[illegible] will play in the park to-morrow.

Mrs. Tomlin and daughter Evelyn, of Toronto, are the guests of Mrs. Chapman, Pearl Street.

GARDEN PARTY on Mum's Church grounds, Trafalgar, on Monday, July 14th. Hear Bob Wilson.

CHANGE OF TIME—The C.N.R. evening train going south now leaves Milton at 8.10 instead of 8.13.

J. E. G. Shorey, wife and daughter, of Niagara Falls, N.Y., spent the week end with his parents on Woodward Ave.

GOLF.—The nine-hole course of the Milton Golf and Country Club is now in good shape for playing. The grass on the fairways and greens has been cut.

RESIGNED.—W. J. Breckon has resigned the Deputy Reeveship of Nelson, and Councillor H. T. Foster has also resigned, as he will be a candidate to succeed Mr. Breckon. Nominations will be made soon for the filling of both vacancies.

The coroner's jury in the case of the finding of the body of a baby under a culvert near Action found that the infant did not die from natural causes, but there was nothing to show who left the body where it was found, and this was stated in the verdict.

S. S. PICNIC.—About 500 Miltonians, children, parents, and friends, attended the union Sunday school picnic at Galt yesterday, Methodist, Anglican, and Presbyterian. They greatly enjoyed the day and all were delighted with the beautiful park, Soper's.

The W.C.T.U. invite the ladies of Milton to an out-of-door party at the home of Mrs. F. C. Willmott, on Tuesday, July 15th, from 3 to 6 p.m. Mrs. Pugsley, Provincial President, and Mrs. Caldwell, County President, will give brief addresses. Mrs. Lancefield will recite.

THE TWELFTH—Halton Orangemen will celebrate at Acton on Saturday. There will be a special C.N.R. train from Oakville via Burlington and Georgetown, leaving Milton at 10.18 a.m. and Acton at 7.25 p.m. The return fare from Milton will be $1.00. The Milton Citizens' Band will go with L.O.L. 2385.

J. W. Smith, who removed from Milton to Wingham some months ago, is in town. He says he likes Milton and was sorry to leave, but Wingham has one advantage over this town. It has a sewerage system, something without which, Mr. Smith says, no town can gain in population and business, now that its desirability is generally understood.

LAND IN DISPUTE. — On Tuesday Judge Elliot tried a County Court case arising from the purchase of a lot adjoining the Burlington Baptist Church by L. Sykes, Town Clerk. The church claims ownership of part of the lot through undisputed possession. Many witnesses were examined, and the hearing ran well into the afternoon. Judgment was reserved.

A SURPLUS.—The Milton Old Boys' Reunion was not only the great success in other respects reported last week, but after paying all the expenses, which were heavy, there will be a very respectable surplus. It would have been well worth while for our citizens to have made up a deficit, but the surplus adds to the general satisfaction. Until some accounts which have not been sent in are received the exact amount of the surplus cannot be stated, but the figures should be ready by next week.

GARDEN PARTY—Under the auspices of Christ Church, Omagh, at the home of K. H. Leriche, lot 4, 5th con., Trafalgar, on Wednesday, July 16th. The programme will be given by Dorothy Marwick Howell, soprano, Robt. McFarlan, baritone, the two "Arts" comedians, Miss Maude Beveridge, elocutionist, Miss Irene Westphall, pianist and accompanist—all high class entertainers. Refreshment booths. Admission 25c., children 15c.

ELECTED OFFICERS.—The officers of the Milton Home and School Club elected for the year 1924-25 are as follows:—President, Canon Naftel; 1st Vice-Pres., Mrs. C. W. Martin; 2nd, Vice-Pres., Mrs. W. H. Stewart; 3rd Vice-Pres. Rev. T. H. Bole; 4th Vice-Pres., Rev. W. D. McIntosh; Treasurer, Mrs. H. London; Recording-Secretary, Mrs. Thayer Hepburn; Assistant Rec.-Sec., Mrs. I. W. Lott; Executive—Jas. Mockridge, Mrs. F. Dewar, Elgin Ford, Mrs. Shorey, Mrs. C. R. Turner, and the conveners of the following committees, Entertainment, Mrs. D. Lamb, Program, Mrs H. A. McColl, Refreshment, Mrs. W.I. Dick, Finance, Mrs. E. Wilson, Membership, Mrs. N. A. Sinclair, Press, Miss Marshall.

PRIZE CATTLE.—Messrs. Campbell & Amos, of Moffat, noted breeders of shorthorns, were as successful at the Brandon, Man., show as they usually are. They were awarded the following prizes: Aged cows, 1st and grand champion on Roan Lady 28th; two-year-old heifer, 2nd on Bessie 6th; senior yearlings, 2nd; junior yearlings, 1st; senior calf, 2nd; junior calf, 1st; aged bulls, 1st and grand champion on Meadow Lawn Favorite; senior yearling, 1st on King's Guardian; junior yearling, 2nd on King's Challenge; senior calf, 1st; junior calf, 1st; aged herd, 1st; breeders' herd, get of sire and progeny of cow, 2nd. All the cattle exhibited by Campbell & Amos were bred by them and sired by Rothe's King 4th, with the exception of the grand champion cow.

