DEAD.—Last week THE CHAMPION received a copy of an obituary notice of the death of Henry Stingle, who died at the home of his daughter, Mrs. Mary Wengert, Hermosa, Cal., on Feb. 20th. Deceased was born in Hessen, Germany, in 1834, and came to New York when he was 19 years old, afterwards coming to Canada and settling in Halton county, where for many years he was a leader in business and civic affairs. He was an expert cabinet maker.

Why not a permanent planting of flowers this spring? Blooms all summer, easy to care for, no digging and storing of roots, or buying of seeds each year. All kinds, 25c. each, or by the hundred 15c. each.—Mrs. Will Hamilton, Milton.

WHIRLED AROUND A BELT.—Chas. Heslop, manager of Lakeview Farm, Trafalgar, was running a gasoline engine on Friday last, and when the wheel became wet he attempted to wipe it with a sack. The belt caught the sack and his clothing and, after whirling him around, threw him with much force against the corner of a building where he was found by Clayton Raeburn. One arm was severely injured and a gash in his forehead required five stitches.

TO HYDRO USERS!—Please take notice that the power will be off Sundays, March 25th, April 1st and 8th, from 7.30 a.m. to 11 a.m., and from 1 p.m. to 5.30 p.m. This is necessary on account of repairing high tension lines.—Milton Hydro Commission. 2t

A NEW SERVICE FOR MOTORISTS.—Cavell Battery Service has installed a new up-to-date vulcanizer, and is now ready to take care of all tire trouble. Break in casings, all sizes, repaired. Mr. Cavell advises us that he has installed all the necessary equipment to give fast tire service, the same brand of service which he has given in the past on Batteries and Radios. Mr. Cavell informs us that the system of patching tires is entirely different than it was two years ago. The old-fashioned method of inserting fabric into the blowout has given way to the new criscross patch which he guarantees will outwear the rest of the tire. A trial will no doubt convince anyone who is skeptical.

The March meeting of the Home and School Club will be held in the public school, on Friday, March 23rd, at 3.30 p.m. Rev. Mr. McFaul, of Knox Presbyterian Church, will give a talk on "Ireland." The program will be given by Miss I. Elliot's and Miss Stewart's rooms.

BURGLARS AT STREETSVILLE.—On Sunday morning burglars made an easy entry into the little post office at Streetsville and got away with $400 worth of stamps, a small amount of cash, $20, a registered Victory Bond for $1,000, and several deeds which a local citizen had placed in the office safe. District Superintendent Gibson and Inspector Ecclestone arrived early in the afternoon, and with Provincial Constable Owens, Brampton, and Allen, of Cooksville, made a thorough search of the office for clues. They then made the round of the village, and it is stated they got several valuable clues.

Beautify your homes on the outside, where everyone sees it, as well as the inside, where only a few see it. Remember our lawns are our summer living-rooms. If your grounds are large, and you wish a good display, don't guess at what and where to plant. Do it right. Have a plan drawn and follow it. The result will be satisfaction, instead of disappointment. Advice given. Plans drawn (if required), estimates given, etc.—Mrs. Will Hamilton, Milton.

THREE PLEAD GUILTY.—Phil. Forbes, Gordon Gallagher, Oscar Tebo and Russell Hamilton, jointly charged with stealing thirteen foxes from the fox farm of J. G. Nicholson, of Kilbride, appeared before His Honor Judge Elliot on Tuesday. Forbes, Gallagher and Tebo pleaded guilty and will be sentenced on Tuesday next. Hamilton, who admitted skinning the foxes, pleaded not guilty and will be tried by Judge Elliot on Tuesday next. Both Forbes and Gallagher have a prison record, but Tebo and Hamilton have none. It came out at the trial that Forbes, who gave Inspector Miller a written confession, also helped the Provincial police to recover the fox pelts which were hidden in a cave in Nassagaweya township.

IRISH CONCERT—Paddy O'Hoolohan and his friends will be in town on Thursday, March 29th, all dressed up for the occasion. Come and hear them sing the Irish songs you know so well, and many new ones. EXCISE OFFICERS BUSY.—During the past week government inspectors have been in the county, visiting many stores selling tobacco and cigarettes, and it is rumored some prosecutions may follow. The egg-grading inspector also visited several stores, and warned them in regard to grading eggs.

