These will be considered by the council, but it is possible that it may be decided to repair the old structure and defer the heavy expenditure on a new one for a year or two.

ACCIDENTALLY SHOT—On Thursday Frank Green, of Burlington, aged 24, was working with his father, Thomas Green, hoeing strawberry plants. As crows were troublesome, he had his shotgun with him. On his way home in the evening he stopped to talk with a couple of friends. He was leaning on the muzzle of his gun, which was accidentally discharged. It is supposed that he kicked or touched the hammer, which was defective. He died in a few minutes.

NOTICE—The office of Dr. H. A. McClean, dentist, will be closed at 2 o'clock Saturday afternoons during the months of June, July, August and September.

PICTURES AND MUSIC.—The first of the coming series of band concerts, with moving pictures, will come off at Victoria Park next Thursday evening, the band having made arrangements with T. D. Hume for the pictures. There will be a silver collection. It is to be hoped that contributions will be liberal enough to pay the considerable expense for the pictures and leave a respectable balance for the band, which receives much less financial encouragement than it deserves. Though the band has lost the services of the musicians enlisted in the 164th Batt., their places have been filled by first class performers, imported from outside, and the program will be a good one.

Anniversary Services will be held in Hornby Presbyterian Church on Sunday, June 18th. Services conducted at 11 a.m. and 7.30 p.m. by Rev. Geo. M. Dunn, of Royce Ave. Presbyterian Church, Toronto.

A GOOD CONCERT—The choir of St. Paul's Methodist Church, Brampton, thirty-six in number, under the leadership of Harry Barron, formerly of Milton, gave a splendid concert at the Methodist Church here last Friday evening. A heavy rain caused a smaller attendance than the concert deserved, and it and bad roads gave the choir much trouble and delay on their way to Milton in motor cars, more than one of which came to grief. The concert began about an hour late. The numbers given by the choir were all exceedingly good. The "Anvil Chorus" from "Il Trovatore" particularly well sung. The soloists were, Harry Barron, baritone, Mrs. H. E. Higgins, soprano, Harry Higgins, tenor, and Jos. Harte, baritone, all fine singers. A piano solo by Miss Oborne Mullett was brilliantly played.

FOR RETURNING SOLDIERS—A meeting, called by the Mayor, and attended by a number of the citizens, was held in the council chamber at the town hall last Monday evening to considering the nature of the reception to be tendered in future to soldiers returning from the front. In view of the fact that the war has lasted longer than was at first anticipated, and that a much larger number of Milton men have gone to the front, it was deemed advisable not to tender receptions on a large scale to individual soldiers who may from time to time return home, but to wait until the war is over and then have one big suitable reception for all, and the presentations all made at the same time. A resolution to that effect was passed by the meeting, as was also another, naming the Mayor and town council a committee to meet individual soldiers as they return to town and escort them to their homes in some kind of a conveyance. A committee was also named to compile a roll of honor of those who have enlisted from here and have the same engrossed, framed and hung up in the council chamber.

Superintendent Armstrong, of the Peel-Halton house of refuge, was in town on Saturday. He says he has 44 people in his charge, the majority from Peel. During the winter he had 65, but as usual, many have gone out for the summer. He says it would be much better if this were not allowed, and it is likely that by-laws will be passed to put a stop to it.

SCHOOL FOR RURAL LEADERSHIP.—The second annual session of the summer school for rural leadership will be held at the Ontario Agricultural College, Guelph, from Monday, July 3rd, to Saturday, July 15th. Last year 57 students were enrolled. A much larger enrollment is expected for the coming school. The program covers a wide range of relevant subjects.

It is reported here that prominent Oakville men are making a strong effort to have the 164th Batt. sent from Orangeville to their town to remain there until ordered to Camp Borden. The 20th Halton Rifles camped at Oakville twice many years ago. Oakville is an ideal spot for a battalion camp. Among its many advantages is a sandy soil which absorbs rain as fast as it falls.

Save your newspapers, magazines, old books, rubbers and rubber boots and held the funds of the I.O.D.E. The committee requests that newspapers and magazines be separated and tied in packages about 1 ft. high with STRONG cord. Second collection made on Saturday afternoon, June 24.
