W.C.T.U. CONVENTION.

The 29th annual convention of the Wentworth and Halton county conventions met in Milton United Church, of Canada on June 16th. Two very interesting and profitable sessions were held, presided over by the president, Mrs. Caldwell, of Georgetown, who was again re-elected. Reports were given on the various departments of Evangelism, Citizenship, Mission and Mercy, Little White Ribboners, Anti-narcotics, Law Enforcement, Medal Contest. Most of the reports showed splendid work being done and promise more effective work during the coming year.

Two very pleasing features of the afternoon session were the presentation of a Three Star of Honor pin to Mrs. R. E. Kennedy, of Acton, and the other by Mrs. Dr. Boekin, of Burlington. Mrs. Kennedy, of Acton, is the oldest active member of our union, and the other by all societies with which she was connected.

Rev. Caldwell, in her inimitable way, spoke on the subject of Evangelism and Social Service Department. Her address was very helpful to union workers, and many a hit, Teifer had to strike out three men to stop the scoring. In the fifth frame Bronte got an earned run and a single and Gillian's double. In the eighth Milton scored four runs on three hits, two passes and an error. In the ninth they put the game on ice by adding Teifer skied to B. Dorland, Chisholm doubled and McMullin was run down between third base and the plate, Elliott sing-led, scoring the last Milton run. Bronte rallied in the ninth, when W. Cuthbertson, Akins, Pedrick and Elliott each scored a run, and Akins was thrown out at the plate, ending the excitement, Umpires Brunsey, of Hamilton, was as efficient as usual.

BASEBALL.

On Saturday the local Halton league team motored to Bronte to play a game with the home team, and for two teams were out for the leadership of the league with three wins and a loss each. The boys were not over sanguine, as they were crippled, their pitcher on account of a sprained thumb, but they won, 8 to 5, thanks to Teifer's masterly pitching. They gave him every well at the bat, numerically speaking, as was to have been expected, driving the offerings of Pollock, the Bronte crack, all over the lot. Chisholm, first up in the first frame, singled, Elliott reached third on Podmore's single and scored on Pollock's wild throw in an attempt to catch him napping. Bronte evened up in the third on a pass, a hit and an error. Teifer had to strike out three men to stop the scoring in the fifth frame Bronte got an earned run and a single and Gillian's double.
