

Pat Kelly (centre) was presented with a Willow Park Ecology Centre Volunteer of the Year award from Tunde Otto Harris (left) and Carolyn Martin.

Pat Kelly is WPEC Volunteer of the Year

During Doors Open on Sept. 29—attended by about 300 people—Willow Park Ecology Centre (WPEC) awarded Pat Kelly the Volunteer of the Year while celebrating the Centre's 15th anniversary.

Kelly is active throughout the Credit River watershed and has become an invaluable WPEC Volunteer Team member. He consistently helps improve park features by preparing and installing habitat structures (e.g. bird, bee, owl boxes). He also engages visitors during events by providing a unique

one-on-one experience making decorative fly-fishing hooks while sharing his genuine interest in the fishes of the Credit River.

On October 12, 9 a.m. to noon, join WPEC as it runs its last official Park Stewardship Day for 2013, focussing on fall gardening, signage and monitoring habitats. It will help the park get ready for its Pumpkin Day on October 27, noon-3:30 p.m.

Online event registration is at <http://www.willowparkecol-ogy.ca/registration.html> or call 905-702-9055.

SMILE ADVICE!!!

If you're not using your SMILE, you're like a man with a million dollars in the bank and no cheque book.

A SMILE makes you look better on the outside and feel better on the inside.

Never frown because you never know who may be falling in love with your SMILE.

It is easy enough to be pleasant, when life flows by like a song, but the man worth while is the one who will SMILE when everything goes dead wrong.

It takes seventeen muscles to SMILE, and forty three to frown.

Now and then one sees a face which has kept its smile pure and innocent. Such a smile transfigures; such a smile, if the artful but know, is the greatest weapon a face can have.

You're never fully dressed without a SMILE!!!

NOTICE OF STATUTORY PUBLIC MEETING

TOWN INITIATED ZONING BY-LAW AMENDMENT PERTAINING TO PARKING REQUIREMENTS IN DOWNTOWN GEORGETOWN AND DOWNTOWN ACTON

DATE: Monday, October 21, 2013
TIME: 7:30 P.M.
LOCATION: Council Chambers, Civic Centre
1 Halton Hills Dr. Halton Hills

Town of Halton Hills Council will hold a statutory public meeting to discuss a draft Zoning By-law Amendment pertaining to parking requirements in Downtown Georgetown and Downtown Acton.

The draft Zoning By-law Amendment:

- Specifies that existing non-residential uses within existing buildings and structures in the Downtown Commercial One (DC1) Zone in downtown Georgetown and Acton (as shown on the key maps) would be exempt from providing additional parking if they are switching to another non-residential use that would generate a requirement for additional parking (for example retail to restaurant).
- Specifies that any expansions or enlargements to non-residential buildings within the DC1 Zones are not permitted to remove existing parking spaces unless the same number of parking spaces can be provided elsewhere on site, or if Council approves the provision of cash-in-lieu of the removed parking spaces.
- Increases the maximum size of home occupations in single detached dwellings from 15 square metres to 45 square metres in the DC1 Zones in Downtown Acton and Georgetown. This is consistent with the approach taken in the rest of the Town which recognizes that often single detached dwellings can accommodate the increased parking requirement that is required when introducing home occupations greater than 15 square metres.

These revisions would still have the effect of triggering parking requirements in the DC1 Zones in downtown Georgetown and Acton for the following:

- construction of a new residential or non-residential building or structure;
- expansion to an existing non-residential building or structure; and,
- conversion of a residential use to a non-residential use.

The affected lands are shown as the DC1 Zones on the Key Maps below.

Key Maps: Location of Subject Lands

Following the statutory public meeting, Town staff will prepare a report to Council which will respond to oral and written comments received, and provide a final recommendation on passage of the Zoning By-law Amendment.

Copies of the staff reports and the draft Amendment is available for public review and comment in the Town of Halton Hills Planning, Development and Sustainability Department or on the Town's website <http://haltonhills.ca/downtownparking>.
