Mrs. W. T. Barnard is, we are sorry to say, quite ill. Her many friends hope she will soon recover.

Shop in the stores that invite your custom. They present outstanding values in the advertisements.

The publishers of THE CHAMPION are indebted to Clifford Houston, of Peterborough, formerly of Milton, for a copy of the Peterborough Examiner's special vacation number, which is interesting, full of information and pictures of beautiful summer resorts in the Peterborough district.

TWIN COLTS MARKED ALIKE.—Twin colts, similarly marked, and with but slight difference in color, were born on the farm of Elmer Harbottle, Nelson township, a few days ago. Horsemen say it is a rare thing for twin colts to live, even for a few days. They have received many visitors.

The Milton arena is going to be filled on Monday, May 21st when Milton's first "Donkey Baseball Game" will be played. Sold—[illegible]4,000 miles from home
It's a long way from any dairy farm in Canada to Chiengmai, Siam.
By railroad and steamer and pack train the distance is more than 14,000 miles. Yet products from Canadian dairy farms are used in Siam. Each year millions of pounds are bought and used in remote places throughout the world.
In 1857 Gail Borden's "canned" milk firm opened the way for world-wide selling of dairy products. Foreign outlets for Canadian milk are the result of modern sales and research pioneering.
Every million pounds of milk produced that finds a market in foreign lands, further supports the flow of milk money back to the farms of Canada.