The anniversary services of Boston Church were a great success. The church was filled at both services. Rev. Malcolm McArthur, of Brampton, delivered two very impressive sermons and the junior choir of St. David's Church, Campbellville, certainly did their part well. On Monday evening the garden party at J. M. Carton's was a great success. The Bob Wilson Fun Co. were at their best, also the duets given by Mr. and Mrs. Elliott were well rendered. The Bennett Bros.' orchestra, of Carlisle, filled in to perfection. The address of Rev. J. T. Strachan was much appreciated. The congregation are greatly indebted to the R. A. Lester Lighting Co., of Hamilton, (the oldest lighting company in Ontario), and also to G. H. Dawson, their agent, who so kindly had the grounds illuminated so well.

LIFE MEMBERSHIPS PRESENTED.—This year is the fiftieth anniversary of Walker Lodge, A.F. & A.M., and part of the events planned to commemorate this epoch was the presentation of life memberships to two of the oldest members. Both the happy events were carried out last week. On Wednesday evening about twenty-five of the members of the lodge went to the home of Wm. Hampshire, on the second line, and presented Mr. Hampshire with his life membership certificate. Mr. Hampshire is in his eighty-ninth year. Following the presentation an enjoyable social hour was spent at the home, and refreshments were served to the visitors. On Thursday evening a smaller delegation from the lodge gave a similar presentation to Hugh Walker, of Guelph, who is also in his eighty-ninth year. Mr. Walker was the founder of Walker Lodge, and it was from him that the lodge received its name.—Acton Free Press.

GO TO ACTON [illegible] 11:30 a.m.—W. [illegible], Milton.

CARD OF THANKS.—The amount cleared on the 4th inst. at the tournament of the Mountain Union baseball club for the benefit of an injured player was about $110. The managers of the club beg to thank all who assisted in making the tournament the success it was, the competing teams, and those who attended it.

WINNIPEG'S JUBILEE.—M. L. Griffith, formerly of Boyne, has been kind enough to send the Champion copies of the Winnipeg Free Press and Tribune, reporting the jubilee celebration in that city. It was a great one. In the papers are many illustrations of floats in the huge procession, an ancient water cart, drawn by an ox and a relic of the days when water was sold by the gallon, and driven by one of the old-time distributors, the fire-fighting equipment of 1874, which was a hand engine, also dances, physical drill, etc. Mr. Griffith is a member of the staff of the Winnipeg School for the Deaf.

FATALLY INJURED.—Bennie Goresco, an Italian farmer of Nelson, who was thrown from his rig at Freeman on June 26, died in St. Joseph's Hospital, Hamilton, during the night. According to eye-witnesses, the unfortunate man was loading baskets at the basket factory at Freeman when the horse suddenly started, throwing him out of the rig onto the pavement, striking his head against the curb. Dr. T. W. Peart was summoned and had Goresco removed to the hospital, where an operation was performed, with the hope of saving his life. Deceased had been farming near Freeman for the past three years, and was well liked in the neighborhood. He is survived by his widow and six children. The funeral took place from E. Williamson's undertaking parlors to Greenwood Cemetery on Saturday afternoon.—Burlington Gazette.

POLICE COURT—There were two sittings of police court here last Friday. At one Police Magistrate Shields sentenced Jack Armstrong to five years in Kingston penitentiary. Armstrong pleaded guilty of the burglary at Morris Saxe's creamery at Georgetown, but would not name the other members of his gang. At the other sitting Police Magistrate Barr, who had already committed for trial three of the foreigners, men, charged with the burglary of Thompson's store, committed the three woman and ordered the release of the two men who had been remanded. The three women and three men may be tried by Judge Elliot on 22nd. Pronunciation of the names of the eight somewhat troubled the Crown Attorney and Police Magistrate. The date of the trial will depend on the convenience of the counsel for the defence. Delay is expensive. The three men in jail are said by the Hamilton police to be members of a dangerous gang, one of them, Wassil Wlowski, a Russian, particularly so, he having been tried some time ago for the murder of a policeman and acquitted for want of proof, but with nobody else under suspicion. Therefore a special watch has to be maintained lest there should be any attempt at escape. The case against one of the women, Mrs. Kathleen Esknki, may fail. It is said that she is not a member of the alleged gang, and that though some of the stolen goods were found in her house, her husband, who escaped arrest, is responsible, having put them there without her knowledge.

On July 1st the flag floated in the breeze at the home of Mrs. Frank Cotter for the 57th time, in honor of Dominion Day. This flag was raised on the first Dominion Day in Canada, and has always been put up on that day ever since. The original flag is highly prized by the family and it is doubtful if there is another flag in Canada with this record.—Burlington Gazette.

HORTICULTURAL SOCIETY—The rose show of the Horticultural Society came off last Saturday and the flowers were displayed in J. M. Mackenzie's store window. They were beauties. LIGHT AND POWER.—Campbellville's Hydro-Electric power and light scheme has been hanging fire for months, as it could not be put into operation without an order from the C.P.R. for Guelph Junction. This was given about a week a week ago and installation will begin right away. At the end of last week thirty contracts for lighting had been signed by residents of Campbellville, which, with its concrete walks, electric lighting, and fine buildings, is one of the most up-to-date villages in Ontario.

O.T.A. CASE.—On Tuesday evening Fred Belinsky was brought to jail from Acton, charged with having liquor in a place other than a private dwelling, a second offence. He was committed because, when summoned on the former case, he did not appear, and a constable had to travel five miles to get him. Police Magistrate Shields will try him next Monday. His arrival increased the jail population to nine, but it was reduced to eight yesterday, when W. E. McCready, Bailiff, took Jack Armstrong to Kingston to serve his sentence of five years for the Georgetown burglary.
