy of Bulletin No. 206, "Box Packing of Apples." We repeat the advice. When Ontario apple growers adopt modern methods they will be able to hold the market. Good fruit, well packed, will never be endangered by a boycott.

OBITUARIES.

Mrs. M. M. McHugh.

Mary Matilda Ford, of Omagh, widow of the late William McHugh, died on Tuesday at the General Hospital, Toronto, where she had undergone an operation. Mrs. McHugh lived in Milton some years ago, after the death of her husband. The funeral will take place today to the Pioneer Cemetery, Hornby.

Mrs. R. C. Coll

Ophia Grace Tough, wife of Reginald C. Coll, died on Tuesday morning at her home here. She had been an invalid for two years, the result of a fall from a bicycle. She was in her 23rd year. She and her husband came from Hillsdale a couple of years ago and lived on Jasper Martins farm on the 2nd con. of Esquesing, but failing a month ago, when they moved into S. E. Hamilton's house on West Main Street. Besides her husband she leaves one child, born on the Martin farm. The funeral takes place at Hillsdale today.

William Weir.

William Weir died suddenly last Sunday at his home on Pine Street. He was sitting reading at noon in a room next the dining room. He was called to dinner, but as he did not go to his sister went to see what delayed him. She found him speechless and died 2 hours later. He lived only a few minutes. He had been in poor health for some time with rheumatism and had been unable to work. For his trade, that of a marble cutter, Mr. Weir, 57 years of age, was married and lived with his brother, James, and his sisters, Misses Nellie and Hannah. Another brother, John, lives at Calgary, Alta. Mr. Weir's remains were taken to the old home on Friday for interment.

D. B. Moore.

Dan. Burns Moore died at Burns-Allen on the 8th inst., in his 78th year. He was born at Espousing on 5th October, 1836. In 1856 he walked to Morris township, where he bought a farm on which he lived until he removed to Burns-Allen eighteen years ago. In 1866 he was married to Miss Janet Bowman, daughter of the late David Bowman of Milton, who survives him with four sons and three daughters. He leaves behind him Dan. and William of Georgetown, and Richard of Toronto, and one sister, Mrs. McGowan, of Blyth. The funeral took place on Blyth on the 11th inst. Among those present were Mrs. Dowie, Mrs. D. Scott and Mrs. Pelham of Milton and Mr. Kilgour and Mrs. J. Moore of Georgetown.

YOUTHFUL APPEARANCE

An Asset To Every Woman

Gray Hairs A Source Of Discontent

Every woman wishes to look young always. Gray hairs mean the passing of youth's charm. They are the source of many a heartache to many and many a woman. But they need not be. Hay's Hair Health restores gray hair to its natural color. It is not a dye.

By its tonic qualities, by promoting a new vigorous, healthy growth of the hair, by removing dandruff, by furnishing to the scalp and the hair-roots a new life it brings back the real color and lustre of the hair.

If, after a fair trial according to directions, it fails to do this we will refund your money.

$1.00, 50c, 25c. Get it at our store.

All kinds of brick work done by L. Park, practical bricklayer, Thomas Street, Milton. 17-41.

SPARKLING EYES AND RUBY LIPS

The Birthright of Every Girl With Rich, Red Blood.

The sad eye that goes with bloodlessness is a sure sign of misery and weakness. Anaemic—that is, bloodless—girls and women have dull heavy eyes with dark lines underneath. The eyelid is pulled down, looks pale and bloodshot inside. This is not all. Anaemia works havoc all through the system; girls grow painfully weak and irritable; they are breathless and incapable of much exertion, while older women who are anaemic complain of being "never really well."

There is only one way to brighter, better health for pale, pining girls and women. That way is to invigorate the body with new blood—the rich, healthy blood that imparts strength, cleanses the system of all impurities, and restores the bright eyes and red lips of perfect health. Thousands of girls and women know that Dr. Williams' Pink Pills for Pale People make this new, rich, red blood, and so restore health and strength more surely than any other medicine known. There would not be an anaemic woman or girl in the land if those suffering from this condition would give Dr. Williams' Pink Pills a fair trial. That is why so many recommend these pills to their suffering sisters. Mrs. R. B. Keith, Steeves Settlement, N.B., says:—"At the age of 13 my daughter Sadie began to complain of constant headaches, and did not have her usual good appetite. I went to a doctor and got some medicine, but it did not help her, and finally she had to discontinue going to school. She seemed to be growing weaker every day and wanted to lie down all the time, and would continually complain of being tired. The doctor gave her another bottle of medicine, but with no better results. There was not a bit of color in her face or lips, and I was afraid she was going into a decline. A friend who was in to see her said if she was my child I would try Dr. Williams' Pink Pills, and I decided I would take the advice. In a couple of weeks we could see a difference, as her eyes looked brighter, and she would try to eat a little. When she began the pills she could not dress herself alone, but little by little her strength came back until she could go for a walk. She continued the use of the Pills several months with the result that she was again strong and active. This was over two years ago, and she has been a strong, healthy girl ever since. We have since used the pills for other purposes and find them a good family medicine."

