Minnow Environmental Inc. is a leader in Aquatic Environmental Consulting services, conducting studies in freshwater and marine environments across Canada. We are a small firm of aquatic scientists servicing the Canadian natural resource sector with offices in Georgetown, ON and Victoria, BC. We are currently seeking someone to join our Georgetown office as an administrative/GIS staff member. The position will involve assistance with preparation of GIS-based maps, data management, the development of health and safety systems for tracking compliance and coordination of health and safety programs and reporting requirements.

The successful candidate will be able to demonstrate exceptional organizational skills, an eye for detail, experience in a variety of software applications including ArcGIS, MS Word, MS Excel, Adobe Illustrator and an interest/experience in environmental studies. Experience within an office environment and with information management is an asset. Post-secondary education is preferred.

Minnow offers a competitive compensation and benefits package and an excellent work environment.

If interested, please submit your résumé in confidence to work@minnow-environmental.com or fax to 905-873-6370 attention Human Resources.

Résumés received prior to September 30, 2013 will be considered.
