The many Milton friends of Mrs. James Mockridge were shocked and saddened this morning by the news that she had passed away at 4 a.m. at the Guelph General Hospital, to which she had been taken last week. Her death was unexpected as, up to yesterday, she had appeared to be doing well, but she had been suffering from angina pectoris, one of the most treacherous of heart diseases, for a long time.

The fourth annual choral festival of the Anglican congregations of the county of Halton was held in Grace Church Friday evening, May 14th, and was largely attended, over 120 clergy and choristers marching in procession into the church and rendering the service in a most pleasing and reverent manner. The large volume of tone was well controlled, well balanced and was very fine, reflecting credit on the painstaking work of the various organists and choir masters in the deanery. This was particularly noticeable in the anthem, "Hark, Hark My Soul," with its appealing obligato. The Magnificat and Nunc Dimittis, by Toyler, and a special Te Deum, by Woodward, were well sung. Mr. Henson proved himself a capable leader, while Miss Kathleen Henson excelled herself at the organ. The hearty singing, coupled with an inspiring address by Rt. Rev. Bishop Owen, D.D., and the excellent repast served by the ladies of the church, made the event most enjoyable, and we are sure will do much to stimulate interest in church music. At the service and the deanery meeting many visiting clergy were present, among whom were, Revs. Canon Smith and Grout, Oakville, Rural Dean Tebbs, of Burlington, T. Wase, of Georgetown, E. Slack and S. Bennetts, of Waterdown, R.J. Perry, of Streetville, F. Andrewes, of Campbellville, C. B. Kenrick, J. Samuel and G. Thompson, of Hamilton.

PRESENTATION.

On Monday evening a large number of friends gathered at the home of Mr. and Mrs. Mayes to bid farewell to Mr. and Mrs. Allen, who are leaving for Vancouver to-day. An address was presented which read thus:

To Mr. and Mrs. Allen:

We, your friends and neighbors, have met here to-night to express our regret at your leaving this community and to wish you success and happiness in your new home. We also wish to remind you that it has been a great pleasure for us all to know you, for you have been kind, good friends and neighbors and also good citizens.

We all know that the esteem of one's fellowmen is worth more than riches or honor, and we want you to know that you are held in the highest esteem by those who know you best. Your removal from here is this community's loss, but it is a gain for the community in which you will reside in future.

As a small token of regard and esteem in which we hold you both, we ask you to accept this gift, and our best wishes go with it.

The Young People's League meeting on Monday evening last was the closing one for the season, with a splendid gathering present. The Y. P. L. of the Lowville United Church provided a pleasing programme, the main feature being an address by their pastor, Mr. Allen, whose appropriate remarks to the young people, on character strengthening, were very helpful. At the conclusion of the programme refreshments were served and a social time enjoyed.

Rescued by Milton Old Boy.

Sault Ste. Marie, Ont., May 17.—Provincial Constable Roy Clarke had a narrow escape from asphyxiation last night when he lost his direction in the smoke-filled kitchen above R. E. Digby's grocery store at the corner of Pilgrim and Queen Streets, which he had voluntarily entered to rescue a package containing $800 from the room while the fire was raging at its worst. Clarke was almost choked by the fumes when Roy Chisholm, an athlete from the Y.M.C.A., entered and dragged him out in the fresh air.

"There is good promise of the Canadian National Railways becoming an asset to Canada in the course of a few years," declares The St. Catharines Standard. "But if the task of Sir Henry Thornton is made more difficult by adding the Hudson Bay Railway or any other political brainchild to the system, dividends may be indefinitely postponed."