Dr. Williams' Pink Pills are sold by all medicine dealers, or will be sent by mail at 50 cents a box or six boxes for $2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

AT REGINA, C. H. Tuck wrote on 25th inst. to say that he was about to move from Strathcarro to Regina, Sask. He reported fine, warm weather. Threshing was over and everybody working on the land or hauling grain. The greatest drawback was the scarcity of cars to carry the grain. Many people had had losses from hail, but most of them had Government insurance to cover them. There was no scarcity of money, farmers having had big crops of wheat, oats, flax, etc., and all were content with their homes. Many intended winter visits to friends in the east. Prairie chickens were more numerous than in former years.

Coll—In Milton, on Tuesday, Nov. 25th, 1913, Ophia Grace Tough, beloved wife of Reginald E. Coll, in her 23rd year.

McHugh—At the General Hospital, Toronto, on Tuesday, Nov. 25, 1913, Mary Matilda Ford, widow of the late Wm. McHugh.

Weir—In Milton, on Sunday, Nov. 23rd, 1913, William Weir, in his 58th year.

WONDERFUL VALUE.

The best dollar's worth offered to-day is a year's subscription to The Family Herald and Weekly Star of Montreal. Any home not now receiving that paper is missing a treat for every member of the family—from grandfather or father down to the youngest tot. Try it for a year and you will be convinced. The publishers will refund your money if you are not satisfied. It is certainly worth your while to try it for one year.

VENDUE OF FARM STOCK, IMPLEMENTS, ETC.—Of H. & G. McCartney, lot 5, con. 2, N.S., next lot to Boyne P. O., on Thursday, Dec. 11th, at one o'clock. George Andrew, Auct.

ONTO THE WORLD.—For the balance of this year subscribers ordering the Toronto World with the Champion and paying $3 in advance will get the World up to Jan. 1st, 1915. The same terms apply to the Sunday World, clubbing with the Champion at $2.40.

SIR WILFRID LAURIER received felicitations on his seventy-second birthday from his Majesty the King, his Royal Highness the Duke of Connaught (Governor-General), Premier Asquith, Bonar Law, Lord Strathcona and many others.

Wood's Phosphodine,

The Great English Remedy. Tones and invigorates the whole nervous system, makes new Blood in old Veins. Cures Nervous Debility, Mental and Brain Worry, Despondency, Loss of Energy, Palpitation of the Heart, Failing Memory. Price $1 per box, six for $5. One will please, six will cure. Sold by all druggists or mailed in plain pkge. on receipt of price. New pamphlet mailed free. THE WOOD MEDICINE CO., TORONTO, ONT. (Formerly Windsor.)

Dr. A. C. McClenahan, son of W. J. McClenahan, of Milton, has passed his final examination in medicine at Toronto.

ROAD ARBITRATION—Judge Monck, W. O. Sealey and Douglas Ponton, arbitrators, met at Burlington on Monday and Tuesday to consider the claim of R. C. Fowler arising from expropriation of part of his land for the deviation of the lake shore road. Witnesses were examined and an adjournment made to next Saturday. Mrs. Aspinall's claim will be considered after that of Mr. Fowler.

REGIMENT IN TROUBLE.—There is trouble in the 36th Peel Regiment. A military board of enquiry, ordered by the Government, is investigating eight charges of incompetency on the part of certain officers, illegal recruiting of men, misappropriation of county grants and maladministration in certain departments of the force. The charges have been laid by Major H. Graham, of Alliston and Captain Tom Wallace, of Woodbridge. They are the result of disagreement over the prospective appointment of a new commanding officer. The regiment may be disbanded and reorganized with new officers.

A BIG BRICK INDUSTRY.—The erection of a fine office and large stables for the Boyd Pressed Brick Co., Ltd., is being rushed on the ground of the company, a little to the west of that of the Toronto Pressed Brick & Terra Cotta Co., Ltd., and if the weather remains open the press and other buildings will go up without delay. The company is very strong financially and the industry will be a most important one. The brick shale is close to the surface, so that there will be little earth to remove. The company has bought Campbell Pollock's property, on which there is an unlimited quantity of stone. Quarries will be opened and a lime-burning plant operated on a large scale.

AGAIN REMANDED.—The boy committed for trial for the burglary of Mr. Dickinson's store at Burlington appeared again last Saturday before Deputy Judge Elliott. He had given his name as George Thompson and his place of residence as Stoney Creek, but it had appeared that nobody in that neighborhood knew him and as he could not spell Thompson correctly the name was evidently an alias. Last week Crown Attorney Dick was notified that a provincial detective had learned that the boy's real name was George Lovey and his home Beamsville. The Judge remanded him until next Saturday, warning him that if he persisted in refusing to make a full confession and to give the names of his accomplices his sentence would be the heavier.

Notice to Creditors.

In the Matter of the Estate of GEORGE BUCK, late of the Township of Trafalgar, in the County of Halton, Farmer, deceased.

Notice is hereby given pursuant to Geo. V., Chap. 36, Sec. 55, that all persons having claims against the estate of the said George Buck, who died on the 10th day of October, 1913, are required to send or deliver to Albert Austin Buck, Omagh P.O., Ontario, one of the executors of said estate, on or before the 15th day of December, A.D. 1913, the names, addresses and descriptions, and a full statement of particulars of their claims, and the nature of the security, if any, held by them, duly certified, and that after the said day the executors will proceed to distribute the assets of the deceased among the parties entitled thereto, having regard only to the claims of which they shall then have notice.

Dated 6th day of November, A.D. 1913.