BAZAAR—Will the ladies of the congregation of St. Paul's United Church please take notice that the Ladies' Aid of the above congregation are planing to hold their annual bazaar the first week in December.

SUSPENDED SENTENCE.—Roy Wales, of Trafalgar, was found guilty of stealing an automobile tire belonging to Ewart Hall, Trafalgar, but released on suspended sentence in Police Magistrate Shields's court at Oakville on Friday last. Before being released Wales was required to pay the costs of the court, $25.00.

See our "Knockout" Spring Coats, with caps to match.—ART WALES, Your Tailor, Milton.

Farrill, assisted by Rev. N. A. Hurlbut, of Milton, Rev. Val Tilton, Burlington and Rev. Mr. Daniels, of Binkley United Church, Hamilton.

"EYES OF LOVE."—A 3-act comedy, in Princess Theatre, Milton, to-night, Thursday, March 22, at 8 o'clock, under auspices of Ladies' Aid of Knox Presbyterian Church. It is one of the best. Don't miss it.

TWO MORE ELECTRIC SIGNS.—The Milton Hydro Electric Commission and Con. Toletzka have each had a large electric sign erected in front of their place of business. Milton's Main Street will be very attractive this coming summer, especially every Saturday night, when all the colored electric signs will be seen at their best.

Meet your friends at the Old Tyme Dance in the town hall, Milton, tomorrow (Friday) evening, March 23rd. Merrell's Old Tyme Orchestra. Under the auspices of the Halton District Holstein Breeders' Club.

NEW BUILDINGS FOR FAIR.—At a special meeting of the Halton Agricultural Society held here on Friday, to make arrangements for the county fair, it was decided to build a new horse stable and poultry building. The present poultry building will be used as a cattle shed for herds, making two cattle sheds on the exhibition grounds.

The home of Mr. and Mrs. W. Tickner was the scene of a jolly St. Patrick's party on Saturday evening, when their daughter, Miss Alice, entertained about twenty of her young friends. The rooms and tables were tastefully decorated for the occasion, and a dainty luncheon was served, the the balance of the evening being spent in playing games and dancing.

TRUCK WRECKED, DRIVER INJURED.—Imprisoned within the cab of the truck that he was driving, Frank Ford, an employee of the Trafalgar township utilities commission, had a narrow escape from serious injury or death on Saturday, when the vehicle rolled down a 45-foot embankment close to the Sixteen-mile Creek bridge on the Toronto-Hamilton highway. The truck was wrecked beyond repair.

Robt. Hamilton, Milton Heights, wishes to thank the students of Milton High School and All Saints' Sunday School scholars for flowers sent to his daughter, Miss Helen E. Hamilton, who is a patient in Guelph General Hospital, and who also sends thanks.

CHICKEN THIEF FOUND GUILTY.—Frank Hopper, of Toronto, appeared yesterday afternoon before His Honor Judge Elliot on a charge of stealing chickens from the poultry farm of Sam McLean, of Postyille, on Jan. 12th. He was found guilty and will be sentenced on Tuesday next. John Hopper, father of Frank, and Phillip Deschamps, brother-in-law of the latter, were previously sentenced to three years in Kingston Penitentiary on a similar charge.

PROTECT YOUR BUILDINGS.—Are you thinking of setting out a spruce windbreak or hedge, or maybe a few around the buildings to give a cosy look in winter? I can give you fifty 2-3' Norway spruce for $25, or at 65c. each. Plant this spring at this low price. Replacements free.—Mrs. Will Hamilton, Milton.

A GRAND SUCCESS.—The Princess Theatre was filled to capacity on Monday night to hear the musical play, "Receiving the Parson, or a Tantalizing Temple," which was presented by the Mountain Union Choral Class, under the direction of Mrs. F. G. Russell, of Toronto. Mrs. Russell has proved herself efficient in this work by several plays which have been presented under her able direction, and the Choral Class deserves great credit for the evening's entertainment which was a grand success, dancing and other prizes. The members of the cast played their parts with an ability and ease in manners and thoroughly delighted everyone with their performance.
