**August 1935 - September 2009**

It has been four long years since you left me here, word can't express all the tears. I still think of that day where you turned and smiled and gave me a little wave. I miss your smile and your wave, but then and there you knew it was your day. You passed on through the golden gates and left me knowing you would be in a better place. Your smile, your eyes and your presence will stay, close to my heart is where your memories lay.

I miss you and love you.  
*Your daughter, Sharon*

 Who passed away September 29th, 2007

We thought of you today,  
 But that is nothing new.

We think of you in silence,  
 We often speak your name,  
 Now all we have is memories,  
 And you picture in a frame.

Now God has you in His keeping,  
 We have you in our hearts, always.
