Acton man faces drug charge

Continued from pg. 10

An Acton man was charged with possession of crack cocaine after a vehicle roared past a Halton Regional Police officer conducting a traffic stop Tuesday (Oct. 1) in the area of 22 Sideroad and the Fourth Line.

The vehicle was traveling at a high rate of speed and the officer left the traffic spot in pursuit.

After pulling the vehicle over, the officer detected an odour of cannabis marijuana and the driver was arrested. A search of the driver and the vehicle turned up a gram of crack cocaine.

Charged is William Thorpe, 55.

Halton Regional Police conducted a RIDE program spot check in the Guelph St.-Delrex Blvd. area at around 10:30 p.m. Thursday (Oct. 3) when a man was arrested for suspicion of impaired driving.

Upon approaching the vehicle, an officer developed grounds to believe the driver had been drinking.

A roadside test was administered and the driver's reading failed the screening device and blood samples taken at the HRPS station failed as well.

Charged with impaired driving and having over 80 mg of alcohol in 100 ml of blood is David Rae, 47, of Georgetown.

Halton Regional Police are crediting an arrest in connection with a burglary spree in Acton early Thursday morning (Oct. 3) to an alert citizen.

At around 3 a.m., a resident contacted police after observing a suspicious person peeking into vehicles on Dawkins Cres.

Uniformed officers quickly responded to the area and located a suspect who was in possession of several stolen articles.

Charged with theft under \$5000, possession of property obtained by crime and possession of burglary tools is Noah Gardner, 18, of Acton.

The accused was released and will appear in Milton court on November 18.

Police applaud the involvement of the community member in this matter that led to the successful apprehension of the accused and the recovery of stolen property.

Police continue to encourage members of the community to contact police when they observe suspicious persons or activity and if they witness a crime to call 9-1-1.

The community is also reminded to lock their vehicles and remove all valuables from within to prevent being victimized.
