Why do statesmen read the Weekly Sun of Toronto? Because it is a paper with a reputation that is unquestioned. It is the farmers' business paper, and is watching the farmers' interests all the time. Aside, even from its market reports, which are acknowledged to be the best in the Dominion, it is a paper of weight. It has an established personality. You should have it come to your home every week. All through the long winter nights it will furnish a wealth of interesting reading material of a thoroughly reliable character. Stuart, J.P., of Burlington, fined him $10 and costs. He retaliated by laying a charge against Mr. Heathrington before R. J. Milton Patriotic Association.

The Milton Patriotic Association was organized on August 31st, 1914 to provide for the assistance of the dependents of soldiers gone or going to the front. Funds to the amount of $892.50 were subscribed by citizens, and these with several other contributions, were used independently until after the organization by the county council of the Halton Patriotic Fund, with which Milton affiliated.

The annual meeting of the Milton organization was held at the town hall last Saturday evening, the President, Judge Elliot, in the chair.

The Treasurer, W. B. Clements, presented his report, which had been audited and found correct by Messrs. W. J. McClenahan and T. F. Little, and which was adopted.

Officers were elected as follows:
President—Judge Elliot.
Secretary—E. F. Earl.
Treasurer—W. B. Clements.
Executive Committee—T. F. Little, D. S. Robertson, Samuel Harrop, Rev. O. E. Cooke, Rev. W. M. Mackay, Rev. C. D. Draper, W. I. Dick, Root. Stewart, W. J. McClenahan, V. Chisholm, Wm. Panton, R. White, Mrs. Gorham, Mrs. L. Campbell, Mrs. F. Dewar, Miss A. Ruddy, Mrs. McClenahan.
Finance Committee—Messrs. Chisholm, Robertson and Stewart.
Auditors—Messrs. T. F. Little and W. J. McClenahan.

It was resolved that until further orders regular meetings would be held on the second and fourth Thursday evening of each month.

On account of the unfounded reports of extravagance in the administration of the funds of this and other patriotic organizations, we have been asked to publish the Auditors' report, which appears below. It will be observed that the total expenses of administration were $6.78, printing and stamps. There were no expenses allowed or paid canvassers, to say nothing of the rumored commissions.
