The official statements show that Dr. Nixon's election expenses were $149.67 and Mr. Fisher's $119.52.

Captain K. D. Panton, of the Army Medical Service, Vancouver, arrived here on Saturday evening to visit his parents and family on his way to Valcartier and the war and left on Sunday evening.

Hugh Campbell, issuer of marriage licenses. Office—Town Hall, Milton.

WERE THEY SPIES?—Two strangers put up at the Hotel McGibbon here for several weeks. They professed to be fruit tree agents, but appeared to make no special efforts to do business. They asked questions about public buildings, etc., and their conduct was so mysterious that they were suspected of being German spies. Finally they were told of this suspicion and they left immediately. Nothing has been heard of them since.

Just arrived, another car of first-class threshing coal.—Blain & Hannant.

A LIQUOR CASE.—On Thursday, at Georgetown, License Inspector Ferrah brought Harry Wright, landlord of the station hotel, before Magistrates Near and Holmes. The charge was selling liquor by the bottle to Albert Taylor. The evidence proved that Taylor got two bottles at the hotel for a man named McEnery. The defence was that the liquor was not sold by defendant himself. Wright was convicted and fined $40 and costs. He talked of an appeal.

Mrs. J. F. Adams, Mill St., practical and surgical nurse. Open for maternity and surgical cases. Terms moderate.

PUBLIC SCHOOL.—The public and continuation school opened on Tuesday with two new teachers, Miss Fleming, of Grimsby, as assistant in the continuation department, and Miss Oerser, who succeeds Miss Forman in one of the first book departments. The continuation school's late record at examinations has greatly increased its attendance, which was 65 yesterday, compared with 44 last term. Several pupils are to be added, making the total about 70.

BUILDING LOT FOR SALE—In Bousfield survey, lot No. 2, Court St. Easy terms. Apply to Miss Martha Bowman, Milton. 12-4t.

NO ORDER.—On 28th ult. the Department of Game and Fisheries of Ontario, acknowledged the receipt of the petition of the county council of Halton, asking that the clause of the Ontario Game and Fisheries Act protecting cottontail rabbits be suspended for twelve months and added that there was no provision in the Act under which this could be done. It was further stated that ample provision was made in the Act for the destruction of the rabbits in case they damaged trees or crops, provided that the animals were disposed of in the manner set forth.

TO HOUSE PROPRIETORS—All kinds of broken plaster, walls and ceilings repaired by A. Ross, plasterer, Milton. Residence, Commercial St. 45

FOR THE UNEMPLOYED. On account of the shutting down of some industries and reduction of working staff by others, the number of the unemployed is large in Milton in proportion to population. The situation is serious and would become more so if steps were not taken to meet it. Happily they are about to be taken, on the approved plan, that of providing work for the unemployed and thus relieving them without robbing them of their self respect by other methods. A meeting will be held at the town hall this evening at eight o'clock, at which the situation will be discussed and the necessary arrangements made.

TYPEWRITER RIBBONS.—Revilo ribbons, the best made, for Oliver Typewriters, for sale at the Champion office, price 75c. each. Underwood ribbons, 50c. each. tf

POLICE COURT.—On Thursday Wm. Walker, blacksmith, appeared before Police Magistrate Dice, on remand, and was asked to tell where he got the bottle of whiskey which had got him into trouble a week earlier. He stuck to the story that an unknown man had stepped off a train from Toronto at the C.P.R. station and had given him the bottle. The P. M. gave him the benefit of a decided doubt and remanded him until to-day on the charge of being drunk while on the prohibited list, a second offence. His fine for the first offence was $10 and costs. The second penalty is likely to be heavier, but it is likely that Walker will accept the alternative, a term in jail.

SALE OF FURNITURE—Mrs. Hall will sell be public auction at her residence, James St., on Saturday, Sept. 12th, at 1 p.m., the whole of her household furniture, etc. Everything is in first class condition and will be sold without reserve. Geo. Andrew, Auct.

