Local News.

Mt. Union W. I. will meet at Mrs. A. McDuffie's on Wednesday, Mar. 24th, at 2.30 p.m. Visitors welcome.

Wm. Bell, of Campbellville, has sold his 140-acre farm in Nassagaweya to Hubert Melsaac, of Acton, and Murray Bridgman has sold his farm on the Guelph Road to Jos. Price, of Kilbride. Sales were made by M. E. Nixon.

The regular meeting of the Home and School Club will be held in the public school on Friday, Mar. 19th, at 3.30 p.m.

MEMORIAL UNVEILED.—The Herald reports the official visit of R. W. Bro. E. Y. Barraclough, D.D.G.M. of the Wellington district, A. F. & A. M. At the close of the business of the lodge a life-sized portrait of the late brother, Lieut. Edwin Leslie, who gave his life in the Great War, was unveiled.

At the Princess Theatre, April 2nd and 3rd, "The Ten Commandments," with matinee on Saturday at 3 p.m. Evenings at 8.15. All seats reserved. Plan opens at Sherman's on Thursday, March 25th.

BAZAAR.—There was a large turnout at the St. Patrick's bazaar given by the Ladies' Aid of Knox Church yesterday in the schoolhouse. Useful and fancy articles in great variety were tastefully arranged and displayed and there was a brisk demand for them, nearly all of them sold. The receipts were $325.00.

Mrs. C. M. Preston, sole representative in Milton and district of the Spirella Co., of Niagara Falls. All kinds of corsets and women's and men's silk hose, also children's hosiery. She will be pleased to give a demonstration at her home of the Spirella goods. Samples may be seen at her residence, Charles Street.

An enthusiastic meeting of the local game protection association was held in the council chamber on Saturday evening last, when about forty applications were received for pheasant egg settings for the coming season. It was stated that the pheasants had wintered well, and that the usual number of officials will be appointed to protect the birds.—Burlington Gazette.

A grand concert, under the auspices of Knox Church Ladies' Aid, will be given to-morrow (Friday) evening, in Knox Church school-room. This will be in two parts. 1st, the cantata entitled, "The White Garland," by C. G. Allan, by children of the Sunday School; 2nd, musical numbers by Miss Jessie Davidson, soprano, of Toronto, R. S. Hately, baritone, and the orchestra. Admission 25c. and 15c.

The W.C.T.U. meeting held at the home of Mrs. Bell on Tuesday of last week was well attended and proved instructive. It is thus reported by the secretary: 'The clip sheet programme again showed us the truth about Government Control. In every province where it has been tried it is a ruinous failure. Saskatchewan has by far the best of the five government control laws enacted, yet in the few months it has been in operation it has multiplied by threefold the offences against the liquor law; has quadrupled the number of breweries; has increased the prison population and has not, by any means, done away with the bootlegger. At the recent municipal elections seven of Saskatchewan's liquor districts (as they are called for government sale purposes) voted to exclude the government beer stores. Each of these districts is, approximately, 1,000 square miles in area. Would it not be a crime if Ontario should now adopt this discredited system?

John McGill has been visiting Milton for some time past. He has bought a little land near Inglewood and lives on it.

Mrs. Cyril Tees has returned to Detroit, after attending the funeral of her grandmother, the late Mrs. E. Cove, of Milton.

See "The Ten Commandments," the mightiest spectacle of all ages, at the Princess Theatre, Friday and Saturday, April 2nd and 3rd.

Rev. A. Brierley Brown, curate of St. George's Church, Guelph, will assume the duties of curate in St. James's Cathedral, Toronto, on May 1st.

STOLE GOOSE.—At Harry Wells's sale on the base line on Tuesday, a goose was stolen. The party who took it is known and is advised to return it at once, and save trouble.

Romaine L. Taylor, who for the past three years has been the editor and published of The Oakville Record, left on Monday for Niagara Falls, Ont., where he will conduct a job office, to be known as the Niagara Falls Press.—Record.

COMING—Dr. F. E. Luke, Optometrist, 167 Yonge St., Toronto, at Miss Grace Reid's, opposite United Church, Milton, Tuesday, Mar. 30th. Glasses if required at right prices. 2t

Rev. W. T. Cranston, of St. Paul's Presbyterian Church, Tansley, and Knox Church, Sixteen, has accepted a call to the Presbyterian Churches at Tottenham and Beeton. The salary is $2200, with a free manse and four weeks' holidays.

