Local News.

Business locals and personal mention of citizens in the town, 5 cents per line. Special rate under this heading: 10 words or less for 25c.

Call at McNabb's Shoe Store and see the wonderful bargains offered following the purchase of the stock of Graham's Shoe Home at a low rate on the dollar.

F. E. Spence, formerly of Nelson, was in town on Tuesday. He has sold his large dairy farm near Barrie and has removed to Grimsby East, where he has bought another farm.

NOTICE.—Having sold my shoe business, all accounts are now payable at the Canadian Bank of Commerce, Milton. In order to close my books all outstanding accounts MUST be settled AT ONCE.—E. B. Graham, Milton.

CAPITULAR MASONRY.—V. E. Comp. S. R. Bews, Ex. Comps. R. B. Galbraith, Geo. Galbraith and J. E. Bell, and Comp. W. T. Dales represented St. Clair Chapter at a large gathering of Royal Arch Masons at the Scottish Rite Cathedral, Hamilton, on Monday evening.

SPECIAL TOBACCO SALE FOR SATURDAY AND MONDAY ONLY.—Senator Tobacco, 15c. pkg., 2 for 25c.; 25c. pkg., 2 for 45c.; ½ lb. tin, 85c. With each purchase of Smoking Tobacco we will give two pipe cleaners free.—Toletzka's Tobacco Store, Milton.

SERVICES RESUMED.—As reported last week the only wire connection open from Milton following last Wednesday's ice storm was by telegraph to Hamilton. The C.P.R. got its first message through to Toronto on Monday evening, with much of its wiring still on the ground. Every telegraph pole from a little west of Hornby station to about half a mile to the east was down, as were many more further east. There was no communication by telephone between Milton and Toronto until yesterday morning. There is none now with many places within the county and elsewhere.

GRACE CHURCH.—The appearance of this beautiful church was much enriched on Easter Day by the addition of some very handsome hangings of French silk velour, a new brocaded altar frontal and hangings for the pulpit and reading desk, all being the work and gifts of the Chancel Guild. The services also were of a very gratifying nature to all concerned, the congregations, the offerings, and number of communicants being the largest in the history of the parish. The musical part of the service deserves special mention, as it reflects great credit on the work of the choir and the painstaking work of leader and organist. It is the aim of the management to make all feel that this church is a real spiritual home and has a warm welcome for everyone.

HORTICULTURAL BANQUET.—The Milton Horticultural Society has made arrangements for a banquet in the town hall on Tuesday evening, 13th inst., to be followed by a programme. There will be addresses by Hon. J. S. Martin, Minister of Agriculture, Rev. G. W. Tebbs, of Burlington, subject "The Garden Beautiful," R. R. Fleming, Agricultural Representative, Judge Elliot, Dr. R. K. Anderson, M. P., Geo. Hillmer, M.L.A., John Irving, Mayor, Jas. W. Blain, Warden, Rev. J. N. McFaul, Canon Naftel, E. F. Earl and J. M. Denyes. There will be selections by the Milton Orchestra, vocal solos by Rev. N. A. Hurlbut and R. E. Gollins and community singing. Tickets 50c., for sale by Wilson & Willmott, J. M. Mackenzie, Syer & Co., and T. J. Brown.

Mrs. J. M. Featherstone, of London, is visiting her parents, Mr. and Mrs. R. W. Pitt, Martin St.

Having spent the Easter vacation at home, Dr. R. K. Anderson, M.P., left for Ottawa on Monday.

W. S. Beaty, of Omagh, underwent an operation for appendicitis at Guelph General Hospital yesterday.

His excellency the Governor General has appointed, by royal proclamation, the days, April 18 to 24, inclusive, as Save-the-Forest-Week.

The Hornby W. I. will meet at the home of Mrs. J. E. Wilson, on Wednesday, April 14th, at 2 30. Roll call—The best remedy for a burn.

The bargain sale of the complete stock of Graham's Shoe Home is now in full progress at McNabb's Shoe Store. See the goods, with price tags attached.

CARD OF THANKS.—The relatives of the late F. W. Maxted, of Milton, wish to thank the friends who were so kind to them in their bereavement, the death of Mr. Maxted.

Miss Ida Clarke, of Nanaimo, B.C., visited Mr. and Mrs. S. R. Bews last week. For nearly thirty-five years Miss Clarke has worked among the Indians in B.C. as a missionary, with great success. She is very hopeful for the future of the Indian.

"The Arrival of Kitty," the 4-act comedy, will be presented by members of St. John's Church, Nassagaweya, in the Community Hall, Kilbride, on Wednesday, April 14th, in aid of St. George's Church, Lowville. Admission 35c. and 20c. Doors open at 7.30, performance at 8 o'clock.

