I.O.D.E. Held Annual Meeting.

The annual meeting of the John Milton Chapter, I.O.D.E., was held last Friday at the home of Mrs. Book. The Chapter has just ended a very successful year, about $1200 being raised, from which donations were sent to the Navy League, the Zenana Bible Mission, the Institute for the Blind and the fire sufferers in Northern Ontario; also $250 to the National I.O.D.E. War Memorial Fund. Five pictures were given to rooms in the public school and prizes presented for the best essay on each of these; also the usual $10 scholarship was given to the pupil taking highest marks on the entrance examination in Milton. Xmas cheer was provided for widows and children of fallen soldiers, sweaters and caps knitted and sent to citizens of our town now in hospital. $500 worth of clothing was sent to Northern fire sufferers. A fruit shower was held last Wednesday for the Gordon Home. Officers for next year are:—Honorary Regent, Mrs. J. C. Willmott; Regent, Mrs. E. E. Yates; 1st Vice-Regent, Mrs. Gowland; 2nd Vice-Regent, Mrs. J. P. Book; Secretary, Miss Blain; Treasurer, Miss Hamilton; Educational Secretary, Mrs. J. H. Peacock; Echoes Secretary, Mrs. P. Lamb; Standard Bearer, Mrs. Crawford. Councillors— Mesdames McClenahan, Jas. Marshall, W. H. Stewart, Hardy, W. B. Clements, F.C. Willmott, Sitzer and King, and Misses Dewar and Bews.

HOCKEY.

On account of the extremely cold weather last Friday evening the attendance at the Halton League game at the arena between the Georgetown and Milton intermediates drew only a moderately large attendance. The locals put on their full team, the sick players having recovered, and completely outplayed and outspeeded the visitors. Their combination was the best of the season and their back checking was great. In the second period, with the score 4 to 1 for Milton, the game ended with a row. Farlow, the fastest man on the ice, was trying to score from close in front of the net. Wiggins, failing to poke him out with his stick, struck him. Farlow retaliated with fist to jaw and there was a general mix-up. In the confusion Referee Galloway made a mistake in the identity of a Georgetown player in imposing a penalty. The visitors made this a pretext for quitting and left the ice. The line-up:

Georgetown—Goal, Wiggins; defence, Bush and Garvin; centre, Cole; wings, Arnold and Small; sub., Blackburn.

Milton—Goal, Chisholm; defence, Brush and Kentner; centre, Farlow; wings, Buck and Anderson; subs., Stewart and Telfer.

Referee—D. Galloway.

The Herald says Georgetown has protested the game. Little is likely to come of this, but if Georgetown had grounds for protest the proper thing to have done was to have finished the game under protest. To leave the ice was unfair to those who had paid to see a full game.
