Crippling Leg Ulcers

"After the way Zam-Buk saved my leg, I consider it a duty to let others know of its wonderful healing," writes Mr. Edward Bingham, of 118, Brant Avenue, Brantford. "Ulcers broke out on my right ankle after typhoid, and the limb got so terrible diseased and the pains were so intense that I was too disabled to move in any way. After using lotions, salves and ointments, without avail, I decided to see what Zam-Buk could do.

"The first application of this herbal balm relieved swelling and soreness in a surprising way and as I continued with Zam-Buk discharge ceased, and the ulcers began to be 'healthier looking' and far less painful. In a week or two, thanks to Zam-Buk, the last of the inflammation had gone and the ankle was thoroughly healed with firm new skin."

A By-law of the Municipal Corporation of the Township of Nassagaweya to authorize the issue of debentures of the said Township of Nassagaweya to the amount of $5,600, for the purpose of supplying electrical power to the Trustees of the Police Village of Campbellville.

Whereas the Trustees of the Police Village of Campbellville, situate in the Township of Nassagaweya, have requested this council to submit to a vote of the electors of the said Police Village qualified to vote thereon a by-law for borrowing money for the supply of electrical power to the said Trustees and also have requested this council to issue debentures of the township for the money borrowed and to levy and collect a special rate upon the rateable property in the village for the payment thereof.

And whereas under the provisions of the Power Commission Act of Ontario, R.S.O., 1914, Chapter 39 and amendments, and under the provisions of the Consolidated Municipal Act, 1922, this council is authorized to submit for the assent of the electors of the village and on receiving such assent to pass a by-law for the said purposes.

And whereas the whole rateable property of the said Township of Nassagaweya according to the last revised assessment roll is $1,579,080.

And whereas there is no debenture debt of the said Corporation of the Township of Nassagaweya.

And whereas this council deems it necessary and expedient to pass this by-law to raise by debentures $5,600 to meet the expenditures incurred in the installation of such supply of electrical power and which amount is the amount of the debt to be created by this by-law.

Therefore the Municipal Council of the Township of Nassagaweya enacts as follows:

1. For the purpose aforesaid the sum of $5,600 shall be borrowed on the credit of the Township of Nassagaweya at large and debentures of the said township shall be issued to the amount of $5,600 in sums of not less than $100 each. The said debentures shall be dated the 1st day of June, A.D. 1923, shall be payable in equal annual instalments of principal and interest during a period of twenty years next thereafter at the Bank of Nova Scotia, in the Village of Campbellville, and the amounts of principal and interest payable in each of the said years shall be as set out in Schedule "A" attached hereto.

2. Each of the said debentures shall be signed by the Reeve of the said Township of Nassagaweya, or by some other person authorized by by-law to sign the same, and by the Treasurer of the said township, and the Clerk of the said township shall attach thereto the corporate seal of the Corporation of the Township of Nassagaweya.

3. The said debentures shall bear interest at the rate of six per centum per annum payable yearly at the said Bank on the 1st day of June in each and every year during the currency thereof and shall have attached to them coupons for the payment of the said interest, which coupons shall be signed by the Treasurer of the said Township of Nassagaweya, whose signature may be written, stamped, lithographed or engraved.

4. During the twenty years, the currency of the said debentures, there shall be raised annually by special rate sufficient therefor on all the rateable property of the said Police Village of Campbellville the sum of $488.23 for the purpose of paying the amount due in each of the years for principal and interest in respect of the said debt as shown in Schedule "A" attached hereto.

5. This by-law shall come into force and effect on the day of A.D. 1923.

Passed in open council at the Township of Nassagaweya, in the County of Halton, this day of A.D. 1923.