The young people of Lowville United Church will give their play, entitled "The Old-Fashioned Mother," in Zimmerman Church, on Monday evening, Mar. 22th. Refreshments will be served. Admission 35c. and 20c.

Mr. and Mrs. Albert L. Patterson, Milton, announce the engagement of their daughter, Edith Livingstone, to Mr. Lawrence Fawcett Sharpe, son of Mr. and Mrs. Samuel Sharpe, Campbellville, the wedding to take place early in April.

NOTICE—Having sold my Ford business to Virtue Motor Co., I wish to thank my customers for their valued patronage, and I can assure you that you will continue to receive the best of service.—Milton Motors, A. D. Sproat.

CAMPBELLVILLE—A full house greeted the production of the three-act comedy, "The Colonel's Maid," by St. David's Church choir, at Garrett's hall, Campbellville, yesterday evening. The play is one of the best and funniest, every part was well taken and all who heard it were charmed.

"The Arrival of Kitty" will be reproduced by members of St. John's Church, Nassagaweya, in Garrett's hall, Campbellville, on Easter Monday, April 7th, also at the Community hall, Kilbride, on Wednesday, April 14th. Prices 35c. and 20c. Watch for further notice.

SCHOOL FEES.—A motion providing for the increase of the fees paid by nonresident public school pupils from $1.00, the present fee, to $3.50 per month brought about a hot discussion at a meeting of the Oakville Board of Education. Further consideration was laid over till next meeting.

The play, entitled "The Colonel's Maid," which proved such a success at Campbellville on Wednesday evening, will be presented again by the choir of St. David's Church, Campbellville, at Kilbride Community Hall, on Friday, Mar. 26th, in aid of the Ladies' Aid of Kilbride United Church. The play is a very humorous one. If you enjoy a good laugh, do not miss it. Admission 35c. and 20c.

APPEAL DISMISSED.—In December last Luigi Bracci, who lives in a brick house on the Toronto-Hamilton highway, close to the Bronte athletic grounds, was convicted by Police Magistrate Shields, under the O.T.A., of selling sealed whisky, not moonshine. He was fined $500, with $50.35 costs with a month in jail and six months additional in default of payment. He appealed against the conviction. Judge Elliot heard the appeal on Monday. He dismissed it and Bracci was taken into the cells. Counsel for appellant, S. F. Washington, K.C., and C. R. Bowlby, of Hamilton. Contra, Crown Attorney Dick. It is reported that Bracci will pay his fine and costs after he has put in the peremptory month in jail and get his release.

MILTON HORTICULTUBAL SOCIETY.—The Society is desirous of building up its membership and, as will be seen, the options given each member at $1 each are very attractive indeed, far exceeding what you can buy for the same money from any other source. The roses supplied this year will come packed separately in moss and each one distinctly labeled. Be a booster and help to beautify your home and town. Anyone outside the town will receive the same consideration, and anyone wishing to take advantage of this opportunity can be supplied by phoning the President, F. Pearen, or Mrs. W. J. McClenahan. Don't forget the horticultural banquet. Anyone welcome. The banquet will be held in the town hall on the 13th of April. Hon. J. S. Martin will be one of the speakers.

SPECIAL OPTICAL OFFER—High grade gold-filled Spectacles and Eye Glasses with best flat spherical lenses for only $4.00. All other styles of frames and lenses at lowest prices. Eyes examined by our well-known specialist, Mr. Hughson, formerly optical expert for Kent's, Toronto, and H. Morgan & Co., Montreal. You are assured of the best optical work to be obtained and at moderate prices. One day only, Friday, April 2nd, from 9 a.m. to 5 p.m. Come early.—H. L. Sherman's Studio, Milton.

BROOM BALL.—The broom ball and girls' hockey match at the Arena on Tuesday evening drew a big attendance and there was no end of fun, with lots of excitement. In the hockey match the town all-star team defeated the High School 4 to 2. Miss Dorothy Roffey was the the star, a whole team in herself. For the broomball match the officials were in great form. Director General Eddie Syer, resplendent in a frock coat, and a silk topper hat, with a huge buttonhole bouquet of Ophelia roses, timekeeper A. L. Chambers was on the job equipped with a grandfather's clock, the surgeon, Dr. Luke Graham, looked highly professional with his equipment of murderous instruments and first aid dressings. Fredrick Mills, the Red Cross nurse, looked sympathetic and interesting, but a trifle flirtatious, the special constables, Davie Menzies and Stan Buck were quite imposing in their uniforms and, in fact, all the officials were all that could be desired in appearance and efficiency. The doctors downed the all-stars, one goal to a cypher, in a hot and strenuous game, with lots of penalties. Some of the delinquents did not take kindly to the decisions of the referee, H. G. McClelland. Jimmie Blain, goal-keeper for the all-stars, was inclined to start a free-for-all, but showed the white feather and bolted when Constable Menzies tackled him. After a thrilling chase, the full length of the Arena, Davie collared him, he put a quiet jacket on him and let off with a warning, promising not to be very rough. The massing of the chase was worth the price of admission, and the fun made a big Saturday night.

