MILTON, Oct. 4, 1928.

HALTON COUNTY FAIR WAS A GRAND SUCCESS.

The directors of the County of Halton Agricultural Society set out to make their annual Fall Fair of 1928 the best in the history of the society and succeeded beyond their highest hopes. The fair on Saturday last was favored with fine weather and a record-breaking crowd. The school children's parade, headed by E. Syer, director, E. Harrop, President, and Milton Citizen's Band, started from the town hall, and on arriving at the grounds the fair was officially opened by the President. The exhibit of live stock was splendid, and few fairs can boast of a better exhibition of horses, cattle, sheep and pigs. The poultry building was filled and the exhibit surpassed that of any previous fair. The exhibits in the main building included those of the Halton County Championship Rural School Fair. The display of fruits, vegetables, grains and roots was especially good, as was also the display of dairy butter, pastry and other table delicacies. The exhibits of fancy work, work of art, school children's writing and woodcraft, needlework and many other classes eclipsed those on display at last year's fair. Prize winners in the trotting events, horses, live stock and special features are as follows:
