STILLED A STILL. Last Friday three Inland Revenue officers, the chief of whom was Mr. Flaherty, came to Milton and raided several houses, looking for illicit stills, but found nothing. They left for the Milton Heights neighborhood, where they were more successful, though they met with several disappointments. On the upper floor of Harry Hilson's dwelling they found a large and well made still in full operation, also a quantity of whiskey and mash. Hilson and his outfit were brought to Milton. Police Magistrate More came down from Acton and tried the case in the afternoon. Hilson was convicted of having and operating an illicit still. He was fined $200 and costs, $52.20. He settled at once and was released. It is said that a detective has been at work in this neighborhood, that he worked up several cases, but Hilson was the only man "caught with the goods." People comment on the fact that Fred Morley was mulcted $500 for having a small, poorly made still, with no mash or whiskey, and Hilson, with a big outfit, with mash and liquor, got off with $200.

After the hockey match, lunch at Moorehead's.

There were registered in Acton last year 54 births, 13 marriages and 27 deaths.

O. T. A. PRISONERS.—At Tuesday evening's session of the county council it was decided to memorialize Attorney General Raney with regard to prisoners confined in county jails for offences in connection with the Ontario Temperance Act. In the memorial it is set out that in many, if not most cases, the heavy fines, some of them from $800 to $1000, go wholly, if paid, to the province. In case of default the offenders go to the county jails. Sometimes the fines are paid after a month or shorter period of imprisonment and the Government reaps the full benefit without becoming responsible for the keep of such prisoners, which the petitioners regard as an imposition. It is asked that a clause be added to the Ontario Temperance Act or the Administration of Justice Expenses Act, directing the Auditor of Accounts to classify as "Government" prisoners all inmates of county jails who are serving sentences, either without the option of a fine or in default of payment of a fine, or in cases where the fine, if a fine be imposed, would be payable to the province, and that such amendment be retroactive.

HOCKEY.

Last Friday night, at Brampton, the local intermediates beat Osgoode Hall, 3 to 1, and it looked as though the lawyers' grip on the group championship might be loosened and a chance given some other contender, possibly Milton. But on Tuesday night, at the Toronto arena, the lawyers downed Brampton by the same score, reversed, and, unless something unexpected happens, settled the matter.

On Monday a Georgetown High School sextette played Milton High School seconds at Georgetown. The game was fast and clean and Georgetown made matters exceedingly interesting for Milton, who won by the narrow margin of 3 to 2. Kennedy, in goal, starred for Georgetown, and Aikins, Chisholm and Robertson did fine work for Milton. The line-up:

The line-up:—

Milton—Goal, Bundy; defense, Aitkins and Little; centre, Chisholm; wings, Robertson and Brush; subs., Peacock, McJannet and Dewar.

Georgetown—Goal, Kenney; defense, Cooke and Henderson; wings, Ford and Thompson; centre, Harris; subs., Smith and Walters.

Referee—Farlow.

THE ARENA.

Ice-making began in the Arena on Monday over a rough surface, which makes the work slower than it will be after the bottom has been properly levelled. This could not be done during winter. There will be no more O. H. A. games played at the old rink, but there will be two at the Arena, Brampton O. H. A. intermediates vs. Milton, and Brampton juniors vs. Milton. They will come off as soon as the ice is ready, but will not be the real opening, which will come off as soon as possible. There are two propositions. A hockey tournament with the three Halton O.H.A. intermediates competing, with one from outside, probably Brampton, added, is being favored as ensuring good sport and large attendance. The other is a carnival with prizes for costumes, skating races, etc.

McCurdy's Corners.

The box social held at the home of J. A. Anderson, on the evening of the 17th inst., proved a great success. The vocal and instrumental music was highly appreciated by those present. Frank Albertson, an old Trafalgar boy, but who has been absent for many years from this district, most ably assisted the local talent, which in itself is of no small order. The sale of the boxes was splendid indeed, ranging as high as $3.00. The sum realized was sufficient to defray the expenses on the piano in the Farmers' Club room. Great credit is due the ladies of the community for the tastefully arranged boxes. Several families offered their homes for an evening's social time during the winter season.

The third quarterly board meeting of the circuit will be held in Bethel Church on Tuesday afternoon, Jan. 31st, at 2 o'clock. This meeting will be very important.

Motor Cars for Branch Line Passenger Traffic.

The demand for more frequent service on branch lines where passenger traffic is not heavy is something the railways have long had to contend with. The heavy expense of running frequent trains to accommodate a limited number of passengers on branch lines has given railway men much food for thought. The Canadian National Railways, on its Brockville & Westport Division has for some time been experimenting with motor driven railway cars. Instead of the regular engine and heavy train of passenger coaches, the Canadian National Railway has adopted equipment much like a motor bus which runs on the regular railway tracks. It is operated by one man, gives a frequent service and so far appears to be extremely successful. If continued use proves satisfactory, the plan will be adopted on other branch lines of the Government Roads.

OBITUARY.

MRS. THOS. WHARTON.

Milton lost an old and respected resident last Sunday, when Catherine Howson, wife of Thomas Wharton, passed away in her 75th year. Mrs. Wharton had not been in robust health for many years, but she had a severe attack of pneumonia last spring and it left heart weakness, from which she died. Mrs. Wharton had been a member of Knox Church for many years. She is survived by her husband, four sons, George, at home, and Alonzo, Lorne and Harry, of Winnipeg, and three daughters, Mrs. James Morley, Mrs. Gordon McNabb, Milton, and Miss Effie, at home. The funeral took place yesterday, interment in Evergreen Cemetery. All three of Mrs. Wharton's sons from Winnipeg were in attendance. Rev. W. M. Mackay conducted the service. There were a great many beautiful floral pieces, a large proportion from Winnipeg.
