HALTON COUNTY FAIR WAS RECORD-BREAKER.

Halton County's two-day fair was held on Friday and Saturday last. Entries in every class broke all records, the exhibits in the main building excelling those of previous years. The display of flowers, which were magnificent, was the largest in the history of the fair, and worthy of special mention. The exhibits in the main building included those of the Halton County championship school fair, held under the direction of A. D. Andrew, District Agricultural Representative. The Milton public school fair was held in the main building on Friday, and was also a grand success. Despite threatening weather, and a shower at noon, the attendance on Saturday, which, after all, was Fair day, broke all records, the gate receipts exceeding last year's total by over $400. The horse show was one of the best. The infield, with its two show rings, was crowded all afternoon, and in every class there was no lack of entries. With many valuable specials to be contested for, the best horses of Halton and nearby counties were present. Previous records of entries in all live stock classes were smashed. One of the big attractions was Hon. F. C. Biggs & Sons' fine herd of prize Ayrshires, which were brought to the fair in two large motor trucks from their farm near Dundas.

The trials of speed were probably the best that have been seen here for some time. There was a good field of trotters and pacers, and in some of the classes it was almost impossible to pick a winner, until the final heat had been run. The results of the races are as follows:

2.30 trot or pace, purse, $200:

Lady Isbearer, Dr. Hodgson, Toronto	1	1	1
Sylva Peter, A.L. Chambers, Milton	3	2	2
Irene Private, Dr. Heslop, Milton	2	3	3
Rec Patch, W. Allen, Milton	4	4	4

Laura The Great, A. L. Chambers, Milton	3	3	2

Time—2.24¾, 2.24¾, 2.24¼.

2.18 trot or pace, purse, $200:

Joe Chimes, Dr. Heslop	2	1	1
Daisy C., Dr. Hopkins	3	3	3

"I'll tell you why I'm going to buy a Westinghouse—"

"Looking back over the past 25 years, I found less than 20% of all automobile manufacturers have stood the test of time and are in business today.

The radio industry is undergoing an identical process of elimination and I'm going to buy my radio from a manufacturer with many years' experience, unlimited resources and assured permanence in the business.

Westinghouse built the electrical apparatus that provides the profits for our business by keeping our machinery working year in and year out. They are pioneers in the business and have a wonderful reputation to maintain. They take no chances. Our company doesn't either—and neither will I—so you'll hear the latest Westinghouse model the next time you come up to the house."

We will gladly demonstrate the 1928 Westinghouse models and explain the many improvements that make them better.

All Canada Agrees
"It's Better *because* it's Canadian"

"IT'S Better because It's Canadian" . . . a year ago General Motors of Canada gave first utterance to this phrase.

"It's Better because It's Canadian" . . . newspapers and magazines all over Canada took up the theme, impressing on Canadian citizens the pride they should justly feel in the products of their country.

"It's Better because It's Canadian" . . . the phrase has struck home, has become a challenge to the Canadian manufacturer and to the Canadian buyer.

"It's Better because It's Canadian" . . . it is a fact. And because it is a fact . . . because General Motors was inspired to put it into words . . . because Canadian editors added to its impetus . . . because Canadians accepted it . . . and because the standard of Canadian quality proved it true. . . .

. . . all Canada has enjoyed a greater measure of prosperity; and General Motors of Canada, with many other Canadian manufacturing organizations, has just completed the most successful year in its history.

Possibility that Dr. R. K. Anderson, M.P. for Halton, may give up his seat in favor of the Rt. Hon. Arthur Meighen, to enable the latter to enter the Dominion Parliament as lieutenant to the choice of the coming Conservative convention, is rumored in Toronto.

"Nothing to it at all," declared Dr. Anderson to-day. "I absolutely deny there has been no approach made to me yet."

George Hillmer, M.P.P. for Halton, said he had heard the rumor whilst in Toronto.—Toronto Telegram.
