IN MEMORIAM.

Anderson—In loving memory of a dear husband and father, George R. Anderson, who passed away March 19th, 1929.

One year has passed—how swift time flies.
Love's sweetest memory never dies;
We miss his help, his cheery ways;
With him we spent many happy days;
We miss him when we need a friend,
On him we always could depend,
He cheered our life, he soothed our pain;
God grant some day we'll meet again.
Sadly missed by wife and family.

Newell—In ever loving memory of our mother, Mary Jane Newell, who passed away three years ago, Mar. 23rd, 1927.

Dear God, wilt thou a message take
To one who walks Thy golden ways?
She is our own, our best beloved,
Without her all are shadowed days.
Winter that our hearts are with her
In the kingdom up above;
Tell her that we miss her always
And we send her all our love.
Dear God, you will know our mother
By the beauty of her smile,
Wilt Thou say to her we're coming
Home, in just a little while.

[illegible] Association and the Manufacturers of Georgetown, Council members of the local Board of Trade, spared along with outstanding local business men and coal dealers, enjoyed a banquet, then heard addresses setting forth the grievance against the Canadian Freight Rates Association.

Mayor J. B. MacKenzie, Georgetown, was chairman. The principal speaker was Mayor Beverley Robson, of Guelph, chairman of the Municipal Freight Rates Association, organized to combat the rates set by the other association. The latter, Mayor Robson explained, is composed entirely of representatives of Canadian and American railways connected with hauling coal from the United States to Canada. The municipal organization is composed of representatives of those municipalities which believe themselves charged higher rates for hauling coal than more favored communities.

COMPARATIVE RATES.

To show the complaint that the lake-shore lines and cities enjoy lower rates than inland towns, Mayor Robson quoted figures on soft coal haulage to various municipalities. The cost per ton to towns and cities which he named is as follows:

Toronto, $1; Hamilton, 90c.; Dundas, 90c.; Welland, 80c.; Kitchener, $1.40; Guelph, $1.40; Waterloo, $1.40; Galt, $1.30; Preston, $1.30; Hespeler, $1.60; Brantford, $1.10; Fergus, $1.60; Stratford, $1.40; Brampton, $1.30.

If the rate for Hamilton is fair at 90 cents, and for Toronto at $1, why should Georgetown be charged $1.30 when the mileage is less from Georgetown than to Toronto?" the speaker asked. "Why $1.40 in Kitchener and Guelph, when the mileage is less from Hamilton to these places than it is to Toronto?"

The Dominion Railway Board is soon to hold a sitting in Guelph, and arrangements have been made to have the board consider this question. Hon. Hugh Guthrie has been retained as counsel for the Municipal Association.

Arrangements are being made to pay the expenses of the hearing on a pro-rata basis, according to population. A warm invitation was extended by Mayor Robson to the four municipalities to come in on this hearing.

Mayor Syer of Milton moved that the municipalities join the association, George Akehurst, Brampton, warmly seconding the motion. Unanimous assent was given the motion.

Representatives of local manufacturers at the meeting were Messrs. J. Ford, Georgetown; Mirandless, Milton; W. V. Grant, Georgetown; M. Macdonald, Acton; Garden, Acton and Geo. Akehurst, Brampton. Other speakers were Reeve A. Mason, Acton; Reeve Donald McIntyre, Georgetown; Deputy Reeve E. W. McCulloch, J. A. McLaughlin, Brampton; Reeve Blain, Milton; L. F. Dennison, Georgetown; R. Segsworth, Brampton; R. M. Fasken, J. Peacock, Milton, and H. W. Kentner, Georgetown.