COUNTY AUDIT.—Two members of the firm of R. E. Young & Co., chartered accountants, of Toronto, County Auditors, have been at work in the Treasurer's office since Tuesday morning. Their report may be presented to the county council at its meeting on Tuesday, 20th inst.

A meeting will be held at the Farmers' Club Room, Milton, on Friday, April 9th, 3 p.m., to organize the Holstein Breeders' Association. Speakers will be Mr. G. T. Houck, Chippawa, and Mr. R. M. Holtby, Port Perry. All those interested kindly attend.

PRESENTATION.—Rev. W. T. Cranston, preached his farewell sermon in St. Paul's Presbyterian Church, Nelson, last Sunday, having accepted a call to Tottenham. After the service he was presented with a well filled purse and an address, from the congregation. The Sunday School gave Miss Mary Cranston a handsome lamp.

KILLED BY TRAIN.—Tinkler Bros., who live on the mountain, in Nelson, went to Milton Heights on Monday to buy groceries. When they went into the store they left their draft team standing in front of it. The horses were frightened by the approach of the eastbound C.P.R. train, due in Milton at 3.48 p.m., ran away and got on the track just ahead of it. Both were killed and the wagon smashed.

"THE FINGER OF SCORN"—This four-act drama was to have been produced in Milton about six weeks ago by the Young Men's Club of St. Luke's Church, Burlington, under the auspices of the Milton fire brigade, but a snow blockade compelled a postponement. It will be presented next Thursday evening, April 15th, at the Princess Theatre. The play is one of the best and the club has made a great hit with it at Burlington. It should draw a big house here. Admission 35c.

DR. PETER STUART LEFT $224,604—Judgment was reserved by Mr. Justice Grant at Osgoode Hall on application for interpretation of the will of Dr. Peter Stuart, of Guelph, by which an estate of $224,804 was disposed of. Dr. Stuart left ten thousand dollars to an adopted daughter. The residuary estate went to the widow after provision of maintenance of a year-old daughter, to whom the residuary was to go at the age of twenty-one. In a codicil Dr. Stuart declared the estate was to go to four charities if no children survived him.

CAMPING ON THE LINE—The other day one of our women took down the receiver of the telephone and discovered that the line was in use. "I just put on a pan of beans for dinner," she heard the woman complacently informing another. She hung up the receiver and waited for the conversation to end. Trying again she found the woman still talking. The third time she tried and still they were talking, and then becoming exasperated she broke into the conversation, "Madam, I smell your beans burning," she announced crisply. A horrified scream greeted the remark, and the young woman was able to put in her call.—Georgetown Herald.

BELL TELEPHONE OPERATIONS—After being in Milton since last December, a party of eight Bell Telephone linemen, in charge of N. W. Byers, formerly of Orangeville, left for Toronto last Thursday. They had been at work in all directions from the town, as well as in it, making repairs and additions, one of which was a new line to Bronte for the long distance service, which formerly went via Georgetown. The order to go to Toronto had been issued before last Wednesday's destructive storm, which smashed poles and lines all over the county. The party came back on Monday, its strength increased to seventeen, to make temporary repairs.

ACCIDENTALLY SHOT—On Thursday morning, 1st inst., W. G. Patterson, aged 43, manager of the East London branch of the Bank of Toronto, was found dead with a bullet through his right temple and a revolver beside him in his office when subordinates reported for duty. Mr. Patterson, who went to London nine years ago, was formerly stationed at Dorchester and Millbrook, also in Milton for a few months. His widow and two children survive. "Our information is that the death of Manager Patterson was purely accidental," said James A. Woods, Chief Inspector of the Bank of Toronto. Mr. Patterson stood high in the service of the bank, he said, and the news of his tragic death was a great shock to the head office. The Chief Inspector stated that Mr. Patterson was one of the best known bankers in the east side of London, and was generally respected by the customers of the bank.

CAR STOLEN.—Cecil McCann, of Omagh, came to town yesterday evening to attend the Junior Farmers' and Women's Institute's dance at the I. O. O. F. hall. He parked his McLaughlin car in front of A. Duff's barber shop. About 1 a.m. Richard McDuffe saw it leaving with two men in it. He could not head it off, but he suspected that it was being stolen by two young men, one tall and the other short, whom he and others had seen hanging around Main Street and acting suspiciously. He at once gave the alarm and four or five cars gave chase, going in different directions. None of them caught up with the car, but it was brought to town by three young men who took several Campbellville young ladies home. They met the car on the long hill opposite L. W. Chisholm's farm. The snow was so deep and the banks so narrow that the cars could not pass. Seeing this the two men in the stolen car bolted through the fields in the direction of the lime kilns. One was tall and the other short. It is believed that they live near by Burlington and that they took the car to Burlington and escaped.

