THANKSGIVING SUPPER—The annual thanksgiving supper in connection with St. Paul's United Church, Milton, will be held on Thursday evening, Nov. 5th. BAGGING POTATOES.—Dirty bags should not be used for potatoes. Bags which have contained diseased potatoes, Epsom salts, sugar, common salt, fertilizers, flour or other materials are almost sure to contain bacteria, which will cause rot. Old bags should be washed with several changes of water and then disinfected with formalin or corrosive sublimate solutions and then washed again. This means expense and loss of time. Therefore the use of clean, new sacks is advised.

THE BO'SN'S BRIDE.—The musical comedy, in two acts, will be presented by the Dramatic Club of St. Joseph's Church, Hamilton, in the Princess Theatre here on Tuesday evening, Nov. 3rd. Proceeds in aid of R. C. Church Improvement Fund. Don't miss it. Reserve Seats 50c., rush seats 35c., children 25c.

CHECKERS IN THE WEST—Two Halton players, Fred Watson and D. Lawson, of Milton, who are at Alameda, Sask., have been making things interesting there among checker players. The Alameda Dispatch reports a tournament, Dalesboro vs. Alameda, in which Mr. Lawson played a double game for Alameda. As the close of the tournament Mr. Watson played exhibition games, of which the Dispatch says: "Fred Watson, of Milton, Ont., B. champion of Canada, entertained all present with an exhibition of remarkable checker playing. Fred played three games, one blind-folded and two others simultaneously with three different and distinct players. One board was concealed from his view and he called out the moves to be made, this taking place at the same time he was playing two other players on different boards. The result was a victory for Fred, and his achievement was loudly applauded. This display of memory work and splendid playing was quite a treat to many of the old lovers of the game and places Fred in a class by himself as far as ordinary checker players are concerned. We expect to see Fred walk away with the Canadian championship when next the star players meet in Toronto. An effort is being made to arrange a match between Mr. Watson and Mr. Collins, of Winnipeg, champion of Manitoba."

Bews attended the annual meeting, last week, of the Board of Managers of the W.M.S. of the Methodist section of the United Church of Canada, and was again elected one of the Field Secretaries, having under her supervision the Indian, Italian and French work of Canada. They were Pascuale Gardini, aged 29, who left a widow and several children, and his brother, Guido, aged 26. They had gone to Guelph in the morning by train to see a brother who came form Italy lately and who is in that city. They returned by a train that arrived at Christie station at 5 p.m. and set out to walk home. Both men were instantly killed. Pascuale, who was married, has little one, aged three. Guido, who [illegible] Milton Heights [illegible] [illegible]

Sunday, Oct. 20th, was "Rally Day" for the young people. The minister preached an appropriate sermon in the morning. At the evening service a platform meeting was held, with the President of the Young People's League, Jos. Willmott, presiding, when a carefully prepared program was presented, consisting of hymns, responsive reading and addresses. Three excellent addresses were given by G. H. Pilkie, Miss Elsie Stewart and Miss Muriel Irwin, and prayer by Miss Grace Wilford. Splendid congregations were present at both services, evidencing great interest in the work of the young people. Following the Rally the choir sang splendidly the cantata, 'The Rolling Seasons,' under the able leadership of Mr. Thompson.
