COMING EYE SPECIALIST.—Dr. F. E. Luke, 163 Yonge St., Toronto, Optometrist, at T. J. Brown's Drug Store, Milton, on Wednesday, Mar. 22nd. Glasses, if required, at right prices. Don't miss this chance. Satisfaction guaranteed.

FOUR SCORE YEARS—A very pleasing event took place on Tuesday evening, Mar. 7th, when the children and grand-children of Mr. and Mrs. Robert Spence, to the number of twenty-five, assembled at the parental home on Main Street, to celebrate their father's 80th birthday.—Waterdown Review.

The Ladies' Aid of Knox Church will hold their annual St. Patrick's Bazaar on Friday afternoon, March 17th, in the school-room. Sale of home-made baking, aprons, candy and ice cream. On account of the death of Mrs. James Moffat, the production of play, "The Ladies' Aid Meeting at Mohawk Corners," in the evening, has been postponed to a later date.

CAMPBELLVILLE.—Garrett & McPhail's hall was crowded Tuesday evening for the play, "The Celebrated Breach of Promise Case," a mock trial and concert. The net proceeds, for the Cargill benefit, were $117. The play was put on by local amateurs and every part splendidly taken. It was followed by a concert by local talent, assisted by Messrs. W. F. Dewar and R. E. Gollins, of Milton, whose songs and cornet solos were a treat to their hearers. The tableaux were very good. The entertainment was followed by a dance. The managers wish to thank Messrs. Dewar, Gollins and Cross and all who took part in the programme for their valuable assistance. The play will be repeated at Morriston to-morrow evening.

LECTURE—"Why Does God Permit Evil?" Why the Creator has permitted the earth to be scourged by such a multitude of divers evils for centuries, afflicting alike both the good and the bad, has long been a mystery. With the dawning of a new day a solution of this mystery has come, and it satisfies both the intellect and the heart. Hear it in this lecture by Clifford Roberts, travelling representative of the Bible Students' Association, in the Princess on Sunday, March 19th, at 3 o'clock p. m. Seats free. No collection.

EPWORTH LEAGUE BANQUET.—A banquet, the result of a contest which has been going on in the Epworth League for the past three months, was given in the schoolroom of the Methodist Church last Monday evening, and was a very enjoyable event. Over sixty young people sat down to a bountiful spread. After everyone had satisfied the cravings of the inner man the tables were cleared and Wm. Gamble was voted to the chair. A number of toasts were proposed and duly honored. The toast list comprised —"The King," "The Epworth League," proposed by Rev. Mr. Marshall and responded to by E. Wilkinson, "The Winning Side," proposed by Miss Mary Featherstone and responded to by T. A. Hutchinson. The speeches were interspersed with the following musical selections: Inst. solo, Mrs. Wilkinson; vocal solo, Miss Lillian Hartley; selections by the orchestra; vocal trio, the Misses Farlow and Smith. The programme concluded with a very funny one-act play, entitled "When Women Rule."

About a month ago Ephraim Chapman, of Nassagaweya, Halton's veteran High Constable, having been ill for some time, came to Milton, to the home of his son, W. A. Chapman, for better attention. His friends will be sorry to hear that there has been no improvement in his condition and that it is now very serious, his age, 84, being greatly against prospects for recovery.

BAZAAR AND CONCERT.—The Ladies' Aid of the Kilbride Presbyterian Church will hold a bazaar, followed by a concert, at the Community Hall, next Wednesday evening, March 22nd. A good programme has been arranged. The sale will begin at 7 p.m., and the concert at 8 p.m. Admission 25c.

SIGNS OF SPRING.—We have had about a week of springlike weather, unseasonably mild. Maple sap has been running freely. Robins have appeared, and the honk, honk of the wild goose was heard last Friday and several times since. The birds are about on their usual time. Blue-birds, which have been rare for years, were seen on the fence opposite the C. P.R. station.

HIGHWAYS—Hon. F. C. Biggs has introduced a bill in the Ontario Legislature prohibiting the running at large of stock on provincial highways, an amendment to the Provincial Highways Act providing that counties may issue debentures for five instead of three per cent. of the equalized assessment and another for the capitalization of incomes from motor license fees for road purposes.

BRAMPTON MALE CHORUS—As advertised last week the Brampton Male Chorus of thirty-nine voices (39) will give an entertainment in the Methodist Church, Thursday, Mar. 23rd, under auspices of Ladies' Aid Society. This program has been rendered twice in Brampton, also at Streetsville and at St. Anne's Church, Toronto, and on each occasion has drawn crowded houses. Do not miss this musical treat.

CANTATA.—The choir of the Methodist Church sang the Cantata "The Rolling Seasons" last Friday evening, assisted by Miss Allan, soprano, of Guelph, and Neil McPhail, tenor, Milton, to a very large audience which was delighted. The solos and choruses were all splendidly sung. Besides the cantata there was a programme of anthems, vocal solos by Mrs. Marshall and Mr. McPhail, violin solos by Miss Helen Tock, an organ solo by Mr. Wheeler and good music by the orchestra.

GORDON HOME.—The Board of Management wish to acknowledge with thanks the following donations to the Home: Clothing—Mrs. Kennedy, Mrs. Gowland, and Mrs. R. C. Nixon, of Georgetown. Sandwiches—Epworth League of Methodist Church, and I. O. D. E. Building blocks—Mrs. Sproat. Baby garments—Miss Williamson, of Georgetown. Mittens—Miss Biggar and Mrs. Moffat. Chicken—Mrs. Sinclair. Clothing and $10 in cash—W. I., Georgetown.

ANOTHER GARAGE BURGLARY.—Some time last Saturday night burglars entered Messrs. McDuffe & Ford's garage by forcing open a window opening on the alleyway between it and the Royal Building. Ten or a dozen tires were carried off (the proprietors are not sure how many they had), also chains and other accessories. The value of the tires averaged about $15. Fortunately none of the larger and more expensive were in stock. On Sunday morning all the doors were found open. There were no tracks except footmarks in the alleyway and it was plain that the thieves had carried their spoil out through the front door and deposited it in their car on Main Street, their boldness being pretty good evidence that they were armed and ready for trouble. This was the second robbery of the garage within three months and within the same time those of Thayer Hepburn and F. J. Robinson have been raided and an unsuccessful attempt made on the former. It seems certain that the thieves have a wholesale market for tires, etc., in one or more of the neighboring cities and there is a strong suspicion that there is someone in Milton who tips them off when to come here. Milton should have a well armed night watchman, following the example of Oakville. That town was raided time and again until a night watchman was put on duty. Since then it has been immune.
