... Easter Lilies and Cut Flowers. "Dales." Order now at Brown's Drug Store, Milton. 2t

MUDDY STREET.—The owner of a fine motor car, freshly cleaned, drove about twelve miles over county good roads to Milton on Monday. It remained clean until he turned the corner of Main and Brown Streets, but accumulated a good deal of mud between the corner and the court house. He was indignant. Brown Street needs attention.

The Literary Society of McCurdy's Corners will hold a meeting in the school house, on April 7, 1925. The subject for debate is, "Resolved that the automobile does more harm than good." The negative will be upheld by Miss Muriel Beatty and Miss Irene McCarron. The affirmative will be taken by Miss Irene May and Miss Lillian Leslie. There will be other program.

"Deacon Dubbs" will be in town, on Thursday, April 16. You must see him.

SERVING TIME.—On Monday Chief Constable Lee Smith brought James Lardie, aged 37, and his brother, John, aged 30, to jail, to serve fifteen days each in default of payment of fines of $15 and costs for disorderly conduct on a Burlington street. The brothers fought on the street and both their faces were somewhat damaged. They were drunk. They were sentenced by Police Magistrate Barr.

A COMEDY entitled "AND HOME CAME TED" will be given under the auspices of I.O.D.E., at the Princess Theatre, on evening of April 2nd. The Burlington String Orchestra, assisted by the Toronto Plectral Sextette, will present this play. It has been given at Burlington and Waterdown, and each time drew large crowds. Everyone who saw it pronounced it a wonderful success. The music is a treat in itself. Tickets 35c. Buy your tickets early and have your reserved seats marked. Plan at Mackenzie's drug store.

COUNTY COUNCIL.— As advertised, the county council will hold a special meeting next Tuesday, at 1 p.m., to consider By-law No. 523, granting $18,000 to the town of Oakville toward the cost of construction of the bridge in that town on the Toronto and Hamilton Highway. The debentures were sold, but Sir William Hearst, the purchasers' solicitor, refused approval because the by-law had not been submitted to a vote of the ratepayers, but he advised that, after advertising for four consecutive weeks, the council could ratify the by-law at a special meeting. This will be done. A regular meeting will follow the special at 3 p.m., and this may make that on the third Tuesday in the month unnecessary.

... Presbyterian ... Friday, ... Hours from the ... prices. ... Hours ... Pure, ripe ... make.

... will meet at the home of Mrs. B. Marks, April 7th, at 2.30 p.m. Remember the seed sale.

Mr. and Mrs. H. Maude, of Detroit, attended the funeral of Mr. Maude's grandfather, the late Jos. K. Dolby, on Monday.

On Monday Judge Elliot went to Barrie to try a County Court case there at the request of the Judge of the county of Simcoe.

Have the pleasure of meeting Deuteronomy-Jones, April 16th.

GONE TO PEN.—Deputy Sheriff McCready and John Conway started for Kingston this morning with convict Walter Heintzman.

Hornby W. I. will meet on Wednesday, April 8th, at 2.30 p.m., at the home of Mrs. R. T. Robson. Roll call—a humorous story.

POCKET PICKED.—Isaac Sanders, of Milton, had money in a pocket last Friday when he boarded a Toronto street car. When he got off he had none.

CARD OF THANKS.—Mrs. William Patterson and daughters wish to thank their friends and neighbors for the kindness and sympathy shown them in their recent bereavement, the death of Mr. Patterson.

GRADUATED—Misses Jean B. Farlow and Kathleen L. Hamilton, of Milton, got their diplomas as trained nurses on Tuesday evening at the graduating exercises of the Toronto General Hospital School for Nurses.

CORRECTION.—The late William Patterson did not reside on his Trafalgar homestead for fifty years, as stated in last week's obituary notice, but only for 38 years, and he was married 56 years ago last February.

Mr. and Mrs. William Powell, of Lowville, announce the engagement of their only daughter, Vera Irene, to Harry Percy King, son of John G. King, of Campbellville, the marriage to take place during Easter week.

AMATEUR PLAY.—The play, "The Minister's Bride," drew a large attendance to Knox Church schoolroom last Thursday evening and all were delighted with it and the manner in which it was put on by local talent.

EUCHRE.—The final game of the series between Milton and Mansewood for the C. Toletzka euchre trophy was played at the Farmers' Club on Monday evening. Mansewood won, with a majority of 99 points for the series.

Do not miss the Lecture-Entertainment in the Methodist Church on Monday evening next, at 8 o'clock. Dr. Dr. Speer's lecture on "Crawlers, Crutchers and Climbers" is fine. A good musical program will be given.

TOWNSHIP ROADS.—At a meeting to be held at the court house next Wednesday, J. H. Hawes, District Engineer of Municipal Roads, Department of Highways, will discuss matters in connection with township roads with members of the Halton township councils.

Special Easter purchase. Men's new Spring Suits at reasonable prices. For average and stout men.—Galbraith & Company.

TRAPPER FINED.—Last Sunday Geo. Buck, local fish and game inspector, caught F. Marcy trapping near Lowville and laid an information before R. J. Campbell, J.P., who heard the case yesterday evening, convicted Marcy of a violation of the Lord's Day Act, fined him $5 and ordered the confiscation of his license, traps and a muskrat skin.

J. A. Hamilton, who was principal of the High School here for two years, left last week with Miss Hamilton for Brantford, to make their home in that city. Mr. Hamilton has retired from teaching. He and Miss Hamilton will be greatly missed here. Before they left Miss Hamilton's lady friends presented her with a silver bread tray, with best wishes for health and happiness for her and her father in their new home.

HELD UP.—About 4 a.m., on Monday, Morris Michnick was held up by three masked bandits and relieved of $32, one mile north of Bronte station, while driving his truck from Hamilton to Milton. The bandits, who were all armed, overlooked Mr. Michnick's gold watch, which was in a metal case, and handed him back 20c. taken from his overcoat pockets, telling him to buy cigarettes with it. The police have no clue. Mr. Michnick can not recognize the hold-up men, as their faces were covered with handkerchiefs.