KNOX CHURCH.

Easter Sunday services were more than usually enjoyable and satisfactory. The floral decorations, with Easter Lillies in abundance, were exceedingly attractive, the choir music very appropriate and well rendered, Mr. R. S. Hately contributing a fine solo at the morning service. In the evening a male quartette made an added attraction. Two fine sermons were given by the Rev. Mr. McFaul, the subjects being well chosen for the occasion and thoroughly appreciated by the large congregations present.

Although our Young People's Society is discontinuing the weekly meetings for the summer months, the interest is still active and we are looking forward to an even greater success next season.

St. Paul's United Church Notes.

The meeting of the Y. P. L. on Monday evening, April 4th, was in charge of the Christian Endeavor Committee. The meeting opened with a hymn and prayer followed by the Scripture Lesson read by Miss Lucas. The following Easter programme was given:—Piano solo, Miss R. Wales; reading, 'Hot Cross Buns," Miss Irwin; solo, Miss E. Stewart; reading, "The Three Lillies," Miss A. Tight; solo, "Bearing His Cross," Mrs. Bell; reading, "What Easter Means in India," Miss Peddie; reading, "The Resurrection of Love," Miss Featherstone. The messages brought in readings and song were filled with Easter thoughts that will be helpful throughout the year. The Christian Endeavor Committee have given us very helpful programmes during the past year.

The Y. P. L. on Monday, April 12th, will be in charge of the Missionary Department. A lecture will be given by the Rev. Mr. Hurlbut on "Life Among the French in the Province of Quebec." Good music. This will be an interesting evening. Everybody welcome.

Quick Relief for Rheumatics.

Local Druggists Sell Rheuma on Money-Back Plan.

If you suffer from torturing rheumatic pains, swollen, twisted joints, and suffer intensely because your system is full of that, dangerous poison that makes thousands helpless and kills thousands years before their time, then you need Rheuma, and need it now.

Start taking it to-day. Rheuma acts at once on kidneys, liver, stomach and blood, and you can sincerely exclaim: "Good riddance to bad rubbish."

Many people, the most skeptical of skeptics right in this town and in the country hereabouts, bless the day when J. M. Mackenzie and other druggists offered Rheuma to the afflicted at a small price and guaranteed money refunded if not satisfied. If you have rheumatism get a bottle of Rheuma to-day.

WEDDINGS.

SHARPE-PATTERSON.

A very quiet wedding was solemnized at Knox Presbyterian manse, Milton, by Rev. J. N. McFaul, on Saturday, April 3rd, of Mr. Lawrence Fawcett Sharpe, son of Mr. and Mrs. Samuel Sharpe, Campbellville, Ont., and Miss Edith Livingstone Patterson, daughter of Mr. and Mrs. Albert L. Patterson, Milton. The bride wore a very smart woodrose crepe satin dress, with ensemble cape coat of Romira cloth to match. Later the happy couple left on a honeymoon trip to Los Angeles, California, amid showers of confetti and many good wishes.

BUCK-FRENCH.

A quiet but very pretty wedding was solemnized on Saturday afternoon, April 3rd, at the parsonage of Lowville United Church with Rev. W. K. Allen as the officiating minister, when Sarah Alma, daughter of Mr. and Mrs. S. S. French, of Owen Sound, and for some time a resident of Nelson township, became the bride of Mr. George Oliver Buck, son of Mr. and Mrs. P. O. Buck, also of Nelson township. The bride was married in her going-away dress of a dainty blue material with smart coat and hat to match and was attended by her sister, Mrs. Clarence W. Bridgman, while Mr. Clarence W. Bridgman supported the groom. Immediately after the ceremony the happy couple left on their honeymoon trip to Owen Sound, where they will visit Mrs. Buck's parents. On their return they will reside on the groom's farm, near Zimmerman, where their friends wish them many happy days.

EVERYBODY INTERESTED.

Everybody around Milton has become interested in electrical cooking since the developments of the past five years in electric range building have proved such a success. It is not necessary now to have the costly three-wire system of 220 volts into your home. Ranges suitable for large families are now built which operate from wall plugs, like irons or toasters. You should have this information and it will be gladly furnished if you will write the William Campbell Company at Georgetown, Ontario. They will also send you their House Science Cook Book. Besides being the lowest priced range on the market, it is also, by far, the most economical to operate. It is approved for use on the ordinary home lighting circuit, by the Ontario Hydro-Electric Commission.