A MILITANT CLERGYMAN.—It was announced from Niagara Falls on Friday that Rev. Guy B. Gordon, rector of Christ Church, in that city, had resigned his parish to go to the front with the second Canadian war contingent, but the Bishop of the diocese and the Church Wardens had refused to accept his resignation. Instead of doing so they have engaged a substitute to take Mr. Gordon's duties during his absence. The clergyman is now Captain Gordon, in command of the guards at Port Dalhousie. When a student, about ten years ago, Captain Gordon was in Milton for some months as assistant to the late Archdeacon Belt, then rector of Grace Church.

AT THE PRINCESS—Pictures Friday and Saturday evenings at the Princess will be "Conscience," a 2-reel western scene, by Buncho Film Co., "The Original Will," 1-reel drama, by Reliance, "How Flimisky Won his Sweatheart," comedy, by Thanhouser.

THE OTHER SIDE—A. B. Chisholm gives the following version of his accident on Hilliard Allan's farm on July 15th: "H. Allan was in charge, stopping to oil machine. Hearing voices, noticed soldiers passing in field; horses at same time noticed and commenced to run; Mr. Allan, unable to reach lines, jumped on near horse, tried to stop their speed; unable to do so, and being in dangerous position made a jump of eight or ten feet to clear machinery, and fell on shoulders and head, received a shaking up, but got clear of the machine. I was stooking at the opposite side of the field; hearing machine coming, thought it an unusual sound, continued at work; but noticing difference in sound looked up and saw the horses were coming straight for me; I shouted and ran to go past them, but speed was never slackened; I was knocked down by reel, table was over me, guards catching left arm and leg and was dragged upwards of one hundred yards, when the horses stopped. Had the soldiers assisted in catching runaways, which they took notice of, and their appearance undoubtedly caused, the accident would have been of a more serious nature should the horses have seen them again."

Archie McGibbon, of the Royal Bank, Havana, Cuba, is at the home of his parents here on his vacation. He says nothing remarkable happened on his voyage from the island to the continent. There were no war ship scares.

Ex-President E. F. Earl represented Milton Board of Trade and Councillor J. H. Peacock Milton Council at the Conference of Canadian Municipalities which discussed the unemployment problem at Toronto on Tuesday. They will no doubt be able to submit proposed solutions at this evening's meeting at the town hall.

INSURED VOLUNTEERS—The county council of Wentworth has insured the residents of that county who have volunteered for service until their return. The married men with families were insured for $1250 each, the married men without families for $1000 each, and single men for $500 each.

DR. MCCOLL ILL.—Mayor McColl got home on Aug. 15 from a visit to his brother in Michigan. He felt unwell, then and last Thursday he took to his bed. We are sorry to say that he has typhoid fever, but his medical attendant, Dr. Anderson, says he is holding his own and that there is no reason for alarm.

METHODIST CHURCH.—Services as usual next Sabbath. In the morning the pastor will speak on the "Relation of the Church to the Patriotic Fund and the Unemployed." In the evening he will discuss the world situation as it is to-day and what it ought to be to-day. Good music. Everybody welcome. Sabbath School at 2.30 p.m.

For particulars as to rates apply to C.P.R. Agent.

GARDEN PARTY—The garden party under the auspices of the Hornby Methodist Church, given on Jas. McDowell's lawn last Thursday evening, was perhaps the best and most successful of the season. Bert Harvey, comedian, of Toronto, the Fisher Bell-ringers, of Hamilton, and the band of the 36th Regt. gave a splendid programme. The receipts were about $200.

GOOD FOR PEEL.—On Tuesday the county council of Peel unanimously passed a by-law imposing a rate of one mill on the dollar on the equalized assessment, the money, $14,600, to go to a patriotic fund for the county. The members of the council gave their own pay for the day, $70, to the Red Cross Association. A committee was appointed to administer the patriotic fund.

MR. MCGIBBON'S CONDITION.—J. D. McGibbon has not regained consciousness since the auto accident reported in the Champion last week. He is suffering from brain concussion, recovery from which is often tedious. Dr. McPhederan, of Toronto, was here on Monday and agreed with Mr. McGibbon's physician that though the patient's condition was serious there was good reason to hope for recovery.

Rev. O. F. and Mrs. Cooke and daughters got home last week from their vacation. Last Sunday, at Grace Church, Mr. Cooke conducted a war service. There were special prayers for the soldiers, the Empire and peace, followed by an appropriate sermon. The National Anthem was sung as a recessional.