KNOX CHURCH.

Another very intereresting meeting of the Y.P.S. was held Monday evening. The committee in charge was particularly fortunate in securing Rev. Dr. McGillivray, of Guelph, who gave a most enjoyable and instructive address on the life of John Knox, whose activities in connection with the Reformation in Scotland are so prominent in church history. Other numbers on the program were vocal solos by Miss Aileen Hilyer and Chas. Hately, both being exceptionally well rendered and making delightful variation in the evening's entertainment. The orchestra also added its usual quota to the program. The business part of the meeting was the nomination of officers and conveners of committees for next year. Voting to take place at the meeting on March 29th.

Next meeting on 22nd inst. is in charge of the Literary Committee and as something out of the ordinary is promised in the way of entertainment, it is hoped another large audience will be present. Only two more meetings before closing for the season.

Our Sunday School and Bible Class are gradually claiming increased interest, and a substantial addition of new books to the library is being much appreciated.

The Ladies' Aid held their annual bazaar yesterday afternoon and proved a huge success, as usual. The weather was all that could be desired.

St. Paul's United Church Notes.

The first meeting of the "Brotherhood," held last Thursday evening was a very enjoyable affair. A splendid gathering of men greeted the President, T. A. Hutchinson, who presided. Rev. J. H. Graham, B.A., Chairman of the Presbytery, was the speaker, who delighted and encouraged his audience by his appropriate remarks on Brotherhood. Judge Elliot addressed the meeting on Sunday.

The Young People's League on Monday evening was presided over by Miss Wilford. Misses Allan and Anderson gave readings explaining phases of the missionary work in Japan, and Miss Linklater gave a very interesting address on the work of our missionaries in that country. Pleasing music was given by Miss Tight and Miss Laureen Galbraith. The Young People are pleased to report their total offerings to the Maintenance and Extension Fund is $310.00, a very creditable showing for the year.

Sunday Services—11 a.m., subject, "The Kingdom of Our Father." Church School at 12 o'clock. 7 p.m. "The Doctrine of Safety First."

The Y. P. L. next Monday. Third session of the Mock Parliament. Second reading of former bills. Two new bills will be introduced. The "Barbers' Tariff," introduced by Hon. Mary Stewart and Rt. Hon. Gordon MacNaith, opposed by Hon. Mark and E. Smith. Bill to reduce taxation will be introduced by Miss Jean Allen and Hon. Mr. T. Whale, and opposed by Hon. Miss Tight and Miss Fletcher. Visitors welcome to sessions in Parliament.

Rheumatic Pains Go Swollen Joints Vanish.

Thousands of sufferers have freed themselves from the bondage of rheumatism; rid themselves of the torturing pain; reduced the swollen joints; thrown away canes and crutches, and from helpless beings become able to work and be of use to themselves and their families.

They took Rheuma, the modern enemy of rheumatism, lumbago, sciatica, arthritis, and chronic neuralgia.

Don't be skeptical about Rheuma. You will know in a few hours after beginning the treatment that the poisonous waste matter is leaving your system through the natural channels. You will feel better in a day; you will know you are going to be helped in less than a week.

There is no guess work about Rheuma bringing you back to health. That's why J. M. Mackenzie and druggists everywhere sell it with guarantee of money back if it does not give quick relief.

CURLING.

The elimination games in the doubles competition for the Panton Shield and consolation, with individual prizes for the winners and runners-up, ended on Monday evening. Each man played two pairs of stones. The following are the scores in the finals:

Panton Shield.

K. Agnew	S. Adams
Joe Willmott...13	J.J.Peacock.... 6

Consolation.

C. T. Pilkey	R. W. Fox
D.S. Robertson..14	J. F. Little..... 5

The curling season here may be said to have ended with the finals in the doubles. There may be a little more sport, but soft ice will be the rule until spring sets in. The doubles were not played here until this winter. They proved to be perhaps as interesting as the scheduled inter-rink games and they gave the newer players valuable experience and insight.
